June 3, 2024

Dear Parents/Guardians,

The District will send literacy kits home with elementary students the week of June 3, 2024 to support them in continuing to build reading proficiency over the summer and develop a joy for reading.

Reading at home is just as crucial as reading in school, and by providing these kits, we aim to reinforce the positive efforts that you are already making to help your child become a confident reader. Please enjoy this collection of books with your child throughout the summer months and keep them at home as a part of your family library. By engaging in independent reading time and reading together, you can create valuable opportunities to discuss the stories, themes, and knowledge your child is gaining.

Students may also access the District Learning Library on Sora in Schoology to read digital eBooks and audiobooks. Scan the code below to learn more about how to access the District's Learning Library on Sora for more fun ways to engage your child in literacy and learning this summer.

If you do not receive your student's book kit, do not hesitate to contact your child's school of attendance.
