PREPARING TODAY FOR TOMORROW'S JOBS: A WORKSHOP ON FUTURE WORK TRENDS

Is your student unsure of the career path they want to pursue? Or perhaps you are considering a job change. Join our experts from the Los Angeles County Economic Development Corporation (LAEDC) to gain insights into emerging career trends in Los Angeles County and learn how to empower your teen in making informed decisions about their future. Unlock the future for your teenager and yourself with our workshop on navigating tomorrow's job landscape. Participants will be able to explore Gladeo, a free career navigation platform for All Angelenos.

LEVERAGING YOUR LIBRARIES NOW AND IN THE FUTURE

Have you ever wanted access to more books, audiobooks and magazines without leaving home? Join us in this exciting virtual workshop where members of LA Unified and LA Public Library (LAPL) will share new tools that will engage students and families while preparing them for a bright future. Colleges and careers are demanding that students be proficient digital readers. During this session we will discuss LAUSD's Learning Library on Sora, school libraries, and the amazing resources provided by LAPL, including Libby, all designed to support students and families, now and for a lifetime.

SPOT, TALK, ACT: SIGNS, CONVERSATIONS AND FINDING HELP FOR SUBSTANCE USE

This workshop will provide parents with essential knowledge and tools to address substance use and its risks. We will explore the reasons behind substance use, including peer pressure and mental health issues, and provide key information about fentanyl, a dangerous opioid. You will learn how to identify signs of overdose, how to approach sensitive conversations with your child, and where to find appropriate support and resources. We will also cover naloxone, a vital medication for reversing opioid overdoses, and guide you on how to use it. Join us to be prepared and proactive in supporting your child's well-being.
