Background

Información de fondo

- ❖ SEIU Local 99 has announced its intention to hold a three-day strike from March 21-23.
- ❖ Additionally, our labor partner UTLA has advised teachers to support the strike by not reporting to work on those three days.
- ❖ If this strike does occur, despite our best efforts to avoid it, due to the anticipated lack of both teachers and school staff, it is likely we would have to close schools – without virtual education – until the strike ends.
- ❖ SEIU Local 99 ha anunciado su intención de llevar a cabo una huelga de tres días del 21-23 de marzo
- ❖ Además, nuestro socio laboral de UTLA ha aconsejado a los maestros que apoyen la huelga al no reportarse a trabajar durante esos tres días.
- ❖ Si esta huelga se lleva a cabo, a pesar de nuestros mejores esfuerzos para evitarla, debido a la falta anticipada de maestros y personal escolar, es probable que tengamos que cerrar las escuelas – sin educación virtual – hasta que termine la huelga.
