The screenshot shows a web interface for a parent to change their password. At the top left is the LAUSD UNIFIED logo. The main content area is titled "PARENT" with a user icon. It features two password input fields: "Password" and "Confirm Password", both with toggle icons for visibility. Below the fields are "Cancel" and "Change Password" buttons. To the right, a "Password Criteria" section lists requirements: at least 10 characters, at least 1 numeric character, at least 1 special character, cannot be common names or words (e.g., "password1", "JohnSmith47"), cannot exceed 24 characters, and must match the re-entered password. At the bottom, there is a footer with copyright information for Los Angeles Unified School District.

Make sure to read the criteria for creating an acceptable password. The second password confirmation box will only become accessible once the requirements for the password have been met.
