Administrator's Report
Thursday, June 3, 2021

Greetings

As part of the update for June 3rd, PCS wants to provide information about the one time funds Los Angeles Unified will receive from the state and federal government. The State of California legislature and Governor Newsom approved *Assembly Bill 86*, which is a COVID-19 relief package. Information about this bill is available at: <http://bit.ly/caab86lausd>. Of the \$6.6 billion, Los Angeles Unified will receive \$400 million in onetime funds to be invested in expanded learning opportunities. Furthermore, Los Angeles Unified will also receive approximately \$2.2 billion onetime federal funding from the *American Rescue Plan*. Each plan establishes unique language to define expanded learning opportunities, and Los Angeles Unified has is leading engagement to ask our school communities how they advise the funds be invested. The five strategies are as follows: Health and safety (On campus interactions); Accelerate learning (Instructional support for all learners); Mental wellness (Resources dedicated to the whole child); Support for specialized populations (Intensive support); and Parent & Family Engagement (Linking families to accelerated learning and mental wellness resources, and staff training). To provide input we are inviting all members of our school communities to submit their ideas by visiting the following Thought Exchange link: <https://bit.ly/LAUSD2021>.
