

Greetings

Congratulations PAC to our members and newly elected officers! You started this journey at Local District Study Groups, experienced running for a seat and won, and have reached this point where you helped lead elections that celebrated each member of the PAC. We look forward to initiating the learning at today's meeting.

As we prepare for the Thanksgiving holiday, we wish you and your family safe gatherings with loved ones. We invite you to practice safety first, and to use our Safe Steps to Safe Schools webpage while students are out of school. This site provides the schedule for COVID-19 testing, vaccination schedules and a diverse question and answer segment. Visit <https://achieve.lausd.net/covid> to get updated messaging. PCS has started initiatives to help our families learn how to develop their voice leadership and advocacy. This includes our Parliamentary Procedures course for District level committees and our School Site Council and English Learner Advisory Committee Ambassador effort. Both are organized to learn new ideas, tools, and strategies to inform how decisions are formalized in a committee, at a school and when interacting in a diverse group setting.

These will be available to our members online, specifically: the Parliamentary Procedure course is available at the PCS page under the Parents tab, and the Ambassador course is offering an independent learning pathway as a Schoology course for participants. We understand families have diverse schedules and the experience on Schoology will inform our practice into the future.
