

REGION NORTH

Parent Advisory Committee Elections

In-Person Elections

**You are cordially invited to the Parent Advisory
Committee Elections.**

Learn

The PAC will offer you an opportunity to learn about programs, resources, and funding at the District level.

Participate

Provide families with opportunities to participate at the District level by getting elected to serve on the district-level Parent Advisory Committee.

Collaborate

The purpose of the PAC is to build an understanding of the LCAP with a large group of parent leaders. These sessions will offer you an opportunity to learn about programs, resources, and funding at a District level.

The Local Control and Accountability Plan (LCAP) is the plan that describes how the District will utilize its state funds to support all students and high-needs students under the Local Control Funding Formula (LCFF).

The Region Parent Advisory Committee (PAC) will offer you an opportunity to learn about programs, resources, and funding. As a participant, you will also contribute comments about the LCAP. This is a wonderful opportunity for all parent leaders.

Please join us!
