Creating a Daily Pass Shortcut on your Android

|	
Step 1: **Find Chrome on your android and input the URL to the Daily Pass Tool.** https://lausd-rts.powerappsportals.com/home	
Step 2: **Tap the menu icon** **(3 dots on the upper right-hand corner)**	
Step 3: **Select Add to Home Screen.**	
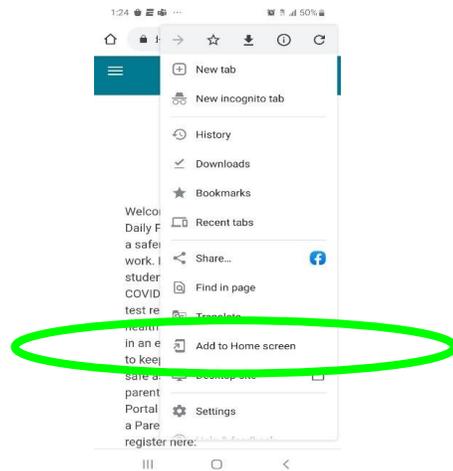

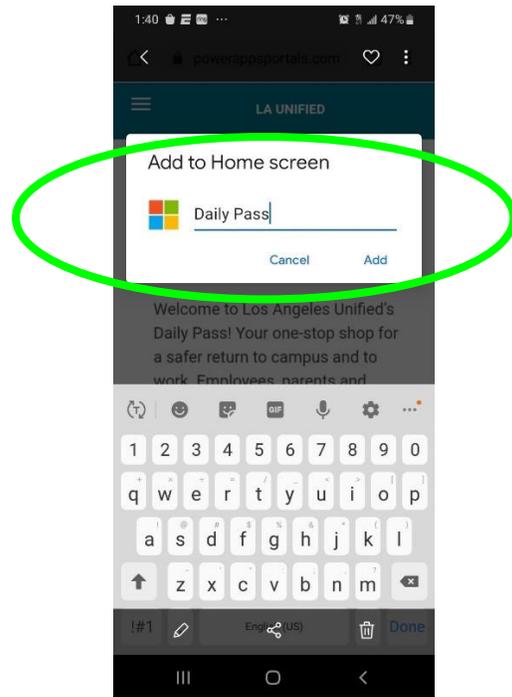

Step 4: **Rename the Shortcut as Daily Pass for easy reference and select Add.**	
Step 5: **You can now click on the shortcut to access the Daily Pass as you would an APP.**
