# BENEFITS OF A COLLEGE-GOING CULTURE

---

# Benefits of a College-Going Culture

---

A college-going culture helps all students set and achieve high goals and generates other important values:

- Appreciation of academics
- Desire to succeed
- Drive to attend college and become a lifelong learner

# Benefits of a College-Going Culture

---

These values are especially important for the following students:

- Students from middle- to low-income families
- Underrepresented minorities
- Students from families in which no one has attended college before (First-Year College Student)

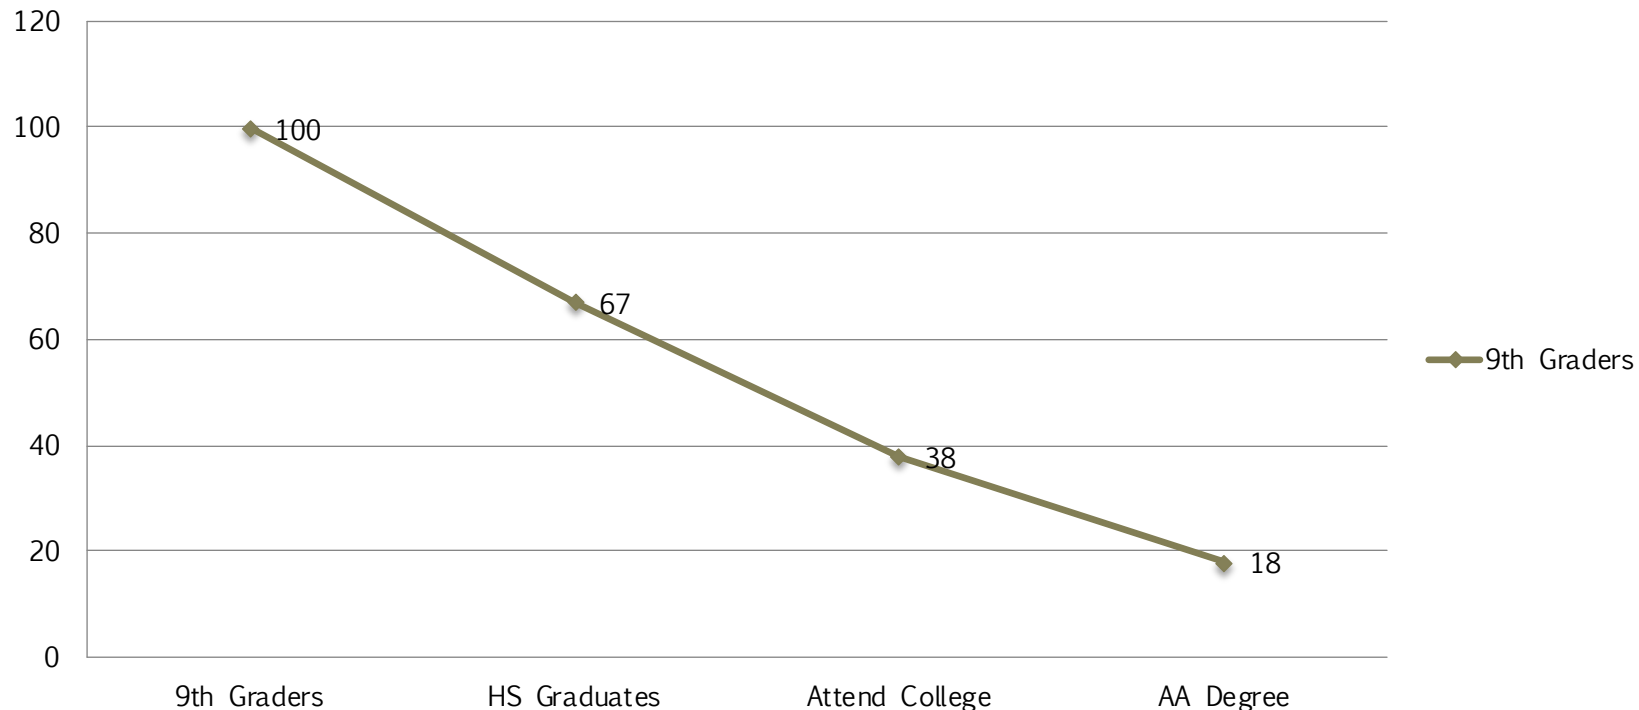

# Benefits of a College-Going Culture

---

Why is it necessary to encourage a college-going culture? The shocking fact is that very few students are likely to complete even an associate degree:

- For every 100 students in the United States who begin ninth grade, 67 of them will finish high school in four years, 38 will go to college, and only 18 will earn associate degrees within three years or bachelor's degrees in six years.

## College Bound Student Data

## Why go to college?

### Can't I get a good job now?

Yes, maybe you could, but a college degree will make your chances even better. Check out the earnings and unemployment rates for people 25 years and older with different levels of education:

# WHAT IS DUAL ENROLLMENT?

Dual enrollment refers to tuition-free college courses that are offered by East Los Angeles College on your high school campus.

- Students can use credits towards high school requirements
- Students will earn transferrable college credit
- LAUSD currently has more than 50 schools that offer Dual Enrollment at the high school level.

# Dual Enrollment Forms

- K-12: This form needs to be filled out every semester.

**EAST LOS ANGELES COLLEGE**  
Supplemental Application for Admission of Students in Grades K-12

**ADMISSION:** Colleges in the Los Angeles Community College District ("LACCD") may admit as a special part-time or full-time student anyone who is a student in grades K-12 who has met the LACCD's admissions requirements and who, in the opinion of the College President (or designee), may benefit from instruction. (Education Code sections 48800, 48800.5, 78201; LACCD Board Rules 8100.06, 8100.07, 8100.08; LACCD Administrative Regulation E-87.)

**FEES:** Enrollment fees are required for special full-time students (i.e., taking more than 11 units), but waived for special part-time students (i.e., taking 11 units or less). (Education Code section 78300(f), LACCD Board Rule 8100.03.) Special part-time students are exempt from the nonresident tuition fee (Education Code section 78140)(a)(4), LACCD Board Rule 8100.03.) The LACCD also charges a health fee (certain categories of students are exempt) and, where applicable, a student representation fee.

**CONDITIONS:** The student is expected to follow regulations and procedures that apply to all college students. The student shall receive college credit for the community college courses that the student completes. Arrangements for receiving high school credit for completed course work must be made with the student's high school. The student may only enroll in those courses listed on this form. This enrollment approval form must be presented when the student initially files an application for admission to the college, and a separate approval must be provided for each semester or term in which the student wishes to enroll. The LACCD and its colleges assume no responsibility for the supervision of minor students (i.e., students under 18 years of age) outside the classroom setting. Parents are responsible for ensuring that their children are appropriately supervised before class begins, after class finishes, or when a class is cancelled and/or dismissed early.

# Benefits

---

- Students earn transferrable college courses: Intersegmental General Education Transfer Curriculum (**IGETC**)
- No tuition
- On *your* campus
- Early college exposure
- Students may access all ELAC resources and services

The student on the right is wearing a green and white patterned shirt and blue jeans, looking at a laptop. There are bookshelves filled with books in the background.

# Things to keep in mind...

*College Student = College Responsibility*

The grade you earn in dual enrollment courses **will** be on your college transcript.

- A “D” is not a passing grade in college.
- Your grades in these courses will affect your financial aid eligibility once you graduate from high school
- You cannot repeat a course if you’ve received a “C” or better in it.
- A “W” is a withdrawal. If you find that you cannot successfully complete a course, you can avoid an F by dropping the course early. W’s are counted as an attempt towards a class, and you may only attempt a course 3 times.

You have support! Stop by the college corner to visit your ELAC representative for more information about services available to you as an ELAC student!
