Schools for Advanced Studies (SAS)

SAS demonstration sites receive the SAS *designation* for their exemplary Gifted and Talented Education (GATE) implementation. A formal application is not required for qualified students residing within school boundaries. An SAS site may accept L.A. Unified students residing outside of the school's residential boundaries after all qualified students who reside within school boundaries have been accommodated. A Verification of Eligibility form is required for applicants currently enrolled in a private school, independent charter or non-L.A. Unified school, including incoming kindergarten applicants enrolled in a non-L.A. Unified preschool or Transitional Kindergarten (TK). Refer to <https://eChoices.LAUSD.net> (click "Who is eligible?") or the Choices brochure for detailed directions.

Escuelas de Estudios Avanzados (SAS, por sus siglas en inglés)

Los sitios de demostración de las SAS reciben la *designación* SAS por su implementación ejemplar de Educación para Dotados y Talentosos (GATE). No se requiere una solicitud formal para los estudiantes calificados que residen dentro de los límites de la escuela. Un sitio SAS puede aceptar estudiantes del Distrito Escolar Unificado de Los Ángeles que residan fuera de los límites residenciales de la escuela después de que todos los estudiantes calificados que residen dentro de los límites escolares hayan sido alojados. Consulte <https://eChoices.LAUSD.net> (haga clic en "¿Quién es elegible?") O el folleto de Opciones para obtener instrucciones detalladas.

SAS Student Eligibility Criteria (Identical to Gifted Magnet Criteria)

SAS participants must meet **ONE** of the following eligibility criteria:

- A. Be identified as gifted by an L.A. Unified designated GATE psychologist in the Intellectual Ability, High Achievement Ability, Specific Academic Ability, Creative Ability or Leadership Ability category OR
- B. Meet the standardized test score criteria from the most recent year as outlined in the Choices brochure or at <https://eChoices.LAUSD.net> (if applicable) OR
- C. Demonstrate the ability to meet ALL FOUR critical thinking and problem-solving skills in their primary language and demonstrate the ability *or strong potential* to perform two years above grade level in academic subjects; SAS kindergarten applicants must also meet the SAS kindergarten-specific criteria included on the *Verification of Eligibility (SAS Kindergarten)* form

NOTE: Applicants to SAS kindergarten who are NOT enrolled in preschool/TK must contact Gifted/Talented Programs for adjusted verification procedures *for this year only*; procedures are posted on <https://achieve.lausd.net/gate> under Program Options and SAS or email gate@lausd.net.

Criterios de elegibilidad de SAS (Idéntico a los criterios del programa Magnet para estudiantes dotados)

Los participantes de SAS deben cumplir **UNO** de los siguientes criterios de elegibilidad:

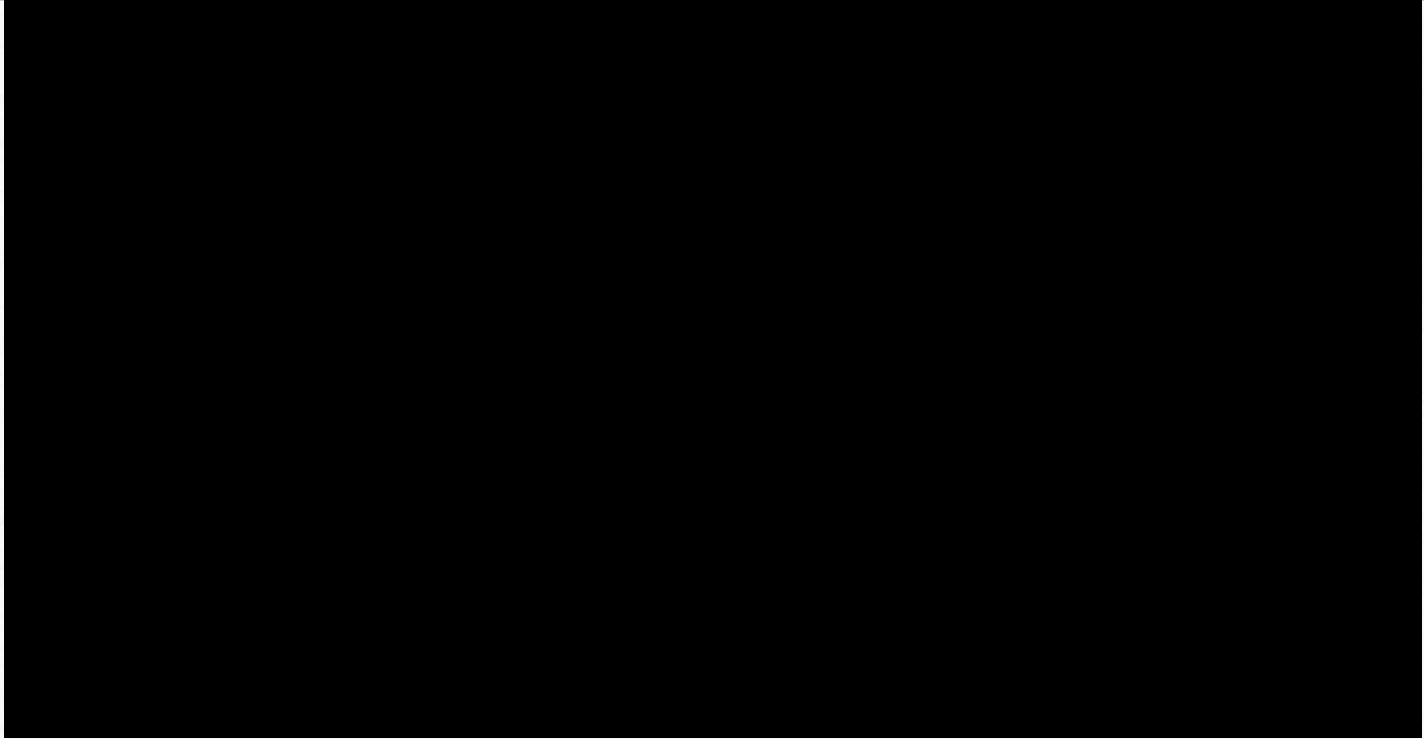

- A. Ser identificado como dotado por un psicólogo GATE designado por el Distrito Escolar Unificado de Los Ángeles en la categoría de Habilidad intelectual, Habilidad de alto rendimiento, Habilidad académica específica, Habilidad creativa o Habilidad de liderazgo O
- B. Cumplir con los criterios de calificación de las pruebas estandarizadas del año más reciente como se describe en el folleto de Opciones o en <https://eChoices.LAUSD.net> (si corresponde) O
- C. Demostrar la capacidad de cumplir con TODAS las CUATRO habilidades de pensamiento crítico y resolución de problemas en su idioma principal y demostrar la capacidad o un gran potencial para desempeñarse dos años por encima del nivel de grado en materias académicas; Los solicitantes de kindergarten de SAS también deben cumplir con los criterios específicos de kindergarten de SAS incluidos en el formulario de *Verificación de Elegibilidad (Kindergarten de SAS)*

AVISO: Los solicitantes de kindergarten SAS que NO estén inscritos en preescolar/TK deben comunicarse con los Programas para Alumnos Dotados/Talentosos para conocer los procedimientos de verificación ajustados solo para este año; Los procedimientos también se publicarán en <https://achieve.lausd.net/gate> en Opciones de programa y SAS o gate@lausd.net.
