Schoology: Student Sign in

PURPOSE

Courses are essential for the online classroom. Signing into Schoology provides students access to courses and to instructor's course work. Schoology gives students an opportunity to continue their learning outside of their school's instructional time.

Why Must I Do This?

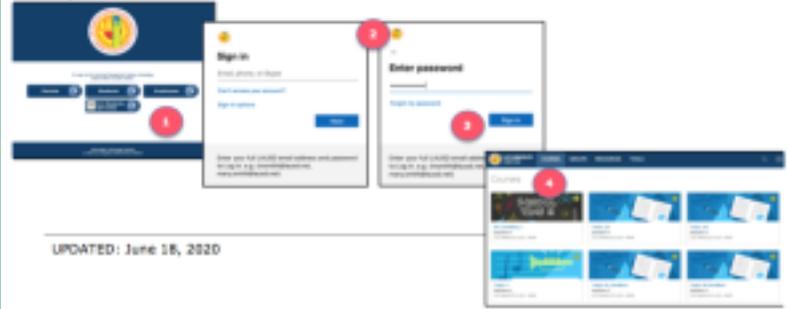

Use this procedure to have students access the Learning Management System (LMS) Schoology. This procedure will allow students to access courses and instructor's materials.

BEFORE YOU GET STARTED

1. Ensure student has a LAUSD MyMail email account.
 - o A list of student email accounts can be accessed through MyData.
 - o The school email sub-administrator can assist students who do not have an email account.
2. If students have forgotten their password or need to reset their password, they can go to <https://mylogin.lausd.net/Student/> to reset their passwords.
3. Verify access to Schoology at lms.lausd.net

PROCEDURE

- Step 1** Go to lms.lausd.net and click on **Student**.
- Step 2** Enter MyMail email address and password.
- Step 3** Click **Sign in**.
- Step 4** Select the **Courses** drop down menu in the top menu.
- Step 5** Select desired Course.

Pandemic EBT

Get help buying food while schools are closed

Families can receive up to \$365 per child to spend on groceries in addition to pick up meals from school through a new program called Pandemic EBT or P-EBT.

Visit ca.p-ebt.org/info to learn more!

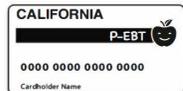

Application deadline extended! Apply online before July 15, 2020 at ca.p-ebt.org

Who is eligible?

Children are eligible for P-EBT benefits if they are eligible for free or reduced-price school meals and their school is closed due to COVID-19.

Use it like a debit card.

Families will get up to \$365 per eligible child on their P-EBT card to use on food and groceries. If you already have this card, you do not need to apply online. Starting in mid-June and until the end of the program, eligible families will get one P-EBT card per child.

How will families get their P-EBT benefits?

Many families with children already got their P-EBT card or already applied online and are waiting on the results of their application. If you already got your card or you already applied online, you do not need to apply again.

Families with children who are eligible for free or reduced-price meals and eligible for P-EBT may not get their card until August due to application processing and mail delays.

***Students can still pick up to-go meals if they have P-EBT benefits.**

Apply online at:
ca.p-ebt.org
before
July 15, 2020

P-EBT is a program by COSS and COE, funded by the USDA, an equal opportunity provider and employer.

LAUSD & Census 2020

What does it mean for us? For you? For me?

- For schools in the Los Angeles Unified, alone, approximately \$500 million is provided for our students.
- This funds more teachers, nurses, staff and health services in our schools, specifically Title I, II and IV dollars.
- An additional \$76 billion each year is also provided to the State of California for housing, buses, public clinics, libraries, bridges, highway renovations and other places of need.
- We want to inform every household and offer guidance to complete a Census questionnaire between **March-October 31st, 2020.**
- That's why every person needs to be counted!
