Earn 1 salary point and learn how to use Schoology to personalize instruction by:

- ★ Organizing Course Materials
- ★ Creating Assessments
- ★ Integrating Apps
- ★ Sharing and Managing Resources
- ★ Administering Groups

If interested, please complete the four items listed below.
For detailed directions, visit bit.ly/IntRegistration.

1. Complete the prerequisite self-assessment (no minimum passing score required).
2. Register through MyPLN (Keyword: **Intermediate Features**).
3. Attend the live webinar orientation session listed on the left. This is a real-time synchronous virtual session.
4. You will complete the rest of the work asynchronously online, on your own time. No additional real-time session will take place. The dates and times on MyPLN reflect when modules will be released.
