

## How to Get Access to Welligent

## for Contractors and Non-LAUSD Charter Employees

- 1. Users will need to apply through oneAccess to obtain a LAUSD account (username and password) <a href="https://oneaccess.lausd.net/">https://oneaccess.lausd.net/</a>
  - a. All users must have a valid email account.
  - b. The site administrator will be required to approve your request.

*Note: If you encounter any issues with oneAccess, contact the ITD Helpdesk at (213) 241-5200, option 3.* 

- 2. After the LAUSD account is approved by the site administrator, users will need to apply for Welligent access through EZAccess using their LAUSD username and password <a href="https://ezaccess.lausd.net/">https://ezaccess.lausd.net/</a>.
  - a. All users must have a username and password
  - b. Select a Welligent role.

Note: Applications are often denied when the incorrect role is selected. For guidance on which user role to select, contact the NPA/NPS office (213) 241-7001 or Charter Operating Programs at (213) 241-5430.

- c. Your administrator will be required to approve your role request.
- 3. Once your Welligent account is approved, log into Welligent at <a href="https://welligent.lausd.net/">https://welligent.lausd.net/</a> to validate your password.

Note: For password issues with Welligent, contact the ITD Helpdesk at (213) 241-5200, option 1.
