- Data for state indicators will be updated by the state in the Dashboard and released in **December 2022.**

The screenshot shows the California School Dashboard website. At the top, there is a header with the dashboard logo on the left and the California Department of Education logo on the right. Below the header is a navigation bar with links for Home, FAQ, Resources, Glossary, Translate, and Search. The main content area has the title "California School Dashboard" and a brief description: "See how districts and schools are performing on test scores, graduation rates and other measures of student success." Below this is a search instruction: "Enter a portion of a school name, district name, or county office of education, and then select the Search button to obtain a list of results." At the bottom, there is a search input field with the placeholder text "Search for School, District or County Office of Education" and a blue "Search" button.
