PURPOSE: The purpose of this Reference Guide is to provide information and guidance on the 2023-24 armored car pick-up service for Student Body Stores and Cafeteria at secondary schools.

INSTRUCTIONS: Sectran Security Inc. has been awarded a five-year contract to provide armored car service to schools from September 1, 2021, through August 31, 2026.

To avail of the car pick-up services, Financial Managers need to submit to their respective Coordinating Financial Manager the completed Request for Authorization-Other form (Attachment C) to request authorization for expenditure. The form should indicate the start service date, the number of pick-up days per week, and the applicable standard monthly service rate, as shown below. Middle and Senior High Schools should indicate 50% of the standard monthly rate since Cafeteria Food Services pays for 50% of the cost.

If a school wishes to increase or decrease the number of pick-ups in the fiscal year 2023-24, the Financial Manager should complete Attachment A of this reference guide. The Student Body Finance Support will review the request, and if approved, Sectran Security will be notified of the change in service.

The standard rates listed above may be reduced for some months due to holidays and days when school is not in session. Listed below is the Single-Track calendar with these reduced rates.

In addition, if Sectran Security misses a scheduled pick-up or if there is an emergency closure of a school site, the monthly rate can be reduced further by having the Financial Manager complete Attachment B of this reference guide within five working days after the close of each month.

An average daily rate of $16.80 per missed trip will be credited to the school. In addition, liquidated damages will be deducted as noted below:

1. $10.00 shall be assessed for each scheduled pick-up missed.
2. $25.00 shall be assessed if two (2) successive scheduled pick-ups are missed.
3. $50.00 shall be assessed if three (3) successive scheduled pick-ups are missed.

**Note:** A “missed trip” is when service is not provided during the scheduled time, on the scheduled day of service.

Please be aware that if the contractor stops for a scheduled pick-up and the deposit is not ready for a pick-up to be completed that day, the location shall pay for the scheduled pick-up.

All scheduled pick-ups shall be between 8:00 a.m. and 3:00 p.m. with the request that pick-ups during the nutrition and lunch periods be kept to a minimum.
Please be aware that Sectran Security will submit their monthly invoice for all schools to the Accounts Payable Branch for payment. (Schools do not create PO, receiver or pay Sectran Security directly.) Individual school’s student body organizations will receive an invoice from the District’s General Accounting Branch with the amount that must be reimbursed to the District. Please include the invoice number to properly credit the school account when remitting the invoice payment.
