Acknowledgment of 90-Day Refund/Protest Policy for Impact Fees

The Los Angeles Unified School District (LAUSD) has the authority to collect impact fees (also known as *school impact fees* or *developer fees*) in accordance with California Education Code 17620, et seq. and Government Code Section 65995, et seq. These fees provide funding for school construction costs. Owners/developers have the right to request an audit of impact fees collected by LAUSD and have the right to file a written request for mailed notice of the LAUSD Board meeting to review the annual and five-year reports for impact fees collected and expended. Reports are available for viewing at lausd.org/page/14335.

The law allows for refunds of certain impact fees. **Requests for refunds or any other written form of protest of fees must be received by the Impact Fee Program Office within 90 calendar days after the payment of such fees.** The request should include (1) the property address(es), (2) the reason for the refund request, and (3) the requestor's contact information. Only a written request is required within the 90-day deadline. The Impact Fee Program Office will contact you for the required documentation and information.
