How to Create a Good Receipt
Partial Receive or Edit the
Accepted Quantity

The purpose of this job aid is to show how to create a good receipt in Ariba Guided Buying when partial items are received or when you need to edit the quantity after submission.

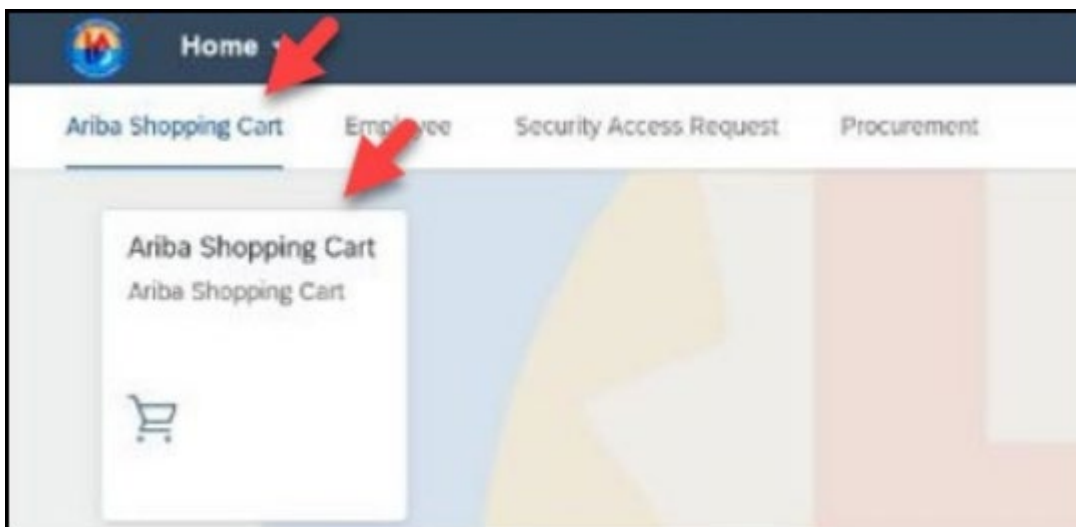

1

To access Ariba Guided Buying, log in to your ESS (<https://ess.lausd.net/>) using your SSO (Single Sign On).

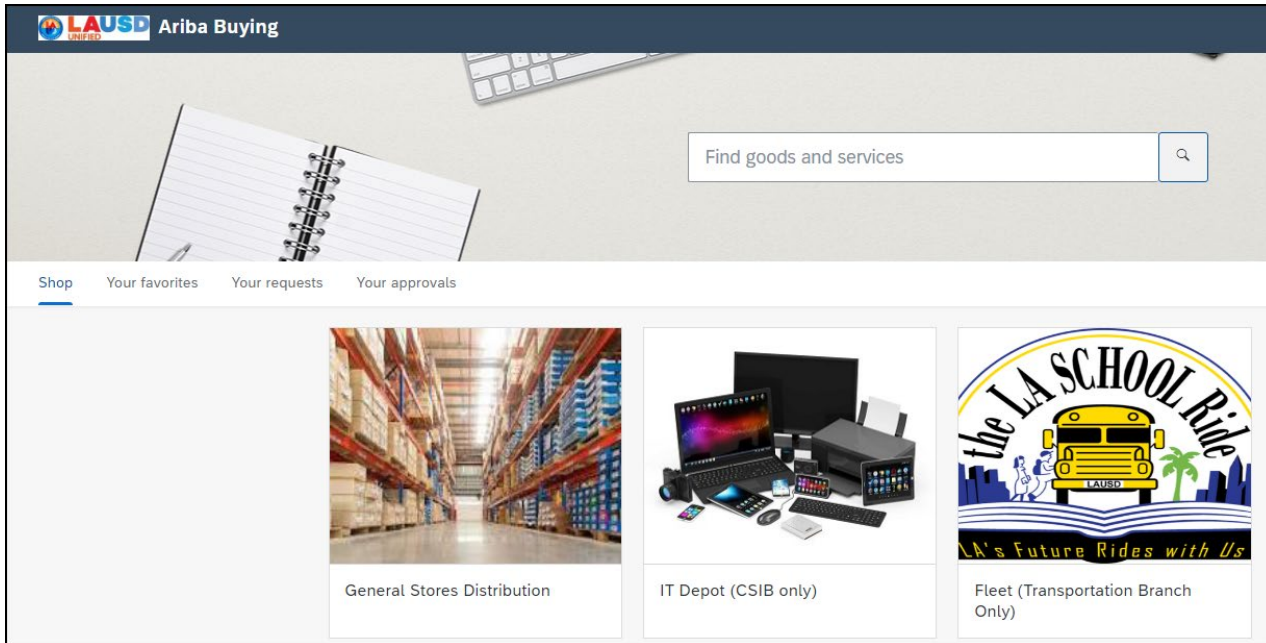

2

1. Click on the "Ariba Shopping Cart" tile.

3

You will be directed to the Ariba Guided Buying home page.

4

Click "Your requests" to view all requisitions.

5

Click "To receive". This will show all orders ready for receiving. The requisition must be in "Ordered" or "Receiving" status.

6

Look for the Purchase Order that is ready to receive. Before creating the Good Receipts, verify the order's quantity and condition.

Manually enter the quantity under the Accepted field.
