1. Inspiration 52 will conduct a pre-test and post-test with each school (student) that we serve. Additionally, Inspiration 52 will take note of student progress, character development, and improved behavior. After each Inspiration 52 Seminar, students are given the opportunity to share what they learned during the session.
2. Inspiration 52 will have *bi-weekly* check-ins with teachers, BSAP Coordinator, and the school administration if possible. Inspiration 52 will conduct a *monthly* formative assessment with each school and group of students that we are serving. Likert Scale assessment for teachers to complete monthly will help determine Inspiration 52 Program success and areas of improvement.

3. At the conclusion of the program Inspiration 52 will culminate at Loyola Marymount University. We will also conduct a summative evaluation and assessment with each school once we return from our field trip to LMU. Additionally, students, teachers, and parents will be given a survey to complete. Lastly, our field trip to LMU has been strategically planned for the month of April. We do this to act as an Inspiration and Motivation for our students as they prepare for the SBAC Testing in May! Students now see the connection between college and testing, and we are confident that the test scores of our BSAP Students will increase!

4. Inspiration 52 will have an end of the year debriefing meeting with the school site BSAP Coordinator. During this meeting (debriefing), Inspiration 52 will report the collection of data results and evaluate the effectiveness of the Inspiration 52 Program at their school site.
