Information Sheet for LAUSD Support Staff and Community Partners

Statistics

Youth experiencing homelessness face many challenges in their education. According to the 2023 Los Angeles Homeless Services Authority (LAHSA) Youth Count, there were 6,230 youth who were experiencing homelessness throughout Los Angeles County, a 10% increase from the year prior.\(^3\) Students facing housing insecurity are eight times more likely to be asked to repeat a grade.\(^1\) In addition, families in transition move two to three times during a school year, which greatly affects a student’s academic achievement.\(^2\)

The Homeless Education Office has developed this toolkit to provide the history of National Homeless Youth Awareness Month, the goals of the Board resolution, and create an awareness of the challenges faced by students experiencing homelessness.

History

On July 11, 2007, the United States Congress established November as National Homeless Youth Awareness Month. Since then, the resolution has been adopted by many national organizations and school districts across the country. On October 18th, 2016, the Board of Education of the Los Angeles Unified School District, in collaboration with the Homeless Education Office, passed a Board resolution to recognize National Homeless Youth Awareness Month to support the unique needs of LAUSD students and promote social awareness. In November 2018, Board Members Gonen, Melvoin, and Garcia, sponsored the resolution, Increasing Opportunities and Supports for Our Homeless Students and Families to further expand Board support for LAUSD initiatives addressing equity and access for LAUSD students and families experiencing homelessness.

Goals

The resolution was written to bring attention to the preponderance of homeless youth attending schools within the LAUSD. The goal of the National Homeless Youth Awareness Month is to encourage discussion pertaining to supportive strategies to end homelessness among students, parents, district employees, and community members. This toolkit contains ideas and activities that will help bring social awareness to the issue and engage stakeholders in ending youth homelessness.

LAUSD HOMELESS EDUCATION OFFICE

School Supply Drive Toolkit

There are thousands of homeless students identified in the Los Angeles Unified School District. Their parents struggle to meet their basic needs like food and shelter. The added financial burden of purchasing back to school supplies is extremely difficult for these families.

Without access to school supplies, students begin the year at a disadvantage. New supplies can boost a child’s self-esteem and help a student feel motivated and ready to learn.

Students can become homeless at any time during the school year, so school supply drives can be held throughout the year. Our students can always benefit from your support!

Here’s How to Get Started!

- **Select Dates**
  Select a week or even a month for people to donate school supplies. Decide if you will be hosting your own collection or working with other groups/businesses.

- **Get Help**
  Enlist a group of colleagues/friends to help plan and organize the drive. Maximize your volunteers’ skills and interests and put them to work! Volunteers can assist with publicizing the event, utilizing social media, creating flyers, and/or obtaining and distributing large containers/boxes to serve as donation receptacles.

- **Get the Word Out**
  Customize our sample flyer with your collection date and drop-off location information. Post the flyer around your office; share it at meetings, with outside groups, through office-wide emails and on social media platforms.

- **Choose Collection Boxes**
  Select collection receptacles with clear labels and strategically place them in convenient and targeted locations to make it easy for people to donate.

- **Contact our Program**
  Call our LAUSD Homeless Education Office to schedule a pick-up or delivery date once your supply drive is complete. The number to contact the HEO is (213) 202-7581.

**Ideas to Increase Participation**

Have fun with the collection boxes! Hold a competition for the most creative box decoration. Below are some examples of previous collection boxes:
● Set a goal for your office/group to work towards.

● Track your progress by using a “thermometer” display or a moving bus. Consider encouraging friendly competition between different groups.

● Give a “Bus Pass.” The pass can be any special opportunity, such as the chance to win a gift card, have a free lunch, or enjoy a “casual day” or “jeans day”.

● Publicize the school supply drive’s progress through a newsletter, email, or social media.

● Share photos of the collection boxes or volunteers participating in the collection.

● Host a virtual fundraiser or raffle to earn money to purchase school supplies and publicize the drive.

● Recognize volunteers verbally, or through personalized notes or photos.

● Make this an annual event!

November IS National Homeless Youth Awareness Month

On July 11th, 2007 the United States Congress established November as National Homeless Youth Awareness Month. Since then, the resolution has been adopted by many national organizations, cities, states and localities across the country including many in California.

On October 18th, 2016, the Los Angeles Unified School District Board of Education in collaboration with the Homeless Education Program passed their own resolution, which coincides with National Awareness Month events.

The resolution was written to highlight the issue of homeless youth within LAUSD. Last year, LAUSD had approximately 15,138 students identified as homeless. Our goal is to encourage discussion among students, parents, district employees and community members.
