CLOTHING BOUTIQUES

“Removing barriers
to attendance”

Our clothing boutiques were established under the belief that every student deserves to look and feel their best! Our boutiques help to remove barriers to attendance by helping eliminate obstacles for students experiencing homelessness, ensuring they have appropriate attire to attend school regularly. Each of our locations is stocked with clothing available to accommodate sizes for UTK-12 students and includes t-shirts, hoodies, jackets, jeans, socks, undergarments, shoes, and more!
