Library Approved Sets 2022

PERMA-BOUND is an approved LAUSD Library Vendor. These sets are curated from a robust collection of 2,887 books chosen from the LAUSD approved categories for this library project. Each set contains unique titles with no duplicates between the sets. Your library order will arrive from Perma-Bound with shelf-ready attached library processing. Your school's library processing specifications and library barcode range are already on file with Perma-Bound.

Ordering Your Books:

Library titles can be ordered as entire sets using the **"Dewey Category Sets"** listed below or you can select titles individually from each of the sets. To determine the number of titles needed for your order simply divide your allocated budget amount by \$18.50, which is the average cost of a title. For example, a \$10,000 budget divided by \$18.50 equals a total of 540 titles to select for your order.

Over-Select:

LAUSD recommends that you select an **additional 15% in substitute titles** in the event some titles are unavailable.

Perma-Bound's LAUSD Vendor Code number is 1000001598

Your purchase order **must** contain the following statement:
"This order includes LAUSD library processing at 0.92 per book."

Please include your Name, Title, School, Address, Email, and Phone Number with your order.
