High School Williams List of District Adopted/Approved Textbooks and Digital Materials

- All materials listed below are Williams-compliant. Use this list to ensure that every student has instructional materials in the defined curricular areas.
- Only District-adopted materials marked with a dollar sign (\$) next to the title may be purchased with State textbook funds.
- All grade levels, taught at the same school, must use the same textbook. For example, all sections of English 10 AB must use the same English 10 A1
- Newer editions of adopted textbooks marked with a "d" next to the copyright date may be difficult to use alongside the originally adopted edition and therefore may be purchased for new courses and new schools only.
- **Digital access:** All textbook titles include digital resources unless otherwise stated in the notes section.

High School Williams List of District Adopted/Approved Textbooks and Digital Materials

- All materials listed below are Williams-compliant. Use this list to ensure that every student has instructional materials in the defined curricular areas.
- Only District-adopted materials marked with a dollar sign (\$) next to the title may be purchased with State textbook funds.
- All grade levels, taught at the same school, must use the same textbook. For example, all sections of English 10 AB must use the same English 10 A1
- Newer editions of adopted textbooks marked with a "d" next to the copyright date may be difficult to use alongside the originally adopted edition and therefore may be purchased for new courses and new schools only.
- **Digital access:** All textbook titles include digital resources unless otherwise stated in the notes section.

High School Williams List of District Adopted/Approved Textbooks and Digital Materials

- All materials listed below are Williams-compliant. Use this list to ensure that every student has instructional materials in the defined curricular areas.
- Only District-adopted materials marked with a dollar sign (\$) next to the title may be purchased with State textbook funds.
- All grade levels, taught at the same school, must use the same textbook. For example, all sections of English 10 AB must use the same English 10 A1
- Newer editions of adopted textbooks marked with a "d" next to the copyright date may be difficult to use alongside the originally adopted edition and therefore may be purchased for new courses and new schools only.
- **Digital access:** All textbook titles include digital resources unless otherwise stated in the notes section.
