PROCEDURES – DISPOSAL OF ELECTRONIC DEVICES

AUGUST 2003

Revised 04/29/05

California Regulations (Title 22, Section 66273.6,) prohibit the disposal of computer monitors, televisions and other electronic devices which contain cathode ray tubes (CRTs) in trash or a municipal solid landfill. If you need to discard the above electronic devices, please submit a salvage pick-up request to the Truck Operations Section (8525 Rex Road Pico Rivera, CA. 90660, phone no. (562) 654-9001, fax no. (562) 654-9011 on a "Transportation Order Form". Truck Operations then schedules a pick-up of all salvaged electronic items which are shipped to the Salvage Center located at 6620 11th Avenue, Los Angeles, CA 90043.

Should have any questions feel free to contact Office of Environmental Health and Safety at (213) 241-3199 or Truck Operations at (562) 654-9001.
