**SUBJECT: NOTICE OF EXEMPTION FROM DAILY DRINKING WATER FLUSHING
REQUIREMENTS**

The Office of Environmental Health and Safety (OEHS) has conducted an evaluation of sampling data at Cesar E. Chavez Learning Academy (Academy of Science Exploration (0001177101), Arts Theater Entertainment Magnet (0001177501), Social Justice Humanities Academy (0001771601), Teacher Prep Academy (0001890101)) as requested by the Facilities Services Division (FSD). OEHS has determined that lead levels are below the U.S. Environmental Protection Agency's and the District's thresholds for lead in drinking water. As such, daily flushing activities at Cesar E. Chavez Learning Academy (Academy of Science Exploration, Arts Theater Entertainment Magnet, Social Justice Humanities Academy, Teacher Prep Academy) may cease.

Quality assurance/control sampling will be randomly conducted at school sites and if necessary, corrective measures will be implemented. If it is determined that daily flushing is then required, you will be notified in writing.

Please post this notice in a place appropriate for public viewing. If you should have any questions or need assistance, do not hesitate to contact our office at (213) 241-3199.
