**AMENDMENT TO THE FACILITIES SERVICES DIVISION STRATEGIC
EXECUTION PLAN TO APPROVE \$1.85 MILLION FOR PHASE 1 OF A
MODERNIZATION PROGRAM TO UPGRADE FOOD SERVICES KITCHEN
EQUIPMENT DISTRICTWIDE**

WHEREAS, District Staff proposes that the Board of Education approve an amendment to the Facilities Services Division (FSD) Strategic Execution Plan (SEP) to approve \$1.85 Million for Phase 1 of a modernization program to upgrade food services equipment Districtwide (collectively, the "Program") as described in Board Report 285-15/16 attached hereto; and

WHEREAS, on February 14, 2014, the Board of Education approved the establishment of the School Upgrade Program (SUP), the next phase of the District's Bond Program which will modernize, build and repair school facilities to improve student health, safety and educational quality; and

WHEREAS, the SUP includes a spending target to address "Modernize and Repair School Cafeterias to Make Nutritious Healthy Meals Available to More Students"; and

WHEREAS, District Staff has determined that the Program is necessary to improve student health, safety and educational quality; and

WHEREAS, the Board of Education's approval of the Program will authorize District Staff to proceed with the expenditure of bond funds to undertake site inspections to prioritize the list of schools to receive upgrades as part of the Project in accordance with the provisions set forth in Measures K, R, Y and Q; and

PAGE 2

WHEREAS, these projects are consistent with the District's commitment to address unmet school facilities needs and provide students with a safe and healthy learning environment; and

WHEREAS, District Staff has concluded that the proposed SEP amendment will facilitate implementation of the FSD SEP, and therefore, it will not adversely affect the District's ability to successfully complete the FSD SEP.

NOW, THEREFORE, BE IT RESOLVED THAT:

1. The School Construction Citizens' Bond Oversight Committee recommends that the Board of Education adopt an amendment to the Facilities Services Division (FSD) Strategic Execution Plan (SEP) to define and approve a Modernization Program to Upgrade Food Services Kitchen Equipment with a combined budget of \$1.85 Million defined in Board Report 285-15/16 a copy of which is attached hereto in the form it was presented to the BOC and is incorporated herein by reference.
2. This resolution shall be transmitted to the Los Angeles Unified School District Board of Education and posted on the Oversight Committee's website.
3. The District is directed to track the above recommendation and to report on the adoption, rejection, or pending status of the recommendations as provided in section 6.2 of the Charter and Memorandum of Understanding between the Oversight Committee and the District.

Board of Education Report

Report Number:	285-15/16
Date:	March 8, 2016
Subject:	Amendment to the Facilities Services Division Strategic Execution Plan to Approve \$1.85 Million for Phase 1 of a Modernization Program to Upgrade Food Services Kitchen Equipment Districtwide
Responsible Staff:	
Name	Mark Hovatter, Chief Facilities Executive Thelma Meléndez de Santa Ana, PH.D., Chief Executive Officer
Office/Division	Facilities Services Division Office of Educational Services
Telephone No.	213-241-4811 and 213-241-4133

BOARD REPORT

Action Proposed: Staff proposes that the Board of Education amend the Facilities Services Division Strategic Execution Plan (FSD-SEP) to approve \$1.85 Million for Phase 1 of a modernization program to upgrade food services equipment Districtwide (sites are listed in Attachment A). Construction is anticipated to start in the second quarter of 2016 and be completed by the end of the fourth quarter of 2016.

Background: On January 14, 2014, the Board of Education approved the establishment of the School Upgrade Program (SUP), the next phase of the District's Bond Program which will modernize, build and repair school facilities to improve student health, safety and educational quality. The Board's action approved the overarching goals and principles, funding sources, specific categories of need, and spending targets for the SUP.

The SUP includes a spending target to "Modernize and Repair School Cafeterias to Make Nutritious Healthy Meals Available to More Students." Projects developed under this category of need are included in the Facilities Services Division Strategic Execution Plan.

The District's current food services kitchen equipment is deteriorated, energy-inefficient, and may pose health and safety concerns. Outdated equipment is costly to maintain, and the equipment breaks down frequently, which causes food and sanitation hazards. Modernizing antiquated food services kitchen equipment that is well beyond its useful life will help to make nutritional meals available, and thus improve student health, safety and educational quality.

LOS ANGELES UNIFIED SCHOOL DISTRICT

Board of Education Report

Additionally, modernized equipment is more efficient to operate, which will reduce impact on energy costs and the environment.

Staff's proposal will focus on providing new energy-efficient refrigerators, freezers, stoves, coolers, food cabinets, ice makers, and ovens and connecting them to electrical and plumbing systems. The modernization and upgrade of food services kitchen equipment will be executed in accordance with all relevant District, Local, State, and Federal Government guidelines.

Expected Outcomes: Staff anticipates that the Board of Education will approve the proposed program to address food services facilities needs that will improve student health, safety and educational quality. If the Board of Education approves staff's proposal, work will commence at the 218 school sites listed on Attachment A.

Following completion of site inspections previously approved by the Board of Education (Board Report No. 125-15/16) staff will return to the Board with Phase II and a prioritized list of the remaining school sites expected to receive food services kitchen equipment upgrades. On an annual basis, the Facilities Services Division will report on the progress of this program in the Strategic Execution Plan.

Board Options and Consequences: A "yes" vote will authorize staff to proceed with the expenditure of bond funds to undertake the proposed program in accordance with the provisions set forth in Measures K, R, Y and Q.

If the proposed action is not approved, bond funds will not be expended and food services facilities needs will remain unaddressed.

Policy Implications: These actions are consistent with the District's commitment to address unmet school facilities needs and provide students with a safe and healthy learning environment.

Budget Impact: If this item is approved, \$1.85 Million in Bond program funds earmarked specifically for food services needs will be allocated to modernize and upgrade food services kitchen equipment at schools throughout the District.

Committee
Recommendations:**

This item was considered by the School Construction Bond Citizens' Oversight Committee ("BOC") at its meeting on February 25, 2016. Staff has concluded that the proposed amendment to the FSD-SEP will help facilitate implementation of the SEP, and therefore, it will not adversely affect the District's ability to successfully complete the SEP.
