

NORM TABLES FOR ALTERNATIVE SCHEDULES FOR FY 2023-24

JANUARY 2023

The norm tables in this document provide the total number of norm teacher staffing required to implement a 4x4 or a 2x8 alternative schedule in FY 2023-24 at participating secondary schools. FY 2023-24 is the last school year the District will allocate additional resources to support schools using a 4x4 or 2x8 alternative schedule.

Attachment A – various norm tables for schools that follow a 4x4 alternative schedule

Attachment B - various norm tables for schools that follow a 2x8 alternative schedule

Attachment C – the list of participating schools

The total number of teacher resources generated using Attachment A or Attachment B will be the total number of teachers allocated for FY 2023-24 in various program codes:

- Programs 13027 = Base teachers (Refer to the 2023-24 staffing bulletins for more information)
- Program 10989 = Additional class size reduction teachers based on the UTLA agreement (Refer to the 2023-24 staffing bulletins for more information)
- Program 15974 = Additional teachers to implement a 4x4 or 2x8 alternative schedule while maintaining the UTLA class size agreement (Attachment A and B of this document).

Example:

A PHBAO middle school with an enrollment size of 518 students in grades 6-8 that follows a 2x8 master schedule will receive its norm teacher positions as follows:

Description	Type of Resource	Reference	Calculated FTEs	Allocated FTEs	Program Code
Total Number of Teachers Based on the 2017-18 Staffing Ratios	Norm - Base	Staffing Bulletin - Appendix 2 - Attachment A - Table 1P	18	18	13027
Total Number of Teachers Based on the 2023-24 Staffing Ratios	Norm - CSR	Staffing Bulletin - Appendix 1 - Attachment A - Table 1P (Allocation: the number of FTEs from this table minus the number of Base FTEs allocated in program 13027)	22	4	10989
Total Number of Teachers Based on the 2023-24 Alternative Schedules Norm Tables	Norm - Alternative Schedule	Alternative Schedule Norm Tables - Attachment B for PHBAO Middle Schools (Allocation: the number of FTEs from this table minus the number of FTEs from the traditional staffing ratios)	24	2	15974
