

Los Angeles Unified School District Division of Instruction

Re-imagining Instructional Design for High School Mathematics Electives

The Division of Instruction, in partnership with the Local Districts and textbook publishers, will be offering a two-day professional learning opportunity for high school math teachers to re-imagine instructional design.

- Engage with the new print and digital math elective textbooks
- Share ideas and effective instructional practices

This learning opportunity is specifically for high school math teachers currently teaching or scheduled to teach Precalculus, Statistics and Probability, AP Statistics, AP Calculus, and Discrete Math.

When? (Choose one)

Session 1: June 12-13, 2018	Session 2: June 14-15, 2018
