Job Aide: Naviance Curriculum

Overview

The Naviance College and Career Readiness Curriculum is a blended learning solution that helps students develop critical non-cognitive skills and college knowledge. Lessons in the Curriculum cover a broad range of topics designed to guide students as they transition from middle school to high school and plan for life after high school.

The Student Experience

To access the Naviance College and Career Readiness Curriculum as a student:

- 1. Log into Naviance Student.
- Select the "College and Career Readiness Lessons" 2. box, found towards the bottom of the Homepage.

Click the "Get Started" button for the desired lesson. 3. Note: The lesson will encourage the student to complete activities and turn in their work at the end of the lesson.
