E-CAR 2025 TECHNICAL SUPPORT

TECHNICAL RECOMMENDATIONS

For the best E-CAR experience, LAUSD's Information Technology Services - Facilities Technology Services (ITS-FTS) recommends that users access the E-CAR online application at https://www.laschools.org/new-site/my-school/ecar/ using a computer that meets the following specifications:

- Runs on the **Windows** operating system
- Has the **Chrome** browser installed
- Connected to the **District's (lausd.net) Network** from your school site or work location

If you are unable to access E-CAR after ensuring that you meet the specifications listed above, proceed to the following website where you will be prompted to sign-in with your LAUSD Single-Sign-On (SSO) credentials: LAUSD User Identification Portal. Do not include '@lausd.net' after your username (for example john.doe~~@lausd.net~~). After signing in, you will receive a *"User Authenticated"* confirmation. You may now access the E-CAR website and online application at https://www.laschools.org/new-site/my-school/ecar/.
