

E-CAST 2026 - Live Zoom Preparation Assistance Sessions

Welcome to E-CAST 2026! To help you complete your school's E-CAST 2025 online enrollment projection review process quickly and effectively, School Management Services - Master Planning & Demographics (SMS-MPD) Customer Service Staff are offering Live Zoom Preparation Assistance Sessions to all E-CAST Schools on a drop-in basis. No appointment is needed!

Please remember to review the E-CAST Quick Start Manual and all prerequisite reference documents on the E-CAST website at <https://www.laschools.org/new-site/my-school/ecast/> **before** attending a drop-in Zoom Preparation Assistance Session.

IMPORTANT! A drop-in session will typically run for about 30 minutes, depending on the number of participants who log-in for that session. If no E-CAST schools have logged-in to a session within the first 10 minutes of its start time, SMS-MPD Customer Service Staff will close that session.
