2018-2019 DIFFERENTIAL SALARY RATES

Salary differentials may be paid for additional assignments or responsibilities per semester, season, pay period, or as otherwise noted.

Employees may, at the conclusion of the semester or sport season, be paid a lump sum in addition to their regular salary rate, provided they perform certain supplemental duties for which salary differentials are permitted as set out in the District-UTLA Agreement, Article XIV, Section 24.0. Salary differentials are received on the basis of allocation of the assigned activity to the appropriate differential salary rate. Such differentials are authorized only to the extent that funds are provided in the Budget.

An employee who serves in a supplemental assignment for less than a complete semester or sport season may be paid a percentage of the lump sum proportionate to the percentage of the assignment completed. An employee may not concurrently receive more than one such salary differential except that, per school year, one differential paid on a semester basis may overlap a differential for coaching a fall/spring sport. This restriction shall apply to the Mentor Teacher differential.
