# **DPA Database System Payroll Calendars:**

- 1. The pay periods and cut-off dates for differentials are different and therefore not aligned to the Semi-Monthly (SM) and Classified (CL) published payroll calendars. Refer to the 2020 Summer Differential Payroll Calendar for SM and CL.
- 2. In order not to interfere with the Major Payroll processes, ANY HOURS REPORTED AND OR APPROVED <u>AFTER</u> THE CUT-OFF DATES FOR DIFFERENTIAL TIME REPORTING WILL BE PAID ON THE EMPLOYEE'S NEXT SCHEDULED PAY DATE. <u>NO EXCEPTIONS</u>.
- 3. The hours are being time reported and approved using the DPA system and not SAP/BTS.

# **DPA Database System Access:**

Access to enter and approve differentials in the DPA Database System was carried over from the DPA SharePoint System. If additional time approver or time reporter access is needed, complete and submit the DPA/SPA Access Request form using the following link: <u>https://forms.gle/tybG6Wkq7zYy1mVv8</u>.
