To receive funding under the Every Student Succeeds Act (ESSA), a local educational agency (LEA) must have a plan approved by the State Educational Agency on file with the State. Within California, LEAs that apply for ESSA funds are required to complete the Local Control and Accountability Plan (LCAP), the LCAP Federal Addendum Template (Addendum), and the Consolidated Application (ConApp). In order to apply for funds, the LEA must certify that the 2017/18–2019/20 LCAP has been approved by the local governing board or governing body of the LEA. As part of this certification the LEA is agreeing to submit the LCAP Federal Addendum that has been approved by the local governing board or governing body of the LEA to the California Department of Education (CDE), and acknowledging that the LEA agrees to work with the CDE to ensure that the Addendum addresses all required provisions of the ESSA programs for which they are applying for federal education funds.

Rina DeRose, Title I Policy and Program Guidance Office, RDeRose@cde.ca.gov, 916-323-0472

In accordance with the Every Student Succeeds Act (ESSA) sections 1117 and 8501, a local educational agency shall consult annually with appropriate private school officials and both shall have the goal of reaching agreement on how to provide equitable and effective programs for eligible private school children, teachers, and families. This applies to programs under Title I, Part A; Title I, Part C; Title II, Part A; Title III, Part A; Title IV, Part A; Title IV, Part B; and section 4631, with regard to the Project School Emergency Response to Violence Program (Project SERV).

The enrollment numbers are reported under penalty of perjury by each private school on its annual Private School Affidavit. The information in the Private School Affidavit is not verified, and the California Department of Education takes no position as to its accuracy. It is expected that districts engaged in private school consultation verify the accuracy of student enrollment data and the tax exempt status if it is being used for the purpose of providing equitable services.

Private School's Believed Results of Consultation Allowable Codes

- Y1: meaningful consultation occurred
- Y2: timely and meaningful consultation did not occur
- Y3: the program design is not equitable with respect to eligible private school children
- Y4: timely and meaningful consultation did not occur and the program design is not equitable with respect to eligible private school children

2019-20 Other ESEA Nonprofit Private School Participation

The LEA must offer to provide equitable services that address the needs of nonprofit private school students, teachers and other educational personnel under the programs listed below.

CDE Program Contact:

Geeta Rezvani , Title II / Standards Implementation Support , grezvani@cde.ca.gov, 916-323-5595
Geoffrey Ndirangu, Language Policy and Leadership Office, gndirang@cde.ca.gov, 916-323-5831

Title II, Part A Improving Teacher and Principal Quality

The LEA must offer to provide Title II, Part A equitable services that address the needs of nonprofit private school students, teachers and other educational personnel. The enrollment numbers are reported under penalty of perjury by each private school on its annual Private School Affidavit. The information filed in the Private School Affidavit is not verified and the CDE takes no position as to its accuracy. It is expected that districts engaged in private school consultation verify nonprofit status and the accuracy of student enrollment data if it is being used for the purpose of providing equitable services.

Title III Immigrant and English Learner Student Subgrant Program

On an annual basis, the LEA must consult with all nonprofit private schools within its boundaries, as to whether the private school students and teachers will participate in the Title III English Language Acquisition, Language Enhancement, and Academic Achievement Program. Consultation with appropriate nonprofit private school officials must be done during the design and development of programs and before decisions are made that affect the opportunities of students and teachers to participate. LEAs may not require documentation that poses an administrative barrier that is inconsistent to their responsibility to ensure equitable participation of private school students and teachers.
