

Welcome to LOCAL DISTRICT C

From the Office of
Local District Central
Superintendent
Frances Baez

Greetings Leaders of Learning and Achievement,

We have the second reopening phase behind us and we are looking forward to reopening secondary schools! I thank you all for preparing schedules and facilities for students and families. Next week will be another memorable reopening week!

Another very exciting news I want to share is the presentation of our first annual LDC Student Voice Conference organized and presented by LDC students. As you know I launched a Student Voice and Empowerment Unit in LDC. Through the leadership of Ms. Herrera, School Transformation Director and Ms. Arreguin, Parent and Community Engagement Administrator, students met weekly and planed a conference for students. I thank the students and planning team Ms. Gauto, Mr. Chow, Dr. Ortiz, Ms. Cho, and Ms. Hernandez for making this conference possible.

Here is a link of the opening video <http://bit.ly/LDCStudentConferenceVideo>

As you reopen schools or experience a great success towards improving student outcomes, don't forget to tweet and tag our new handle **#LDCChampionMentality** :)

In Community,
Frances Baez

Welcome to LOCAL DISTRICT C

Administrator of Operations
Miguel Saenz

Greetings Local District Central Champions,

Congratulations to our LD Central EEC and Elementary Principals for a very successful reopening of our schools for in person instruction. You welcomed our students with open arms and smiles. You made our students feel safe and appreciated. Thank you for your continuous support to our families.

We are looking forward to welcoming back our young men and young ladies in Middle School and High School on Tuesday, April 27, 2021. I hope our secondary students and staff get to experience as much fun and excitement as we all did welcoming back our EEC and Elementary students.

Take care of yourselves, rest and do something fun!

In Gratitude,

Miguel Saenz

Denim Day in LA—April 29, 2021

April is Sexual Assault Awareness Month (SAAM). Denim Day is a sexual violence prevention education campaign that raises community awareness about the devastating impacts of sexual violence and how to prevent it. 1 in 3 women will experience some form of sexual violence as well as 1 in 6 men will be sexually assaulted before they reach 18 years of age. These trauma exposures can have lifelong consequences.

Start planning your activism for Denim Day by visiting their website and downloading the action kit that is packed with information, resources, social media assets, downloadables, ideas for events, activities and more. The campaign allows schools to explore steps to take, as a school and individuals, in bringing awareness to this issue.

For more information, you may contact Gustavo Sagredo, LCSW Mental Health Consultant
gustavo.sagredo@lausd.net.

Technology Reminders

Student Learning Device Requests (iPads, Chromebooks, or Windows Laptops)

If your inventory has been updated and you are requesting devices, please fill out the Google Form. Your school inventory will be assessed and depending upon whether your school has a deficit or surplus, the LD will determine best use of the limited resources and will allot as needed. Please ensure your inventory is completely updated and accurate in Remedy. If students or staff are experiencing technical difficulties with their devices they may contact the ITD Helpdesk at 213-241-5200 for assistance.

Important Hotspot Update: Zero-Use Hotspots

Students need hotspots. We are aware of hundreds of hotspots that have not been used in the last 3 months. Please ask your IDM to reach out to the students who are not using their hotspot and request that they be returned to the school site. If you don't need recovered hotspots, please contact your operations coordinator and we will coordinate pick up from your school and redeploy to other sites as needed.

Computing Device Refresh Program:

Each year, the IT Asset Management Team evaluates the need to refresh each school's inventory of viable computing devices (i.e., Chromebooks, iPads, laptops) to ensure every student is ready to participate successfully in online/hybrid instruction. Please see the attached IT Asset Management March Newsletter with all the information you need to be ready for the Refresh Program.

<p>Dear Principals:</p> <p>Hope to you are all having a great week. Last Friday, the Division of Special Education released an IOC on the guidelines for paraprofessionals. I have also received many questions about paraprofessional hours. Funding lines have been provided to extend their day and cover the additional 30 minutes of the instructional day. For paraprofessionals that are unwilling to stay an additional 30 minutes other options include staggering schedules, or extending their lunch time so they are able to cover the full instructional day.</p> <p>The IOC also provided information on transportation for students with disabilities. It is possible for students to be picked up at 12 p.m. or 3 p.m. More information to come on how to arrange the transportation. Thank you for your patience.</p> <p>Next week will prove to be as busy as this week, so if you should need anything, please don't hesitate to reach out.</p>	<p>4/16/2021</p>	<p>IOC on Paraprofessionals:</p> <p>https://drive.google.com/file/d/15gHdy0cHdg-onR4brtVXB-DsYdfaN0Ez/view?usp=sharing</p>

3 Ways to Include SEL in Reopening Plans

As we celebrate our collective resilience and achievements during these unprecedented times, it's important to also think of ways we can include social-emotional learning in our reopening plans.

Here are 3 ways to include SEL in our reopening plans:

1. **Take time to cultivate and deepen relationships, build partnerships, and plan for SEL.**
 - Prioritize relationships that have not been established.
 - Engage in two-way communication.
 - Build coalitions to effectively plan for supportive and equitable learning environments that promote social, emotional, and academic learning for all students.
2. **Design opportunities where adults can connect, heal, and build their capacity to support students.**
 - Help adults feel connected, empowered, supported, and valued by cultivating collective self-care and well-being.
 - Provide ongoing professional learning.
 - Create space for adults to process and learn from their experiences.
3. **Use data as an opportunity to share power, deepen relationships, and continuously improve support for students, families, and staff.**
 - Partner with students, families, staff, and community partners to learn about students' and adults' ongoing needs and strengths.
 - Continuously improve SEL and transition efforts.

Safe Return to School Tips for Parents and Educators:

As we welcome our students back to campus, we may be experiencing many different emotions. Our Psychiatric Social Workers have been hard at work curating resources to support our students and families. We have put together some helpful tips for parents and educators to help support our students. Please see the attached infographic: ***Safe Return to School Tips for Parents and Educators.***

Our PSW, Debbie Bailey, at UCLA Community School, created a very helpful handout for parents regarding the return to campus.

PSW, Ana Milanes, at Olympic PC, Dayton Heights ES, and Toland Way, shared a helpful Safe Return to Campus flyer for parents.

PSW, Luis Lopez, at 49th Street ES, provided a handout on Self-Regulation Classroom Activities.

Greetings Esteemed Leaders of Local District Central,

It is so rewarding to see our young learners back in school! Your organization and preparation for a safe return was evident in the smooth transition of students back to in person learning. Thank you EEC and elementary principals!

Thank you ECC and elementary school leaders for exhibiting ***Champion Mentality*** by collaborating with secondary principals to share best practices and lessons learned from the first phases of the re-opening.

We are looking forward to seeing our secondary students back in school next week!
