

# Welcome to LOCAL DISTRICT C

From the Office of  
Local District Central  
Superintendent  
Frances Baez

Greetings Leaders of Learning and Achievement,

The prospect of vaccinations for youth ages 12-15, a decrease in COVID cases and a reopening of schools are promising indicators of what is ahead. Summer school planning is upon us and we embrace each opportunity to innovate.

At our recent Principals' meeting, Dr. Bermudez and Dr. Hatkoff presented *Joyful Disruption: Planting the Seeds of Critical Social Justice Work*. This was the launch to introduce a series of professional development sessions that include actionable ways to decolonize the classroom ecology and unearth subtractive deep structures of schooling. We have known the need but now, we have the tools to address subtractive schooling and transform our school settings into places of joy, humanization and accelerated achievement.

Summer school is the time to innovate and invest in joyful disruption. The time is now. I invite teachers to be part of Summer School and apply today at <http://teacherportal.lausd.net> . Thank you for your leadership!

Don't forget to tag #LDCChampionMentality to feature your school accomplishments.

In Community,  
Frances Baez

# *Welcome to* LOCAL DISTRICT C

Administrator of Operations  
**Miguel Saenz**

Greetings Local District Central Champions,

Congratulations to our LD Central Schools who have had successful visits by the Los Angeles Public Health Department and the Office of Environmental Health Services.

Many of our schools have been receiving accolades on the procedures they are implementing to provide a safe learning environment for our students and our staff. This speaks to your dedication and commitment to the safety and wellbeing of our families. I thank you on behalf of our LD Central Families.

In Gratitude,

Miguel Saenz

## Updates/Events/News:

### Beyond the Bell Substitute Support:

Schools who need BTB substitute support need to create a job in smartfind, and use the reason "BTB Supervision." Schools who have preferred substitutes who are available may prearrange them into the position. Once the job is created in smartfind, the system and the substitute unit will work on finding someone.

### Vacation Cap

For the current year only, the vacation cap is waived. All earned vacation hours, including those waived in the prior year, will be made available during fiscal year 2021-22 without having to complete a Vacation Waiver Form. However, employees are able and encouraged to take vacation. Employees can access a vacation balance statement at any time via the Employee Self Service portal at [ess.lausd.net](https://ess.lausd.net).

### Reminder on Behalf of OGC: Schools Files Project

The LAUSD School Files application is the LAUSD application designed for Principals and Administrators to upload inappropriate behavior-related documents on a regular basis into the School Files system. This web-based application only requires a few entries to add documents. Please note that all user logins are recorded. Users are to upload documents as PDF files. Log in to the application using your SSO account at: <https://schoolfiling.lausd.net>. For specific instructions on completing this process, please contact your Staff Relations Field Director.

### MyPLN TRAINING RESOURCE AVAILABLE ONLINE

District employees have access to many training courses online courtesy of The Organizational Excellence Branch. Employees may access the training at MyPLN (<https://achieve.lausd.net/mypln#spn-content>). This online service is available to all Classified employees and can assist you in providing assistance and guidance, support, and skill enhancement for your employees.

### End of Year Device Collection

With only a few weeks left of the 2020-21 school year, it's time to start planning for device collections. This includes any laptops, Chromebooks, tablets, hotspots, or any items in your school's inventory checked out to students. Each school should definitely make plans to collect devices from ANY student who will not be returning in the fall. This includes:

- Graduating seniors
- Matriculating students (those changing from elementary to middle school or from middle to high school)
- Students transferring to another school (whether inside or outside LAUSD).

### Computing Device Refresh Program:

Each year, the IT Asset Management Team evaluates the need to refresh each school's inventory of viable computing devices (i.e., Chromebooks, iPads, laptops) to ensure every student is ready to participate successfully in online/hybrid instruction. Please see the attached IT Asset Management April Newsletter with all the information you need to be ready for the Refresh Program.

### Student Learning Device Requests (iPads, Chromebooks, or Windows Laptops)

If your inventory has been updated and you are requesting devices, please fill out the Google Form. Your school inventory will be assessed and depending upon whether your school has a deficit or surplus, the LD will determine best use of the limited resources and will allot as needed. Please ensure your inventory is completely updated and accurate in Remedy.

If students or staff are experiencing technical difficulties with their devices they may contact the ITD Helpdesk at 213-241-5200 for assistance.

### PSWs appreciate our Teachers!

Our School Mental Health team acknowledges the work that our educators have done throughout this past year and continue to do to help support students' educational development.

Administrators, School Based PSW's, and other SHHS staff have taken time to acknowledge the work that teachers do all last week. Whether it is sending a teacher a positive affirmation, sending them a "virtual pat on the back", giving them a warm welcome in the morning as they come onto campus; these acts provide our teachers an opportunity to know they are appreciated.

Our *PSW Amy De Gaetano, LCSW* from Central High Tri-C CDS provided students and staff with the opportunity to give thanks to their teacher for the work and dedication they received from them. It's especially touching to hear from students that were not successful at a traditional comprehensive campus and have been given a second and/or even third chance to find educational success. Click on the link to read the student/staff messages to Jefferson Central/Tri-C Teachers so that they are aware that their time and effort on students is not in vain.

## Updates/Events/News:

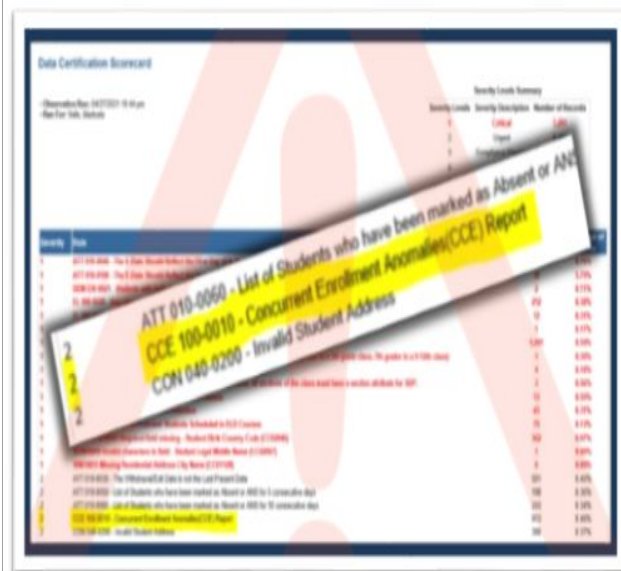

Per the **Office of Data and Accountability** there have been many overlapping/concurrent enrollments this school year due to distance learning.

An **overlapping/concurrent enrollment** occurs when a student that is enrolled in two districts and the state system is displaying them as enrolled in another district within the state of California during the same period of time.

When not corrected, these concurrent enrollments may adversely affect a school's dropout data.

It is important for schools to review the certify rule **CCE-100-0010-Concurrent Enrollment Abnormalities Report** on their Data Certifications Scorecard and make corrections as appropriate.

### Beating the Odds: Overcoming Homelessness During the Pandemic

This week we feature a family from Weemes ES who was able to overcome the insurmountable challenge of experiencing homelessness. The story begins in May 2020 when the SSS Counselor Carina Vasquez received an email from one of the student's teachers informing her that the father and the boys were sleeping in their car. The student's mother left the father and the three boys for unknown reasons. The father struggled finding child care and working long hours. The school had been trying to contact the family due to the lack of connectivity. They did not have any belongings and the students could not attend school because they did not have access to technology. SSSC provided information on a community housing agency, HOPICS, with walk-in services including required documents, address contact information and hours of operation. Father went to HOPICS the next morning and the family was linked to services. They received emergency hotel vouchers.

During this time SSSC also made a referral to the Homeless Education Office who provided bags of clothing and toys. With the help of school staff the family also were given a hotspot and device.

## Updates/Events/News:

At the beginning of this school year the family was still living in a hotel. The parents were unable to be reached and the students were not attending online. SSSC then mailed out Student Engagement Letters to the last address provided. The parent returned the call and a Student Engagement Team Meeting was held where the support staff were introduced including the SSSC, PSW, School Psychologist and Assistant Principal. Step-mother went to school to get help with log in information. SSSC referred to the Student Supervision Program. After the meeting, improvement was seen in students' attendance and participation. Step-mother communicated with the SSSC more often and asked for help when needed.

During Christmas season, SSSC referred the family to Sponsor a Family where they received gift cards and food donations.

In January, the family finally found a temporary home. SSSC ensured parent knew the students' right to remain at their school of origin. Before school reopening they attended their nearest Student Supervision Program to ensure they had access to internet and received help logging in to their classes. Upon the return to school SSSC assisted them with return to school procedures including filling out Return to School Preference forms, COVID testing appointment as well as generating a daily pass. The school welcomed the brothers with new backpacks on their first day back to school. The students are now on campus daily with their smiling faces every day! A big thank you to our SSS Counselor and the collaborating school staff, Homeless Education Office HOPICS and the many other staff who helped to support this family in overcoming obstacles even during the pandemic.

# Welcome to LOCAL DISTRICT C

Administrators of Instruction  
Julie Gonzalez &  
Andre Spicer

Greetings Esteemed Leaders of Local District Central,

Congratulations, you and your school wide communities have made it to the home stretch of the school year. As we enter the last few weeks with our students, we want to end the year strong, by continuing to focus on rigorous standards based instruction and appropriate tiered interventions for all. Remembering the Multi-Tiered System of Support structure, we as a local district are committed to the notion that every student deserves personalized instruction based on a variety of data points. We are confident, that with your leadership and intentional efforts from all stakeholders, our students will be poised to return to school in the fall with minimal gaps in learning.

As a reminder, if you did not have a chance to provide feedback during our principal meeting, please do so. Here is the link: <https://forms.gle/tfNLFXcwcDq1PGQ78>
