

Welcome to LOCAL DISTRICT C

From the Office of
Local District Central
Superintendent
Frances Baez

Greetings Leaders of Learning and Achievement,

This month has been reaffirming as I participate in your scholarship program celebrations to acknowledge students who have beaten all odds to pursue their college and career goals.

As we plan for the next two weeks of learning, I want to share two resources: I am so happy to announce our new YouTube channel which you can find here: <http://bit.ly/ldcyoutube> You can view the recent Town Halls focussed on Asian American history and their equity journey.

I want to pause and acknowledge all the men and women in uniform who gave their lives for us to live in a democratic society. Thank you for your service.

As an extended Memorial Day lesson, please access instructional resource available to us through our partnership with Discovery Education. [Link here](#)

In Community,
Frances Baez

Welcome to LOCAL DISTRICT C

Administrator of Operations
Miguel Saenz

Greetings Local District Central Champions,

A special thank you goes out to all of our Principals who submitted their graduation/culmination diagrams for review. The operations team will review the diagrams and provide feedback and support to insure safe and successful celebrations at each one of our schools.

Your Mental Health is important! You are important! Please take some time this weekend to do something that brings you joy and take some time this Memorial Day to acknowledge and celebrate the lives of the men and women who lost their lives serving our country in the military.

In Gratitude,

Miguel Saenz

OPERATIONS

Miguel Saenz, Administrator of Operations

Updates/Events/News:

It is important that the public has access to your school site while on “E” basis. The public, parents, US Mail, and delivery trucks need to have access to the school’s office. Here are additional reminders

Hours:	Regular school office hours (recommended – 8:00 am – 4:30 pm). Hours should be posted on the school’s front entrance.
Phones:	Please make sure phones are answered on a regular basis.
Flags:	Please remember to raise the United States and California flags when the school’s office is open. (Don’t forget to take down the flags at 4:30 pm).
Bells:	Please turn off bells.
Securing Your Campus:	Please plan to meet with your Plant Manager and Buildings and Grounds worker to discuss securing your campus.
Keys:	Make sure that keys are inventoried for ease of reissue in August.
Equipment:	Testing carts need to be secured, iPads powered down and unplugged over the summer to prevent damage. Please be sure to secure all items in locked facilities to prevent possible theft.

Updates/Events/News:

Payroll Updates

Contract Pool Teachers

To avoid overpayments, make sure time has been reported for each day that a Contract Pool Teacher has worked at your site. All benefitted time should be reported by Human Resources.

Lump Sum Payment of Differentials

Lump Sum Differentials must be reported at the end of June. For further information or instructions, please refer to REF-1802.17, ***Time Reporting Instructions for Lump Sum Payment of Differentials***.

[REF-1802.17](#)

Semi-Annual Certification

Semi- Annual Certifications (SAC) and Multi-Funded Time Reports (MFTR) for the January 1, 2021 through June 30, 2021 period are due soon. Having these forms compiled before you leave for summer break will help ensure that they are completed timely and accurately.

Please refer to Bul-2643.10, ***Documentation for Employees Paid from Federal and State Categorical Programs*** help clarify time documentation requirements For assistance or further information please contact the following the Accounting Controls and Oversight Branch at (213) 241-2150

Verizon Hotspot Recall

The Verizon corporation [is recalling over 2 million Ellipsis Jetpack mobile hotspot devices](#) due to a risk that the lithium-ion battery in the devices could overheat, posing a potential burn or fire hazard.

As the safety of our students and staff at Los Angeles Unified is paramount, we take this recall very seriously and have been working in close partnership with Verizon to develop a process to change out recalled devices for new ones in the safest and most efficient way possible.

Verizon is currently making arrangements to provide replacement devices and deliver directly to every school. They have informed us that deliveries are scheduled to take place May 24 through June 4. The number of devices to be delivered to each school will correspond to the number showing as currently active at each school plus a 25% buffer. If you have immediate questions or have families who are asking to exchange a hotspot immediately, please [contact our IT Asset Management](#) team for assistance. Find additional information about the recall as well as recommended language to provide to your school communities at <https://achieve.lausd.net/verizonrecall>.

Technology Reminders

Device Refresh and Summer Collection

To support our schools for the upcoming Device Refresh and Summer collection, IT Asset Management team (ITAM) will hold Office Hours for our Local District on the following dates and times:

- ★ 6/3, 10:30 – 11:30am
- ★ 6/10, 2:30 – 3:30pm

Schools may use link below for all sessions. Note- this link is specifically for LD

Central. <https://lausd.zoom.us/j/89073486797?pwd=YTFxTGhEcVRESGNNWjMwV2t6b1JTZz09&from=addon>

Finally, please note that all webinars are recorded and posted at <https://achieve.lausd.net/Page/16731> For more information, contact Jamie Campbell at jamie.campbell@lausd.net.

Student Learning Device Requests (iPads, Chromebooks, or Windows Laptops)

If your inventory has been updated and you are requesting devices, please fill out the Google Form. Your school inventory will be assessed and depending upon whether your school has a deficit or surplus, the LD will determine best use of the limited resources and will allot as needed. Please ensure your inventory is completely updated and accurate in Remedy. If students or staff are experiencing technical difficulties with their devices they may contact the ITD Helpdesk at 213-241-5200 for assistance. [Google Form](#)

Technology Reminders Continued

Computing Device Refresh Program:

Each year, the IT Asset Management Team evaluates the need to refresh each school's inventory of viable computing devices (i.e., Chromebooks, iPads, laptops) to ensure every student is ready to participate successfully in online/hybrid instruction. Please see the attached IT Asset Management April Newsletter with all the information you need to be ready for the Refresh Program.

End of Year Device Collection

With only a few weeks left of the 2020-21 school year, it's time to start planning for device collections. This includes any laptops, Chromebooks, tablets, hotspots, or any items in your school's inventory checked out to students. Each school should definitely make plans to collect devices from ANY student who will not be returning in the fall. This includes:

- Graduating seniors
- Matriculating students (those changing from elementary to middle school or from middle to high school)
- Students transferring to another school (whether inside or outside LAUSD).

<p>Asian American and Pacific Islander American Heritage Month</p> <p>During the Month of May, we celebrate the influence and contributions of Asian Americans and Pacific Islander Americans to the history, culture and achievements of the United States of America. Many Americans are familiar with the numerous historical records that have documented the experiences of Asian Americans and Pacific Islander Americans during the Gold Rush era, beginning in the 1800s. However, few people are aware of the first documented presence of Filipinos in California in the late 1500s and the first permanent settlement of Filipino Americans in the 1700s along the bayous of Louisiana. Furthermore, it is important to reflect on the diverse representation of Asian Americans and Pacific Islander Americans with cultural roots in more than 20 countries in Asia. Although more than 21 million Americans today can trace their ancestry to various Asian countries, including the Pacific Islands, many of their stories remain untold.</p> <p>Please access the links on the right to learn more about the contributions and experiences of Asian Americans and Pacific Islander Americans.</p>	<p>Celebrating the entire month</p>	<p>Understanding What the Term AAPI--Asian American and Pacific Islander--Means</p> <p>20 Asian American and Pacific Islander Women To Know</p> <p>12 Children's Books to Celebrate Asian American and Pacific Islander American Heritage Month</p> <p>CONTINUED...</p>

SCHOOL MENTAL HEALTH

Myrna Reynoso Torres, School Mental Health Field Coordinator

Updates/Events/News:

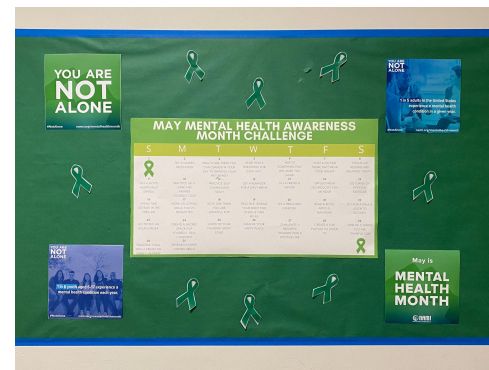

Mental Health Awareness Month:

Throughout the month of May our LD Central schools have participated in numerous activities for Mental Health Awareness Month. Preventative strategies and activities such as the ones so many of our students and staff have participated in have been found to increase a person's protective factors, reduce risks and generate overall mental wellness. This week, we would like to highlight some of our wonderful LD Central PSWs and the work they have implemented within their school sites.

Stephanie Morales and Vanessa Oandasan, PSWs at Nava Learning Academy, engaged staff by creating "Mental Health Awareness Challenge" and "Social Emotional Learning" boards for staff and students to gather resources and provide engagement within the school community.

Stephanie Samaniego, PSW at Carver M.S. created a fun and interactive dance video with the Carver Middle School staff and provided some relaxation snacks for staff to enjoy as they picked up their green ribbons to wear for the remainder of the month.

Updates/Events/News:

This week we will feature an event from last Friday, May 21 provided by our A-G Counselor Cheryl Samson Ramirez at Frida Kahlo Continuation School. Congratulations to the team for providing this inclusive, engaging best practice.

Frida Kahlo Continuation High School, apart of the Jefferson/South Central Community of Schools, has a current enrollment of 140 students, 73% of which are Tier 3 students who are missing 5 or more A-G requirements needed for graduation and 86% of whom are chronic absentees. It has been an extremely difficult year for our students and families who faced a myriad of challenges ranging from: unemployment, lack of transportation, lack of access to quality health care, lack of stable housing, lack of stable internet connectivity, an increase of our student population that has needed to also contribute financially to their households or assist with childcare/household responsibilities while living in multi-generational households. The barriers can be daunting, which makes the need for instilling hope and inspiration much more of a priority.

Links:

[Kahlo Career and College Day Run of Show](#)

CONTINUED...

Updates/Events/News:	Links:
<p>“Choose Your Own Adventure”, Frida Kahlo Continuation High School’s FIRST Virtual Career/Resource/College fair was birthed from these circumstances, coupled with a vision to instill more for a community that deserves more. When you raise the bar for students, you give them a higher self expectation. 36 students participated in our virtual fair on Friday, May 21, 2021. 9 career fair speakers, who provided recorded interviews and represented the following companies/agencies: Apple TV, the City of Whittier Police Department, LA County Emergency Response Team, Los Angeles Homeless Services Authority, The School of Arts and Enterprise, Arts for a Better Tomorrow, Easton Garden Designs, Half Morton Shoe Designs, and Diaz Law Firm. 3 resource fair speakers presented, including our LAUSD Youth Source Center with Coalition for Responsible Community Development, All Peoples Community and Family Source Center, and Pacific Clinics, our incoming mental health provider. Lastly, our college fair included 3 local community colleges (LACC, LASW, and GCC), 2 trade schools (LA Trade Tech & Art Center College of Design), and 5 Cal State Universities, UCs, and Private Universities (CSUDH, CSULB, UCSB, UCLA, and Mount St. Mary’s University). The gems that our speakers left for students, including personal advice on how to pursue a specific career route or school, was all very valuable. We hope that our students could take the knowledge that they learned as tools to help them “Choose Their Own Adventure” as they start to envision their lives post-graduation.</p>	<p><u>Kahlo Career and College Day Run of Show</u></p>

Welcome to LOCAL DISTRICT C

Administrators of Instruction
Julie Gonzalez &
Andre Spicer

Greetings Esteemed Leaders of Local District Central,

Happy Memorial Day Weekend! Memorial Day, observed on the last Monday of May, honors the men and women who died while serving in the U.S. military. Originally known as Decoration Day, it originated in the years following the Civil War and became an official federal holiday in 1971. Unofficially, it marks the beginning of the summer season-something we are all looking forward to!

Thank you for your leadership as we approach the end of the school year. Culmination/Graduation is an exciting time of year for all of our stakeholders, especially our students. Please continue to reach out to us for any support needed to ensure that our students, families and community are able to celebrate these monumental life events.

As you know, our District is offering Summer School for all. Many of our students will attend either CoS Summer School or Summer Term through Beyond the Bell. Local District Central is hosting a variety of exciting enrichment courses that our suited to our students interests. Please use the link below to access the LDC Summer Enrichment flyer.

<https://drive.google.com/file/d/1VhlBJm5KtXoJv-C1jJTG7GzRglilFvpF/view?usp=sharing>

Edgenuity Mentors Needed for Summer School (Middle and High School)

FROM: Division of Instruction

ATTENTION SECONDARY SCHOOL SITE ADMINISTRATORS/COORDINATORS

Would like to share information on hiring mentors for **Summer Term Virtual courses (Edgenuity)**. Whether students are in middle school and enrolled in a non-credit bearing elective course or high school students enrolled in a credit recovery virtual course, both require a staff mentor to help support students in successfully completing these courses.

Please use this link <http://bit.ly/SummerMentor2021> to identify the staff member(s) for your school site. **The deadline is Wednesday, June 2, 2021.**

Please complete the google form above to identify teachers who are willing to support our students using Edgenuity this summer.

If you have any questions, please contact Dr. Burton at jonique.burton@lausd.net.

Here is the link for mentor training.

Bedtime Math

Bedtime Math Foundation
<http://bedtimemath.org/bedtime-math-for-families/>

Audience: Educators, families, children

Types of Resources: Activities, articles, blog, modules, resource lists, videos

Availability in Other Languages: Some resources are available in Spanish.

Bedtime Math provides resources for educators, families, and children to support the math learning of children in preschool and early elementary school. Resources focus on how to integrate math into family routines and play. For example, a nightly math problem is posted on the website for families to solve with children during bedtime routines. Other resources include free math apps for children and kits for an after-school math club called Crazy 8s. The Bedtime Math website provides information and brochures for educators to promote family engagement in math. Most resources on the website are free, but the children's books are available for purchase.

Math Areas Addressed in Resource

California Preschool Foundations

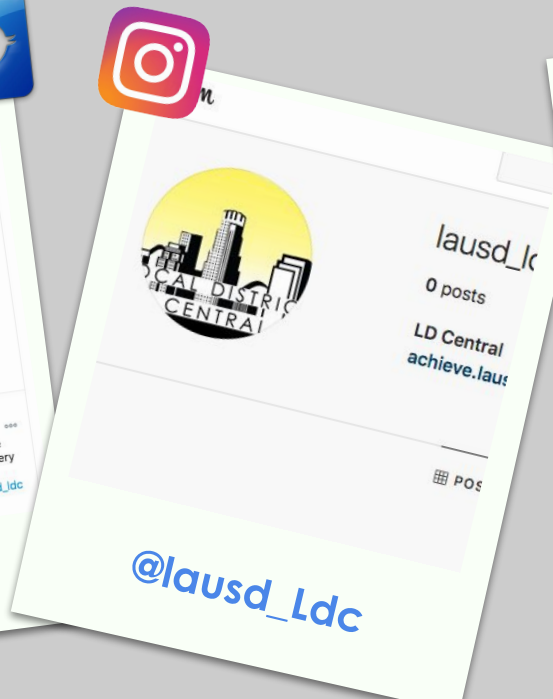

Number Sense
Algebra & Functions
Measurement
Geometry
Mathematical Reasoning

Common Core Math Standards

Counting & Cardinality
Operations & Algebraic Thinking
Number & Operations in Base Ten
Number & Operations—Fractions
Measurement & Data
Geometry
