**Q:** Where can I find a student's OLSAT score?

**A:** You can find them by going to the Comprehensive Student History Report.

## Getting OLSAT scores for an individual student:

Step #	Step	lcon/Link	
1.	From the Student Search dashboard click Search by Name & ID	Student Search Search by Name & ID Search by Location & Demographics Print Multiple Reports	
2.	On the left-hand side under Basic Filters, type a student's Last Name, First Name or Student ID NOTE: Make sure you are using ALL CAPS.	Search Options Search Type Basic Filters Basic Filters Basic Filters Basic Filters Last Name (All CAPS) begins with DOC First Name (All CAPS) begins with DNE Student ID begins with	All entries must be typed using uppercase letters. Typing in lowercase letters will not yield any results. MyData needs only one of the three basic filters to return a list of matching students.
3.	Locate your student from the list of students. Click on a student's District ID to load his/her history report.
