

Configuring Firefox Browser for MyPLN

The following steps were created using Firefox 91 as a guide. However, alternate versions of Firefox will be very similar in procedure as well.

1. Open the Firefox browser, type about:preferences in the address bar and press Enter.

2. In the Preferences window click Privacy & Security.

LAUSD My Professional Learning N×	Settings × +

🗘 Sync		

4. Ensure Cached Web Content is selected and click Clear to clear the browser's temporary internet files.

- 5. In the Privacy & Security window, scroll down to Permissions (see screenshot in Step 6 below).
- 6. If Block Pop-up Windows is checked, click Exceptions.

7. In the Allowed Sites window, add https://lausd.csod.com and click Allow.
