## Employee Spotlight

Oscar Ruiz Ramirez

Oscar is entering his eighth year with LAUSD and currently serves as the Student and Family Resources Navigator at SEPA LA. He is passionate about connecting families with resources. This year, he has helped many enroll in health insurance through Covered California and Medi-Cal and has worked with multiple community partners to bring donations such as backpacks, shoes, and gift cards to the center. This summer, Oscar looks forward to spending time outdoors with his family, visiting local splash pads, and taking a long-awaited camping trip with his kids.

Angelica Ceja

Angelica has been with LAUSD for three years and currently serves as the Student and Family Resources Navigator at SEPA Panorama. In her role, she supports student and family wellness by helping newcomer families from diverse cultural backgrounds access vital resources. One of her proudest accomplishments is assisting families in enrolling in health insurance and guiding them through the often-complex process of accessing care. This summer, she is looking forward to traveling to Italy.
