3.1 Agreement

This Agreement contains general contractual terms for Services to be provided to LAUSD by Contractor under Work Orders to be prepared, negotiated and executed by LAUSD and Contractor pursuant to the terms of this Agreement. Separate Work Orders will be entered into for discrete Services. Each Work Order shall incorporate by reference and be subject to the terms of this Agreement including all of its Schedules, and shall describe the Services covered by the Work Order, the provisions for payment, the terms for performance, applicable service levels, and other provisions that are specific to the Work Order.

3.2 Interpretation and Precedence

This Agreement, the Schedules attached hereto, the Work Orders and any Schedules attached thereto are to be interpreted so that all of the provisions are given as full effect as possible. In the event of a conflict between these documents, the following order of precedence will apply:

- (a) This Agreement;
- (b) any Schedule to this Agreement;

- (c) the Work Order (provided, however, that the Work Order may contain an exception to or deviation from this Agreement with respect to the applicable Work Order only if specifically agreed upon in writing by District's Chief Information Officer); and
- (d) any Schedule to the Work Order.

3.3 *No Implied Agreement; Nonexclusivity*

- (a) Nothing in this Agreement obligates LAUSD or Contractor to enter into any Work Order.
- (b) Except as expressly agreed upon under a Work Order, nothing in this Agreement requires LAUSD to purchase products or Services from Contractor. LAUSD may request information, proposals, or competitive bids from third parties on the same or different terms than as provided in this Agreement.
- (c) Contractor may provide products and services to any other parties on terms that are the same as or different than those provided herein, provided that Contractor complies with all of its obligations of confidentiality contained herein.
- (d) Except for express agreement for the purchase of specified amounts of Services set forth in a Work Order, LAUSD may obtain services similar to, identical to, or in addition to or outside the scope of the Services at any time during the Term from a third party or provide them internally. - (e) Contractor acknowledges that LAUSD may be considering, and may in the future consider, the development and implementation of ideas, products and technologies similar to or the same as those that may be owned or controlled by Contractor. Nothing in this Agreement will prevent LAUSD from pursuing any such ideas or pursuing the development and implementation of products or technologies similar to or related to Contractor's, either internally or through third parties.

Contractor will take all necessary steps to avoid the appearance of a conflict of interest and will have an ongoing duty to disclose to District any and all circumstances that pose a potential conflict of interest. Should a conflict of interest issue arise, Contractor agrees to fully cooperate in any inquiry and to provide District with all documents or other information reasonably necessary to enable District to determine whether or not a conflict of interest existed or exists. Any breach of this section shall constitute grounds for immediate termination of this Agreement, in addition to any other remedies District may have.

 - (ii) **Contractor will require the Affected Persons to submit to fingerprinting in accordance with Education Code Section 45125.1.**
 - (iii) **Contractor will prohibit each Affected Person from having contact with District pupils until the California Department of Justice has ascertained that such Affected Person has not been convicted of any violent or serious offense which, if committed in California, would have been punishable as a violent or serious felony (under California Penal Code Sections 667.5(c) and 1192.7(c), respectively).**
 - (iv) **Contractor hereby certifies and confirms, and upon request will separately certify in writing to District, that neither Contractor nor any Affected Persons have been convicted of any violent or serious offense described in Section 5.10(a)(iii) above.**

6. SERVICES – RESPONSE TO WORK ORDER REQUESTS

6.1 *Work Order Requests*

- (a) Should LAUSD desire to obtain Services from Contractor, LAUSD will initiate a request for Services by providing such request in writing (a “**Work Order Request**”) to Contractor. Subject to Section 3.3, Contractor may elect, within the time frame specified in a Work Order Request, to prepare and deliver to LAUSD a proposal in response to such Work Order Request (a “**Services Proposal**”). Contractor will prepare all Services Proposals in good faith. Contractor will be under no obligation to prepare any Services Proposal hereunder; provided, however, that if Contractor determines not to prepare a Services Proposal for any Work Order Request, Contractor will promptly notify LAUSD that Contractor will not respond to the applicable Work Order Request.
- (b) Once submitted to LAUSD, a Services Proposal shall constitute an offer by Contractor to provide the Services described therein on the terms set forth therein, and shall be irrevocable for a period of sixty (60) calendar days. LAUSD may provide Contractor with comments regarding a Services Proposal, and Contractor shall respond to such comments, if any. A Services Proposal will become effective only when a detailed Work Order has been drafted by the parties and accepted and executed by LAUSD, subject to any required approvals within LAUSD. LAUSD is under no obligation to accept any Services Proposal.
- (c) Contractor’s failure to respond to a Work Order Request as required under Section 6.1 (a) above will initially be without prejudice to Contractor’s ability to respond to subsequent Work Order Requests; provided, however, that if LAUSD should receive no response from Contractor to three separate Work Order Requests, and Contractor is not performing Services under any Work Order then in effect, LAUSD will be entitled to terminate this Agreement immediately upon written notice to Contractor.

6.2 *Changes to Work Orders*

Any change to a Work Order shall be made by Change Order executed pursuant to the change control procedures described in Section 11.4.

6.3 *Work Order Service Levels*

Each Work Order will, if required by LAUSD, include service levels applicable to certain specified Services under the Work Order.

7. SERVICES – APPLICATION MAINTENANCE AND ENHANCEMENT

The provisions of this Article 7 shall only apply to the extent that Contractor is required under a Work Order to deliver a Deliverable to District.

7.1 *Development of Acceptance Testing Criteria*

Unless otherwise specified in a Work Order, at least sixty (60) calendar days prior to the date on which Contractor is scheduled to deliver a System Deliverable, Contractor shall deliver to District its specifications and proposed acceptance test criteria for such System Deliverable. The specifications and proposed acceptance test criteria, once approved by the parties in writing, shall be the criteria used in acceptance testing of a System Deliverable (the “**Final Criteria**”). Contractor will not commence development of any System Deliverable hereunder until the parties have approved acceptance test criteria in writing, or, in the absence of such approval, District has specifically authorized Contractor in writing to commence development.

7.2 *Acceptance Testing*

- (a) Following delivery to District of a System Deliverable and the installation or other implementation thereof, the System Deliverable shall be subject to acceptance testing by District. If District notifies Contractor that a System Deliverable does not satisfy or conform to the Final Criteria within the time period prescribed in the applicable Work Order (the “**Initial Acceptance Period**”), Contractor shall, at no cost to District, take whatever action is necessary to correct any deficiencies within thirty (30) calendar days after District’s notification to Contractor.
- (b) Upon completion of corrective action by Contractor, District will subject the revised System Deliverable to acceptance testing. If, upon the expiration of the sixty (60) day period after the end of the Initial Acceptance Period, the System Deliverable still does not conform to the Final Criteria, District may: (i) immediately terminate, under Article 20 herein (but without any requirement of a 30-day cure period), the applicable Work Order, along with, in District’s discretion, any related Work Order(s); or (ii) require Contractor, at no cost to District, to continue (even beyond this sixty (60) day period) to correct the deficiencies and to take whatever action is necessary so that the System Deliverable shall conform to the Final Criteria, while reserving the right to terminate (as specified in (i) above) at any time so long as the System Deliverable fails to conform to the Final Criteria.
- (c) Notwithstanding the foregoing, if Contractor fails to cure a deficiency within one hundred twenty (120) calendar days after receipt of notification thereof from District, Contractor may elect to cease curing the deficiency if Contractor (a) notifies District that it will cease curing the deficiency and (b) promptly refunds District for all amounts paid under the Work Order and any related Work Order(s) for the System Deliverable(s). However, in the event that District has accepted a portion or component of the System Deliverable(s) in accordance with Article 7.3, and District desires to retain such portion or component, the refund owed to District shall be equitably reduced by the amount that such portion or component represents of the System Deliverable(s) taken as a whole.

7.3 *Acceptance Notice*

When, in District's reasonable judgment, a System Deliverable has satisfied the Final Criteria, District shall give Contractor written notice thereof. At the completion of installation of any Final Deliverable, the Final Deliverable shall operate for a period of sixty (60) consecutive calendar days in conformity with its Documentation (which shall include, if applicable and without limitation, Final Criteria). If a Final Deliverable does not operate for a period of at least sixty (60) consecutive days in conformity with its Documentation, District may (i) immediately terminate, under Article 20 herein (but without any requirement of a 30-day cure period), the applicable Work Order, along with, in District's discretion, any related Work Order(s), and, at District's request, Contractor shall promptly reimburse District any amounts paid for the non-conforming Final Deliverable; or (ii) if the parties agree in writing that it is commercially reasonable under the circumstances, Contractor shall, at no cost to District, continue correction of deficiencies for a period of time agreed to by the parties so that the Final Deliverable shall conform to its Documentation, while reserving the right to terminate (as specified in (i) above) at any time so long as the Final Deliverable fails to conform to its Documentation. Acknowledgement in writing by District of such operation for said sixty (60) day period shall constitute final acceptance of the Final Deliverable involved.

7.4 *Other Deliverables*

For any Deliverable that is not a System Deliverable, the applicable Work Order will set forth the acceptance criteria and other testing required for District to evaluate and accept (or, where necessary, reject) such Deliverable; provided, however, that in no case will a Deliverable be accepted by District until District has provided Contractor with District's written acceptance thereof.

8. SERVICE LEVELS; PERFORMANCE STANDARDS; EQUIPMENT AND FACILITIES

8.1 *Service Levels*

Work Orders may include quantitative service levels to be met by Contractor. Unless otherwise agreed, Contractor's performance of the Services against applicable service levels will be measured on a monthly basis. With respect to each Service that has an associated service level, Contractor shall provide such Service throughout the Term in a manner that meets or exceeds the associated service level. Regardless of whether a Work Order includes service levels, Contractor shall perform all Services and obligations promptly, diligently and in a workmanlike and professional manner, using qualified individuals.

8.2 *Performance Standards*

Regardless of whether there exists an associated Service Level, Contractor shall perform all Services and obligations promptly, diligently and in a workmanlike and professional manner, using qualified individuals.

8.3 *Measurement and Monitoring Tools*

Contractor shall implement measurement and monitoring tools and procedures reasonably designed to measure its performance of the Services and assess such performance against any applicable service levels. Upon LAUSD's request, Contractor shall provide LAUSD with access to the measurement and monitoring tools described herein, and to any information that they generate.

8.4 *Failure to Meet Service Levels*

Contractor acknowledges that its failure to meet one or more service levels may have a material adverse effect on the business and operations of LAUSD and that the actual amount of damage sustained by LAUSD because of such failure may be impossible or extremely difficult to determine. Accordingly, any Work Order may provide that if Contractor fails to meet a service level, LAUSD shall have the option, but not the obligation, to recover the amounts specified in such Work Order as service level credits against amounts owed to Contractor by LAUSD.

8.5 *Equipment*

- (a) The terms of this Section 8.5 shall only apply to the extent that Contractor provides or maintains equipment and tools in order to provide the Services under a Work Order.
- (b) Except as otherwise specified in a Work Order, each party will be responsible for providing and maintaining its own equipment and tools, and Contractor will be responsible for providing all equipment and tools necessary to provide the Services.
- (c) If LAUSD shall make available to Contractor any computer, communications or other equipment owned or leased by LAUSD, Contractor shall: (i) use such equipment for the sole purpose of providing the Services and shall not use such equipment to provide services to or for the benefit of any third party; (ii) comply with any directions from LAUSD concerning the use and location of such equipment; and (iii) return such equipment to LAUSD, upon termination of the applicable Work Order, in the same condition it was in when delivered or provided to Contractor, ordinary wear and tear excepted.

8.6 *Facilities*

- (a) The terms of this Section 8.6 shall only apply to the extent that Contractor is responsible for providing (i) a facility in order to provide or perform Services, or (ii) a data center for the hosting of applications or the storage of LAUSD Data.
- (b) Except as specifically set forth in a Work Order, Contractor will be responsible for providing all space and equipment necessary to provide the Services at its own or other facilities. Contractor will seek LAUSD's prior approval for any relocation of the facilities at and from which the Services are provided and will manage any such changes in accordance with the change control procedures described in Section 11.4.
- (c) With respect to any Contractor data center from which applications are hosted by Contractor on LAUSD's behalf or at which LAUSD Data is stored, Contractor shall establish and maintain proper and adequate facilities, equipment and supplies, and a properly trained and adequate staff, including necessary management and support staff. Such data center shall operate twenty-four (24) hours per day, seven (7) days per week.
- (d) Throughout the Term, Contractor shall maintain adequate physical and logistical security measures and safeguards at Contractor facilities (including security measures and safeguards specific to those areas of the facilities that are partitioned from the rest of the facilities and dedicated to the provision of the Services) to guard against the destruction, loss or alteration of any LAUSD property or LAUSD Data that is maintained or stored at such facilities.
- (e) The security measures and safeguards maintained at Contractor facilities shall be no less rigorous than those maintained by LAUSD as of the Effective Date at similar LAUSD facilities and shall be no less rigorous than those maintained by Contractor for its other facilities. Such security measures shall include at a minimum:
 - (i) **With respect to any Contractor data center at which LAUSD Data is stored, providing security guards and technical support engineers on a 24x7 basis and maintaining access controls which include, at a minimum (1) restricting access to the data center and any portions of the data center containing LAUSD Data, and (2) monitoring and logging access to the data center.**
 - (ii) **With respect to any Contractor facilities at which the Services are performed, maintaining access controls to such facilities (particularly with respect to the areas of such facilities from which the Services are performed or Confidential Information is stored), which controls will include, at a minimum (1) inspecting identification and allowing only authorized personnel to enter such facilities, (2) monitoring and logging access to such facilities, (3) utilizing equipment that does not allow for**

the physical download of Confidential Information (e.g., computers with disabled CD burners and disk drives without removable disks), and (4) printing hard copy only as necessary to perform the Services, providing LAUSD with reasonable access to print logs maintained by Contractor, and maintaining policies requiring the shredding of documents and prohibiting the removal of hard copies from the applicable secured areas of Contractor's facilities.

8.7 *Use of LAUSD Property and Facilities*

- (b) If LAUSD shall make space in any LAUSD facility available to Contractor, Contractor shall: (i) use such space for the sole purpose of providing the Services to LAUSD and not for the benefit of or the provision of services to any third party; (ii) comply with all policies and procedures governing access to and use of LAUSD facilities; and (iv) return such space to LAUSD in the same condition it was in when provided to Contractor, ordinary wear and tear excepted. Except as otherwise provided in an applicable Work Order, LAUSD shall provide LAUSD facilities and access to normal office resources (e.g., fax, telephone and copier support) at no charge to Contractor. LAUSD facilities are made available to Contractor on an "as is, where is" basis, with no warranties whatsoever.
- (c) Contractor shall be responsible and liable for any damage to LAUSD property caused by Contractor or any Contractor Personnel in connection with performance of this Agreement. Contractor shall, at Contractor's own expense, replace or repair all damaged property to its original condition.

9. PERSONNEL

9.1 *Qualifications of Contractor Personnel*

- (a) Contractor shall provide all necessary personnel, adjudged by Contractor as qualified to perform the Services. District shall have the right to accept or reject assignment of any Contractor Personnel. Contractor will assign an adequate number of Contractor Personnel to perform the Services. The timing for transfer, reassignment or replacement of Contractor Personnel will be closely coordinated with the requirements for timing and other elements of the Services so as to maintain continuity in the performance of the Services.
- (b) All Contractor Personnel shall be required to comply with the LAUSD Information Security Policies. Contractor Personnel working at LAUSD facilities shall be subject to LAUSD-required verification (which may include, without limitation, background checks and finger printing). In hiring Contractor Personnel for the LAUSD account, Contractor will follow industry standard hiring practices, which will be available for review upon request by LAUSD.
- (c) All Contractor Personnel shall be required to execute a confidentiality agreement with Contractor that includes terms at least as restrictive as the terms in this

Agreement and in any confidentiality agreement between Contractor and District, and such other terms as may be imposed by law on District and its contractors.

9.2 *Key Contractor Positions*

- (a) The key personnel assigned to perform the Services and their respective roles will be identified in each Work Order (the “**Key Contractor Personnel**”). Contractor shall not change any Key Contractor Personnel or reassign any of the Key Contractor Personnel to other projects without District’s prior written approval and until a satisfactory replacement has been approved by District. Contractor shall submit to District written documentation of the qualifications for a proposed replacement to any of the Key Contractor Personnel.
- (b) Contractor will designate an individual as its “project executive” for each Work Order, to serve as the onsite manager for the delivery of Services thereunder and have overall responsibility for Contractor’s performance of the Services thereunder. For each Work Order, Contractor’s project executive will (i) be one of the Key Contractor Personnel, (ii) serve as the single point of accountability for Contractor for the Work Order, (iii) manage and supervise the Contractor Personnel, and (iv) have such additional roles and responsibilities as may be outlined in the Work Order or designated by Contractor.

9.3 *Contractor Employees Assigned to LAUSD Account*

In the event that LAUSD determines in good faith that the continued assignment to LAUSD’s account of any of the Contractor Personnel is adversely affecting LAUSD, then LAUSD will give Contractor written notice to that effect. Promptly after receipt of such notice, Contractor will use commercially reasonable efforts to resolve any problems with the relevant Contractor Personnel. If, following such efforts, LAUSD requests replacement of the relevant Contractor Personnel, Contractor will replace the relevant Contractor Personnel with Contractor Personnel of equal ability and qualifications as expeditiously as possible. Notwithstanding the foregoing, in the event that LAUSD in good faith requests the immediate removal of any of the Contractor Personnel from the LAUSD account, Contractor shall immediately remove such person from the LAUSD account and at no charge to LAUSD promptly replace such person with another person of equal ability and qualifications.

10. SOFTWARE AND INTELLECTUAL PROPERTY RIGHTS AND OBLIGATIONS

10.1 *Software Generally*

Except as otherwise specified in a Work Order, each party will be responsible for providing and maintaining its own software, and Contractor will be responsible for providing all software necessary to provide the Services.

10.2 *Software Owned or Licensed by LAUSD; Work Product*

(a) LAUSD Software

Each Work Order will specify any LAUSD Software that Contractor is authorized to use to perform the Services and shall specify the rights of Contractor regarding use of such LAUSD Software. LAUSD will retain all rights to LAUSD Software. Pursuant to the terms of an applicable Work Order, Contractor will be granted a license during the term of such Work Order to use and access LAUSD Software for the sole purpose of providing the Services. Contractor will cease use of such LAUSD Software upon expiration or termination of the applicable Work Order. Without limiting the foregoing, District shall retain all right, title and interest in and to any other proprietary material that District supplies to Contractor. With respect to any District Pre-Existing Items provided to Contractor hereunder, District hereby grants Contractor only those rights and licenses necessary for Contractor to fulfill its obligations under each Work Order.

(b) Work Product

Except as otherwise agreed in writing by the parties under an applicable Work Order, LAUSD will own all right, title and interest in and to the Work Product, including (but not limited to) ownership of copyright therein, and Contractor hereby assigns and agrees to assign to LAUSD, its successors, assigns or designees, all of Contractor's rights in and to any such Work Product. Contractor will provide to LAUSD all copies of such Work Product (including, if applicable, the source code and Code Documentation for any software that constitutes Work Product), and LAUSD will have the exclusive right to copyright such material. District hereby grants and agrees to grant to Contractor an irrevocable, nonexclusive, worldwide, paid-up license to use, execute, reproduce, display, perform, and prepare derivative works based on, Work Product, only for Contractor's internal purposes; provided, however, that Contractor may make further use of the Work Product by complying with the terms of Section 10.6 below. Contractor will be responsible for ensuring that no Contractor Personnel retain rights to any Work Product in contravention to the grant of rights set forth herein.

(c) Third Party Software

Each Work Order will specify any third party software required in order to perform the Services and Contractor will not use in connection with any Work Order or introduce into District any third party software without District's written consent. All licenses to third party software may be retained by LAUSD in LAUSD's discretion. Any consents or agreements necessary to enable Contractor's use or operation of third party software shall be obtained by Contractor with such reasonable assistance from LAUSD as is requested by Contractor. Contractor will comply with the licenses for any third party software licensed by LAUSD and used by Contractor in relation to the Services. The respective financial, operational and other obligations of the parties with respect to any third party software shall be set forth in each applicable Work Order.

10.3 Contractor Software and Other Intellectual Property

- (a) Each Work Order will identify any Contractor Commercial Software that will be used to provide the Services, and Contractor Commercial Software (together with any applicable Documentation) shall be provided under the terms of Contractor's standard license agreement for such software. Contractor shall install, operate and maintain at its expense any Contractor Commercial Software needed to provide the Services.
- (b) Pursuant to the terms of an applicable Work Order, Contractor shall grant to District with respect to all Contractor Customized Software and any Documentation owned by Contractor or a third party, a nonexclusive, worldwide, perpetual, royalty free, fully paid license permitting District internal use of such Contractor Customized Software and Documentation, which license shall, at District's option, be transferable to any Affiliate of District. As used in this Section, "internal use" shall mean use of the Contractor Customized Software on any or all central processing units at any or all locations owned or leased by District, any locations used by independent agents who contract with District, or any locations used by District employees or District subcontractors. Contractor shall also provide District with any nonproprietary software (including Code Documentation therefor) utilized by Contractor to develop any System Deliverable.
- (c) Unless specifically set forth under the terms of an applicable Work Order, District shall not be subject to any upgrade, maintenance, transfer, or other fees based upon District's use of any Contractor Commercial Software or Contractor Customized Software.
- (d) Contractor also grants and agrees to grant to District a nonexclusive, worldwide, perpetual, royalty free, fully paid license to use the source code, Code Documentation, and any software tools necessary to maintain or modify the Contractor Customized Software and, to the extent applicable, the Work Product. To the extent that LAUSD's use of any Contractor Commercial Software, Contractor Customized Software, Contractor Pre-Existing Items or Work Product would constitute an infringement of any patent, know-how, trade secret or other proprietary rights of Contractor or any third-party licensor of Contractor, Contractor further grants and agrees to grant to District a nonexclusive, worldwide, perpetual, royalty free, fully paid license (or, if applicable, sublicense) to such patents, know-how, trade secrets or other proprietary rights, to the extent necessary to permit District to make full use of the Contractor Commercial Software, Contractor Customized Software, Contractor Pre-Existing Items or Work Product as set forth herein.

10.4 Modifications

District shall have the right, in its sole discretion, to independently modify Work Product and Customizations for LAUSD-specific functions, through the services of its own employees or of independent contractors. Subject to any contrary terms in an applicable

Work Order, District shall be the owner of any such modifications. Contractor shall not disclose such modifications to any third parties and shall not incorporate any such modifications into Contractor Commercial Software for distribution to third parties (or otherwise commercially exploit such modifications in any way) unless Contractor first obtains the written consent of District and complies with the terms of Section 10.6 below.

10.5 *Proprietary Notices*

District agrees that any copies of the Contractor Commercial Software, Contractor Customized Software, Contractor Pre-Existing Items, and Documentation shall bear all copyright, trademark, and other proprietary notices properly included therein by Contractor or a third party. District may add its own copyright or other proprietary notice to any copy of the Contractor Customized Software or Documentation that contains permitted modifications made by District.

10.6 *Royalties*

Contractor shall pay to District a royalty of two percent (2%) of all third party fees that are generated, billed or received by Contractor for Contractor's use or sublicensing of the Work Product or any Customizations in connection with any product or service distributed by Contractor or its Affiliates ("**Revenues**"), such royalty to be based upon the usual billing price for such products and services. Royalty payments, if any, shall be due annually on June 30, and, when due, must be accompanied by a statement of accounts setting forth all Revenues received as of May 31 of that same year. Contractor shall keep accurate books of accounts and shall keep and maintain all records, documents and other instruments relating to Revenues in such detail as shall enable District to ascertain royalties due under this Agreement in accordance with District's audit rights set forth under Section 12.1 below.

10.7 *Invention Assignment*

Contractor shall cause each of Contractor's employees, subcontractors, or subcontractors' employees charged with performance of a Work Order or granted access to confidential information to execute an agreement in a form acceptable to the District recognizing LAUSD's ownership rights and concurring with the obligations of Contractor as set forth herein. Contractor shall ensure that Contractor's employees, subcontractors or subcontractors' employees comply with the provisions of such confidentiality and invention agreement and shall be responsible for enforcing such agreement with respect to such personnel.

10.8 *Registrations*

In the event any intellectual property created under this Agreement and owned by LAUSD shall be determined by LAUSD to be copyrightable or patentable or otherwise registrable, Contractor shall assist LAUSD in obtaining and maintaining registrations and in vesting LAUSD with full title.

10.9 *Residual Knowledge*

Nothing contained in this Agreement shall restrict either party from the use of any general ideas, concepts, know-how, methodologies, processes, technologies, algorithms or techniques retained in the undocumented mental impressions of such party's personnel relating to the Services which either party, individually or jointly, develops or discloses under this Agreement, provided that in doing so such party does not (a) infringe the intellectual property rights of the other party or third parties who have licensed or provided materials to the other party, or (b) breach its confidentiality obligations under this Agreement or under agreements with third parties.

10.10 *Non-Exclusivity*

Contractor acknowledges that LAUSD may be considering, and may in the future consider, the development and implementation of ideas, products and technologies similar to or the same as those that may be owned or controlled by Contractor. Nothing in this Agreement will prevent LAUSD or any LAUSD Affiliates from pursuing any such ideas or pursuing the development and implementation of products or technologies similar to or related to Contractor's, either internally or through third parties.

11. *CONTRACT AND PROJECT MANAGEMENT*

11.2 *Reserved*

11.3 *Meetings*

(a) Meeting Schedule

Each Work Order may include a schedule for regular project management meetings between the parties, and the parties shall hold such meetings as are set forth therein.

(b) Meeting Agenda

Contractor will prepare and circulate an agenda sufficiently in advance of each project management meeting to give participants an opportunity to prepare for the meeting. Contractor will incorporate into such agenda items that LAUSD desires to discuss. At LAUSD's request, Contractor will prepare and circulate minutes promptly after a meeting.

11.3 *Performance Reports*

A Work Order may require Contractor to provide monthly performance reports, which will be delivered to LAUSD within fifteen (15) calendar days after the end of each month of the term of the Work Order, describing Contractor's performance of the Services in that month. Each monthly performance report will, to the extent applicable: (a) separately address Contractor's performance against any service levels; (b) describe the status of each key project, problem resolution effort and any other initiative; (c) explain deviations from service levels and include for each deviation a plan for corrective action; (d) set forth the utilization of resources for the month and utilization

trends; and (e) provide LAUSD a projection of the Charges for the following month. Contractor will also provide such other reports as may be required under an applicable Work Order.

11.4 *Change Control Procedures*

- (a) No changes or additions may be made to any Work Order without the written agreement of LAUSD as evidenced by a duly executed Change Order.
- (b) Contractor will not take an action or make a decision which may have a material effect on LAUSD or which adversely affects the function or performance of, or decreases the resource efficiency of, the Services, including implementing changes in technology or equipment and software configuration, without first obtaining LAUSD's written approval, which approval LAUSD may withhold in its sole discretion as respects any change which may have an adverse effect on LAUSD or the Services.

11.5 *Subcontracting*

- (a) Contractor will not enter into any subcontract for the provision of the Services without the prior written consent of LAUSD.
- (b) Subcontractors approved by LAUSD shall be set forth in the applicable Work Order. With respect to any subcontract related to the delivery or performance of Services, Contractor will include in such subcontract provisions substantially similar to those provisions of this Agreement material to the subcontractor's performance under such subcontract.
- (c) LAUSD shall have the right to revoke its prior approval of an authorized subcontractor if the subcontractor's performance is deficient, if misrepresentations were made concerning the subcontractor at the time of LAUSD's approval, or for other factors related to any LAUSD experience with the subcontractor.
- (d) Contractor will remain responsible for obligations, services and functions performed by subcontractors to the same extent as if these obligations, services and functions were performed by Contractor's employees. Contractor will be LAUSD's sole point of contact.

11.6 *Improvements in Technology*

- (a) Prior to using any new software or equipment to provide the Services, Contractor will have verified, to the extent possible in a test environment, that the item has been properly installed, is operating in accordance with its specifications and is performing its intended functions in a reliable manner. Contractor will move programs from development and test environments to production environments in a controlled and documented manner, reasonably calculated to avoid introduction of unauthorized changes into the relevant production environment.

- (b) Contractor will keep the equipment, software and other technologies Contractor provides in performing the Services current, and LAUSD will receive the benefits of upgrades in technology through increases in efficiency and productivity. Contractor will proactively seek out new technologies by surveying key suppliers to identify advances or changes in technology which are appropriate and beneficial to LAUSD. LAUSD is, however, under no obligation to implement any such new technologies.

12. AUDITS

12.1 *Audit Rights*

- (a) Contractor shall maintain, and District shall have the right to examine and audit, all of the books, records, documents, accounting procedures and practices and other evidence regardless of form (e.g., machine-readable media such as disk, tape, etc.) or type (e.g., databases, applications software, database management software, utilities, etc.), sufficient, at a minimum, to the extent permitted or required by any laws and regulations applicable to LAUSD or Contractor, to (i) with respect to Services or Deliverables supplied on a cost or cost-plus basis, properly reflect all costs claimed to have been incurred or anticipated to be incurred in performing this Agreement; (ii) with respect to Services performed on an hourly basis, properly reflect the hours billed; (iii) to the extent Contractor is performing operations involving LAUSD Data, verify the integrity of LAUSD Data and examine the systems that process, store, support and transmit that data; (iv) examine and verify Contractor's disaster recovery planning and testing, business resumption and continuity planning and testing, contingency arrangements and insurance coverage; and (v) review other areas of performance as set forth in the this Agreement or any Work Order, including, without limitation, any royalties due under Section 10.6 hereof.
- (b) Contractor shall make said evidence (or to the extent accepted by District, photographs, micro-photographs or other authentic reproductions thereof) available to District at District's or Contractor's offices (to be specified by District) upon reasonable notice and without charge to District. Said evidence shall be provided to District within five (5) working days after a written request from District. Contractor shall, at no cost to District, furnish reasonable assistance for such examination/audit. Contractor and its subcontractors and suppliers shall keep and preserve all such records for a period of at least 3 years from and after final payment or, if this Agreement is terminated in whole or in part, until 3 years after the final Agreement close-out. District's rights under this section shall also include access to Contractor's offices for the purpose of interviewing Contractor's employees who might reasonably have information related to such records.
- (c) Any information provided on machine-readable media shall be provided in a format accessible and readable by District. Contractor's failure to timely provide records or access shall preclude Contractor from receiving any payment due under the terms of this Agreement until such records or access are provided to District. Contractor

shall also be responsible for ensuring that it obtains and maintains sufficient information and records to permit District to evaluate the performance of Contractor's subcontractors and suppliers in accordance with the requirements of this section.

12.2 *Audit Follow-Up*

Contractor shall meet to review each audit report promptly after the issuance thereof at the request of LAUSD to mutually agree upon an appropriate and effective manner in which to respond to the deficiencies identified and changes suggested by the audit report. If an audit reveals an overcharge, Contractor will promptly refund such overcharge (net of any undercharges).

12.3 *Records Retention*

Until (a) the earlier of three (3) years after the expiration or termination of this Agreement or three (3) years from District's last payment for specific goods or services under this Agreement; or (b) if pending matters relating to this Agreement (e.g., disputes) are open as of such date, the date such pending matters are closed, Contractor will maintain and provide access upon request to the records, documents and other information required to meet LAUSD's audit rights under this Agreement.

13. CHARGES

13.1 *General*

Subject to the other provisions of this Agreement, LAUSD shall pay to Contractor the Charges. Except as otherwise expressly set forth in this Agreement, LAUSD shall not be obligated to pay any amounts to Contractor for its performance of the Services and its other obligations under this Agreement other than the amounts set forth in the Work Orders. Contractor's rates charged to LAUSD for the Services will not exceed those set forth on Contractor's schedule of rates set forth attached hereto as **Schedule B** (Contractor's Rates) without LAUSD's prior written approval.

The aggregate dollar amount value of purchase orders issued to Contractor under this agreement shall not exceed the total dollar amount authorized by the District's Board of Education.

13.2 *Pass-Through Expenses*

- (a) If a Work Order provides that a Pass-Through Expense is to be paid by LAUSD directly, Contractor will promptly provide LAUSD with the original third-party invoice for the Pass-Through Expense. If a Work Order provides that a Pass-Through Expense is to be paid by Contractor, Contractor will act as payment agent for LAUSD and will pay third-party charges comprising the Pass-Through Expense. For each Pass-Through Expense, Contractor will review the corresponding invoiced charges to determine whether the charges are proper and

valid and should be paid, and will provide LAUSD with a statement to that effect. Where Contractor is paying a Pass-Through Expense on LAUSD's behalf, Contractor will provide LAUSD with a reasonable opportunity to review the applicable invoice. Following this review, Contractor will pay the amounts due and will invoice LAUSD for the charges.

- (b) Contractor will use commercially reasonable efforts to minimize Pass-Through Expenses. With respect to services or materials paid for on a Pass-Through Expense basis, LAUSD reserves the right to: (i) obtain these services or materials directly from a third party; (ii) designate the third party source for these services or materials; (iii) designate the particular services or materials (e.g., equipment make and model) that Contractor will obtain, provided that if Contractor demonstrates to LAUSD that this designation will have an adverse impact on Contractor's ability to meet applicable service levels, this designation will be subject to Contractor's approval; (iv) require Contractor to identify and consider multiple sources for these services or materials or to conduct a competitive procurement; and (v) review and approve the Pass-Through Expense for these services or materials before entering into a contract for these services or materials.

13.3 *Incidental Expenses*

Except as expressly provided in an applicable Work Order, those expenses that Contractor incurs in performing the Services (e.g., travel and lodging, document reproduction and shipping, and long distance telephone) shall be included in Contractor's rates. Accordingly, Contractor's expenses are not separately reimbursable by LAUSD unless, on a case-by-case basis, LAUSD has agreed in advance and in writing to reimburse Contractor for particular expenses.

13.4 *Taxes*

- (a) Each party shall pay any real property taxes or personal property taxes on property it either owns or leases from a third party or any other taxes, fees or costs related to equipment or the lease of equipment.
- (b) Contractor shall pay any sales, use, excise, transfer, value-added, services, consumption, and other taxes and duties imposed on any goods and services acquired, used or consumed by Contractor in connection with the Services. As part of the Charges, LAUSD shall pay when due any sales, use, excise, value-added, services, consumption and other taxes and duties imposed on its acquisition of goods and Services from Contractor. Such taxes shall be included in the Charges for any applicable Work Order and shall not be charged to LAUSD separately. LAUSD shall withhold taxes as required by law and any such withholding shall reduce the payment otherwise required to be made to Contractor. Contractor shall be responsible for properly calculating and invoicing applicable taxes on the Services. Interest and penalties imposed with regard to taxes shall be borne by the same party who bears the responsibility for remitting the tax.

- (c) The parties shall cooperate to determine accurately their respective tax liabilities and to reduce such liabilities to the extent permitted by law. Contractor invoices to LAUSD shall separately state the amount of any taxes Contractor is collecting from LAUSD. Each party shall provide to the other any resale certificates, exemption certificates, information regarding out-of-state or out-of-country sales or use of equipment and services, and such other similar information as the other party may reasonably request.

14. INVOICING AND PAYMENT

14.1 *Invoices*

- (a) Contractor shall issue to LAUSD on a monthly basis, in arrears, one consolidated invoice per Work Order (one paper copy and one electronic version) for all Charges due under that Work Order. Each invoice shall summarize the total Charges payable by LAUSD to Contractor for Services rendered in the previous month, and shall separately state Charges for the Services, Pass-Through Expenses and taxes payable, and shall otherwise be in such detail as LAUSD may reasonably require.

Invoices must (a) reference this Agreement number and the related purchase order number, (b) be signed and submitted by the Contractor via email in PDF format to invoices@lausd.net, and (c) itemize services, service date(s), and payment rate(s) consistent with the terms of this Agreement. Contractor shall not generate invoice until goods have been received by the District and/or services have been provided by the vendor and accepted by the District. The invoice date shall not be before the date goods and/or services have been accepted by the District. Any invoice(s) failing to meet the requirements set forth in this section will not be considered for payment within 45 days and may be rejected and/or returned to the Contractor for correction. Additional documentation shall be furnished by the Contractor to the District's Accounts Payable Branch upon request. Late payment of an invoice shall not constitute a breach of this Agreement.

When submitting invoices, Contractor will ensure that:

- Each invoice contains a unique invoice number;
- Only one invoice per PDF file is submitted (while each file may contain multiple pages);
- Supporting documents, if applicable, are added at the end of the invoice PDF file;
- The invoice PDF file is clear and readable and does not contain any handwritten notations;
- The invoice is on white background or white paper (with no colored paper or shaded areas);
- The invoice does not contain inverted areas (i.e., white characters on black background); and
- Standard fonts are used in the invoice (no cursive, italics, etc.).

- (b) For Services provided on a time and materials basis, Contractor will include with each invoice a chronological, itemized listing of the activities performed under the applicable Work Order during the prior month, showing: the date of service; a description of each item of work; the number of hours expended by Contractor Personnel on each item or work; and the hourly rate(s) for Contractor Personnel performing Services.
- (c) For Services provided on a fixed-fee or milestone basis, Contractor will include with each invoice a status report for such Services, and will include therein a copy of LAUSD's written acceptance of any Deliverable(s) for which payment is sought.

14.2 *Payment*

- (a) Subject to Section 14.5 each invoice delivered pursuant to Section 14.1 shall be due and payable after the date such invoice is received by LAUSD.
- (b) To the extent LAUSD is entitled to a credit (including, without limitation, any service level credit) pursuant to this Agreement or any Work Order, Contractor shall provide LAUSD with such credit on the first invoice delivered after such credit is earned. If the amount of any credit on an invoice exceeds the amount owing to Contractor reflected on such invoice, Contractor shall pay the balance of the credit to LAUSD within forty-five (45) calendar days after the invoice date, unless LAUSD agrees in writing to carry over the balance of the credit to subsequent Contractor invoices.

14.3 *Proration*

All periodic Charges (excluding those based upon actual usage or consumption of Services) shall be computed on a 30-day calendar month basis and shall be prorated for any partial month.

14.4 *Refunds*

If either party (a "rebate recipient") should receive a refund, credit or other rebate for goods or services paid for by the other party, the rebate recipient shall promptly notify the other party and shall pay such amount to the other party (or, if applicable, provide a credit on the next invoice) within thirty (30) calendar days after receipt thereof. Any amount that remains unpaid thirty (30) calendar days after receipt by the rebate recipient will begin to accrue interest at the prime rate of Citibank of New York.

14.5 *Set Off and Disputed Charges*

- (c) Notwithstanding any other provision of this Agreement, a party who is owed any undisputed amount by the other party may, at its option, set off any such undisputed amount as a credit against any amounts it otherwise owes to the other party.

- (d) If LAUSD disputes in good faith any portion of an invoice, LAUSD shall pay the undisputed amount of such invoice when due and may, at its option, withhold the disputed portion pending resolution of the dispute. If LAUSD withholds any payment pursuant to this Section, LAUSD shall notify Contractor in writing of the basis for such withholding. Upon resolution of the dispute, LAUSD shall pay to Contractor any amount then determined to be owing to Contractor.

15. DATA AND INFORMATION

15.1 *Public Records*

This Agreement and its Work Orders are subject to the California Public Records Act. Those elements of any document provided to District that are Contractor trade secrets, as defined in Cal. Civil Code §3426.1(d), or otherwise exempt by law from disclosure and which are prominently marked as “TRADE SECRET,” “CONFIDENTIAL” or “PROPRIETARY” may be protected from disclosure; provided, however, that if disclosure is deemed to be required by law or by court order then District shall not in any way be responsible or liable (to Contractor or to any third party) for any disclosure made under the California Public Records Act, including (without limitation) any disclosure of Contractor documents marked as “TRADE SECRET,” “CONFIDENTIAL” or “PROPRIETARY.” In addition, District shall have no obligation to resist any disclosure deemed to be required by law or by court order.

15.2 *Ownership and Protection of LAUSD Information*

- (a) Confidential Information (and any derivative works thereof or modifications thereto) is and will remain the exclusive property of LAUSD or its licensors, as applicable. Contractor will not possess or assert any lien or other right against or to Confidential Information. No Confidential Information, or any part thereof (including, without limitation, any LAUSD Data), will be sold, assigned, leased, or otherwise disposed of to third parties by Contractor or commercially exploited by or on behalf of Contractor, its employees or agents.
- (b) During the course and scope of its services hereunder, Contractor may gain knowledge of or have access to Confidential Information, or otherwise have Confidential Information disclosed to it. Contractor understands that Confidential Information is made available to it only to the extent necessary to perform its duties within the course and scope of this Agreement, and Contractor and the Contractor Personnel will use Confidential Information for no other purpose. Contractor agrees that neither it nor the Contractor Personnel shall, directly or indirectly, disclose, use or distribute any Confidential Information to any third party without LAUSD’s prior written consent. Contractor will disclose Confidential Information only to Contractor Personnel with a need to access such data as a necessary part of the performance of the Services.

- (c) Contractor acknowledges and agrees that LAUSD Data includes confidential student and employee information that is protected by applicable law, including but not limited to, FERPA, HIPAA and State student data privacy laws. Contractor Personnel may, by nature of the Services, have the ability to defeat security provisions on LAUSD devices and may, by the nature of their work, have access to systems and devices containing Confidential Information, but have no need to actually access such Confidential Information in order to perform Services. Contractor therefore agrees to use its best efforts to avoid unnecessary exposure by Contractor Personnel to Confidential Information.
- (d) In the event a Work Order requires Contractor to have access to Confidential Information of students, Contract agrees to further comply with the requirements of California Education Code section 49073.1 and enter into a **Data Use Agreement**, substantially in the form of **Schedule E**, attached hereto and made a part hereof. Contractor agrees to inform LAUSD whenever access is sought by Contractor or Contractor Personnel to student or employee data files.
- (e) Upon request, Contractor will propose, for LAUSD review and approval, policies and procedures for informing Contractor Personnel of restrictions regarding access to and use of Confidential Information and for monitoring compliance with such restrictions and with the terms of this Article 15.
- (f) Contractor will cooperate, and will cause Contractor Personnel to cooperate, fully in resolving any actual or suspected acquisition or misuse of Confidential Information.
- (g) Data Privacy

If Contractor is an operator of an Internet website, online service, online application, or mobile application, Contractor shall comply with the requirements of California Business and Professions Code sections 22580 through 22585 (notwithstanding statute operative dates), and LAUSD policy as follows:

(i) Contractor shall not (a) knowingly engage in targeted advertising on the Contractor's site, service or application to District students or their parents or legal guardians; (b) use a student's personally identifiable information ("PII") or other non-public information (e.g., metadata) to amass a profile about a District student; (c) sell information, including PII; or (d) disclose PII without the District's written permission.

ii) Contractor will store and process LAUSD Data in accordance with commercial best practices, including appropriate administrative, physical, and technical safeguards, to secure such data from unauthorized access, disclosure, alteration, and use. Such measures will be no less protective than those used to secure Contractor's own data of a similar type, and in no event less than reasonable in view of the type and nature of the data involved. Without limiting the foregoing, Contractor warrants that all

electronic District data will be encrypted in transmission using secure hypertext transfer protocol (HTTPS) with transport layer security (TLS) protocol version 1.2 to enable secure communications over the internet and encrypted in transit using cryptographic protocol TLS 1.2 or greater and encrypted at rest using a key no less than 128 bits in length.

iii) Contractor shall delete a student's covered information upon request of the District.

(h) Single Sign On (SSO). Use of District Single Sign-on for Students and Staff.

It is the intent of the District to facilitate the log on process to all external services including online learning tools and accounts, learning management systems and the like using single sign-on (SSO). The District requires all service providers/contractors to align their product(s) to the following requirements, complying with all federal, state and District rules and policies regarding security of data transferred for the purposes of authorization. All requirements must be met at the time of receipt of a Work Order.

NOTE: Contractors are reminded that protocol versions specified at the time of execution of this Agreement may not be current. It is the responsibility of the Contractor to verify the protocol versions used are the currently available versions that support versions being used by the District.

For Authentication:

The District uses implementation of the current version of Security Assertion Markup Language (SAML) using the current version of Active Directory Federated Services (ADFS) for authentication. The Contractor must support SAML or the current version of Lightweight Directory Access Protocol (LDAP) using the current version of Active Directory Lightweight Directory Services (ADLDS), or;

If the system is deployed on premise in the District's Data Center, the current version of Active Directory (AD), which leverages LDAP, may be used as well as SAML may be.

For Authorization:

Authorizations must support role-based management.

The District requires data exchanged with vendors via flat file be accomplished in an automated manner using SFTP or File transfer Protocol over Secure Socket Layer (FTPS). The process must not require manual intervention by LAUSD staff in order to complete transfers. Additionally, the file must be encrypted using Pretty

Good Privacy (PGP) keys. It is preferred that the vendor log into the District's Secure File Transfer (SFT) system to retrieve and upload files.

15.3 *Return of Data*

At no cost to LAUSD, Contractor shall upon (a) request by LAUSD at any time, and (b) upon termination or expiration of this Agreement, promptly return to LAUSD, in the format and on the media in use as of the date of request, all or any requested portion of Confidential Information that may be in Contractor's possession or control. Archival tapes containing any Confidential Information shall be used by Contractor solely for back-up purposes and shall be maintained and used in accordance with the LAUSD Information Security Policies. Notwithstanding the foregoing and subject to any restrictions imposed by applicable law, Contractor may retain a copy of LAUSD Confidential Information (but excluding any student or employee data) solely for archival purposes and in connection with any dispute between the parties.

15.4 *Security*

- (a) Contractor and Contractor Personnel will comply with the LAUSD Information Security Policies. Specific modifications to any such policies may be included in an applicable Work Order.
- (b) Contractor shall use the most current version of antivirus and Virus detection software approved by LAUSD (including all updates). Contractor will not willfully or negligently insert or include, or permit or cause any third party under its control to insert or include, any Virus into any Deliverable or LAUSD's information technology environment. Contractor will use commercially reasonable efforts to reduce the likelihood that any Virus is introduced into any software or LAUSD's information technology environment, and will test Deliverables for Viruses. In the event a Virus is introduced into Contractor Commercial Software, Contractor Customized Software, Work Product, LAUSD Software or any other part of the LAUSD information technology environment by Contractor or any third party under its control who has access to such materials, Contractor will remove such Virus and will provide all necessary services to minimize the impact of such Virus. In such event, Contractor will be liable for loss of data or records of LAUSD to the extent such loss of data or records is due to the willful or negligent introduction of such Virus into a Deliverable or the LAUSD information technology environment by Contractor or any third party under its control who has access to such Deliverable, or any part thereof, or any part of the LAUSD information technology environment.

15.5 *Destroyed or Lost Data*

- (a) Contractor will not delete or destroy any LAUSD Data or media on which LAUSD Data resides without prior written authorization from LAUSD. In the event any LAUSD Data is lost or destroyed due to any act or omission of Contractor, including any breach of the security procedures described in this Article 15 and any

Work Order, and such LAUSD Data cannot be fully restored by a reload under Section 1.1(b) below, Contractor shall be responsible for the prompt regeneration or replacement of such LAUSD Data. Contractor shall prioritize this effort so that the loss of LAUSD Data will not have an adverse effect upon LAUSD's business or the Services. LAUSD agrees to cooperate with Contractor to provide any available information, files or raw data needed for the regeneration of the LAUSD Data. If Contractor fails to regenerate the lost or destroyed LAUSD Data within a time reasonably set by LAUSD (or within a reasonable time, if no such time is set), then LAUSD may obtain data reconstruction services from a third party, and Contractor shall cooperate with such third party as requested by LAUSD. In addition to any other damages incurred by LAUSD, Contractor will be responsible for the actual costs incurred by LAUSD for the reconstruction of LAUSD Data by a third party. In the event it is determined that LAUSD Data has been lost or destroyed as a result of the willful conduct of Contractor or its employees, contractors or agents, LAUSD may terminate the applicable Work Order or this Agreement pursuant to Section 20.3.

- (b) Without limitation to Contractor's obligations regarding data regeneration set forth in Section 15.5(a) above, in the event of the loss of, damage to, or corruption of data caused by Contractor or any Contractor Personnel, Contractor shall, promptly and without charge to LAUSD, reload such data as shall be issued by LAUSD to Contractor from LAUSD back-up stores, provided that LAUSD has kept proper and adequate back-up copies of such data.

Nothing contained in this paragraph modifies any of Contractor's obligations with respect to the Confidential Information.

16.9 *Accuracy of Documentation*

Except as may otherwise be required by a Work Order, all Documentation shall be complete and describe the applicable System Deliverable and components thereof accurately so as to enable a staff consisting of a reasonable number of information systems professionals with ordinary skills and experience to fully utilize the System Deliverable for all purposes for which it is being acquired by or intended for use by District. Contractor knows of no basis for any such action, suit, claim, investigation, or proceeding.

16.11 *Third Party Warranties*

Contractor agrees to promptly respond to and resolve any complaint regarding accessibility of its products or services. - (b) In the event District receives a Public Records Act request for any Contractor documents marked "TRADE SECRET," "CONFIDENTIAL" or "PROPRIETARY," Contractor agrees to defend, indemnify and hold harmless District, its officers, directors, employees, agents, volunteers, and Affiliates and District's Board of Education from any and all damages, costs and expenses, including attorneys' fees, in any action or liability resulting from such Public Records Act request or otherwise arising under the Public Records Act in connection with such request.
- (c) Contractor shall defend, indemnify and hold harmless District, its officers, directors, employees, agents, volunteers, and Affiliates and District's Board of Education from any and all damages, costs and expenses, including attorneys' fees, resulting from or arising out of a breach by Contractor or any Contractor Personnel of Section 15.4. Contractor will provide such assistance and provide such Services as are reasonably requested by LAUSD as a result of, or in the furtherance of any investigation of, any breach of security in the LAUSD information technology environment.

- (e) Contractor agrees to defend, indemnify and hold harmless District, its officers, directors, employees, agents, volunteers, and District's Board of Education from any and all damages, costs and expenses, including attorneys' fees, resulting from or arising out of any claim of harassment, discrimination or retaliation by or of Contractor's employee, agent or subcontractor.

18.2 *Action on Claim of Infringement*

- (a) If a third party claims that a Deliverable (or any component of a Deliverable) or any item used by Contractor to provide the Services infringes that party's patent rights, copyright rights, trademark rights, trade secret rights, or other proprietary rights of any kind, Contractor will defend District, its officers, directors, employees, agents, volunteers, and Affiliates and District's Board of Education from any and all damages, costs and expenses, including attorneys' fees, arising out of or related to that claim, and pay all costs, damages, and attorney's fees that a court finally awards or that are included in a settlement approved by Contractor, provided that District: (i) notify Contractor in writing of the claim in accordance with Section 18.3; and (ii) allow Contractor to control, and reasonably cooperate with Contractor in, the defense and any related settlement negotiations, as further set forth in Section 18.3.
- (b) If a claim under Section 18.2(a) is made or appears likely to be made, or if any item used by Contractor to provide the Services becomes, or in Contractor's reasonable opinion is likely to become, the subject of an infringement or misappropriation claim or proceeding, Contractor shall, at its option: (i) replace the same without additional charge, by compatible, functionally equivalent and non-infringing product(s); (ii) modify such Deliverable, or component or part thereof, to avoid the claim or infringement and retain materially similar functionality; or (iii) obtain license(s) for District to continue use of such Deliverable, or component or part thereof, and pay any additional fee required for such license(s). If Contractor determines that none of these alternatives is reasonably available, District agrees to return the Deliverable to Contractor on Contractor's written request, and Contractor will return all amounts paid under this Agreement (including, but not limited to, taxes, freight, shipping and handling costs, and license fees) for the applicable Deliverable and for any and all other Deliverables, or components or parts thereof, affected by loss of the applicable Deliverable.
- (c) Contractor's liability under this Section 18.2 shall be subject to an equitable reduction (as determined by written agreement of the parties, or by the court adjudicating the claim) to the extent that any claim arising hereunder is based on (i) any information, design, specification, instruction, software, data, or material not furnished by or authorized in writing by Contractor, or (ii) the unauthorized

alteration of a Deliverable or the combination of a Deliverable with any products or services not provided, performed or authorized in writing by Contractor.

18.3 *Indemnification Procedures*

- (a) Promptly after receipt by District of any written claim or notice of any action giving rise to a claim for indemnification under this Section 18, District shall so notify Contractor and shall provide copies of such claim or any documents notifying District of the action and shall provide Contractor, at Contractor's expense, with all reasonable assistance in connection therewith. No failure to so notify Contractor shall relieve Contractor of its obligations under this Agreement except to the extent that the failure or delay is prejudicial. Within thirty (30) calendar days following receipt of such written notice, but in any event no later than ten (10) working days before the deadline for any responsive pleading, Contractor shall notify District in writing (a "**Notice of Assumption of Defense**") if Contractor elects to assume control of the defense and settlement of such claim or action.
- (b) If Contractor timely delivers a Notice of Assumption of Defense, Contractor shall have sole control over the defense and settlement of such claim or action; provided, however, that (i) District shall be entitled to participate in the defense of such claim or action and to employ counsel at its own expense to assist in the handling of such claim or action, and (ii) Contractor shall notify District in writing if Contractor intends to enter into any settlement of such claim or action (other than a settlement solely for the payment of money that Contractor is obligated to pay under this Section, for which Contractor shall only be required to notify District upon entry into such settlement) and shall not enter into such settlement without District's prior written consent, which consent shall not be unreasonably withheld.
- (c) If Contractor does not timely deliver a Notice of Assumption of Defense, District may defend the claim or action in such a manner as it may deem appropriate, at Contractor's expense. Contractor shall promptly reimburse any and all costs and expenses of defense, including attorneys' fees, upon District's written request therefor.

19. **LIMITATION OF LIABILITY**

NEITHER PARTY SHALL BE LIABLE FOR ANY INDIRECT, EXEMPLARY, SPECIAL, OR CONSEQUENTIAL DAMAGES ARISING OUT OF THIS AGREEMENT. Notwithstanding anything to the contrary in this Agreement, this Section shall not apply to damages arising out of or relating to any of the following: (i) either party's gross negligence or willful misconduct; (ii) breach of either party's confidentiality obligations, (iii) Contractor's indemnification obligations, (iv) claims for contributions or damages payable to third parties; and (v) violation of law.

20. REMEDIES AND TERMINATION

20.1 *Errors and Defects Escalation Procedures*

If District notifies Contractor of any material failure in performance of Services or material failure of a System Deliverable to operate as warranted, Contractor, at its own expense, shall promptly analyze the description of the circumstances relating to such material failure. The initial determination of priority, as described below, shall be made solely by District in its reasonable discretion by reference to the priority levels described in this Section 20.1. Contractor's obligations under this Section 20.1 are in addition to Contractor's remediation obligations for Deliverables that are rejected under the terms of Section 7.2 or Section 7.3, and Contractor's obligations under this Section 20.1 may arise at any time, including before District provides written notice of acceptance of any Deliverable or Final Deliverable. Contractor shall respond to notice from the District under this Section as follows:

(a) *Priority 1.*

A "**Priority 1**" condition is any failure caused by a System Deliverable or by Contractor's performance of Services that precludes all work from being done on a computer system or that materially impairs a major function of a computer system or software. Nonexclusive examples include system crashes, database-wide information corruption, and incorrect writing of critical fields. Priority 1 conditions are the highest in severity, for which District shall receive a response within one hour from Contractor's project executive or his or her designee, and a correction within four hours. If a Priority 1 condition cannot be corrected within four hours, then: (i) after four hours, Contractor's project executive will notify Contractor's on-call support team, who will immediately commence efforts to remedy the problem; (ii) after eight hours, Contractor's national sales manager and operations manager will become involved and will identify and deploy the resources necessary to correct the problem; and (iii) after twelve hours, Contractor's president will become involved, and, if necessary, Contractor will dispatch a team to District's location to correct the problem.

(b) *Priority 2.*

Any condition that impairs one or more functions that a System Deliverable is warranted to perform or that results from Contractor's performance of the Services and impairs District's use of any aspect of its information technology environment, but that does not involve a Priority 1 condition and is not a Priority 3 condition, is a "**Priority 2**" condition. Nonexclusive examples include database information corruption for a single District customer or incorrect writing of non-critical fields. Priority 2 conditions are less severe than Priority 1 conditions. For Priority 2 conditions, District shall receive a response within four hours from the time Contractor is notified. Whenever possible, Priority 2 conditions will be addressed by providing a patch or suggested work-around to accommodate District's needs within eight hours, with a correction within 24 hours. If a patch or work-around cannot be provided within eight hours, the problem shall be escalated to a Priority 1 condition and treated as set forth above.

(c) *Priority 3.*

Any condition that constitutes a non-material defect or error in one or more functions that a System Deliverable is warranted to perform is a **“Priority 3”** condition. Nonexclusive examples include minor bugs and annoyances. Priority 3 conditions are the least severe. For Priority 3 conditions, District shall receive a response within 48 hours from the time Contractor is notified. Contractor shall use reasonable efforts to correct Priority 3 conditions within three weeks. There is no escalation policy for a Priority 3 condition.

(d) *Inability to Correct*

If Contractor is unable to correct a Priority 1 or Priority 2 condition within ten calendar days after the date Contractor is notified of the Priority 1 or Priority 2 condition, District may, in its sole discretion, (i) withhold payment of any amount due under this Agreement with respect to the portion(s) or component(s) of the Work Order or System Deliverable affected by the Priority 1 or Priority 2 condition until the condition is corrected; (ii) reject the System Deliverable or any part thereof or revoke acceptance and immediately terminate, under Section 20.3 herein (but without any requirement of a 30-day cure period), the applicable Work Order, along with, in District’s discretion, any related Work Order(s); or (iii) exercise any other remedy available at law, in equity, by statute, under this Agreement or otherwise.

(e) *Remedies for Delay in Performing Critical Tasks*

If any task identified in a Work Order as a “Critical Task” is not completed and or delivered on the date specified in the Work Order, and such delay is not materially caused by any fault of District, District may (i) agree to extend the date upon which such task is to be completed and/or delivered, or (ii) immediately terminate this Agreement under Section 20.3. To the extent that any delay is materially caused by any fault of the District, then District will make reasonable and appropriate adjustments to the due date for such task, as determined in consultation with Contractor, to account for this delay.

(f) *Nonexclusively*

Except as explicitly set forth in this Agreement, no remedy set forth in this Agreement for breach of this Agreement is intended to be exclusive of any other remedy. Each remedy for breach shall be in addition to every other remedy given hereunder, or now or hereafter existing at law or in equity or by statute or otherwise.

Without limitation to District’s other rights under this Section 20, District may immediately suspend its duties of performance under this Agreement, in whole or in part, if Contractor fails to observe or perform any condition or material obligation in this Agreement and fails to cure such default within ten calendar days after District provides notice of the default.

20.2 ***RESERVED***

20.3 Termination by LAUSD for Cause

- (a) LAUSD may terminate this Agreement or any Work Order issued pursuant to this Agreement, or any part of a Work Order: :
- (i) **subject to Section 20.3(ii), for a material breach of a single Work Order by Contractor that is not cured by Contractor within thirty (30) calendar days after LAUSD provides written notice of such breach;**
 - (ii) **for a material breach of a single Work Order by Contractor that is not reasonably subject to cure within thirty (30) calendar days after its occurrence;**
 - (iii) **for numerous or repeated breaches of one or more Work Orders (even if subsequently cured) that collectively constitute a material breach; or**
 - (iv) **for a material breach of the terms of this Agreement by Contractor that is not cured by Contractor within thirty (30) calendar days after LAUSD provides written notice of such breach, or for numerous or repeated breaches of this Agreement (even if subsequently cured) that collectively constitute a material breach.**
- (b) LAUSD shall exercise its termination right hereunder by delivering to Contractor written notice of the breach or breaches under Section 20.3 giving rise to such termination right. Where Section 20.3 provides for a cure period, the applicable Work Order(s) or this Agreement will automatically and immediately terminate upon expiration of such cure period if the breach identified in LAUSD's notice has not been cured. If LAUSD chooses to terminate a Work Order in part, the Charges payable under such Work Order will be equitably adjusted to reflect those Services that are not terminated.

20.4 Termination by LAUSD for Convenience

- (a) LAUSD may terminate this Agreement or any Work Order issued pursuant to this Agreement, or any part of a Work Order immediately for convenience and without cause at any time by giving Contractor written notice designating the termination date, which in no case will be less than thirty (30) calendar days after the date of such notice without Contractor's approval, and paying to Contractor either: (i) in the case of a Work Order under which Services are charged on a time and materials basis, the unpaid Charges for Services performed by Contractor prior to the effective date of termination; or (ii) in the case of a Work Order under which Services are charged on a fixed-fee or milestone basis, (1) the unpaid Charges due for completed Deliverables (or portions thereof) accepted by LAUSD prior to the effective date of termination, and (2) unpaid Charges (calculated on a time and materials basis) for Services performed by Contractor for Deliverables (or portions thereof) that are not completed or have not been accepted by LAUSD prior to the effective date of termination. Upon receipt of any termination notice from LAUSD hereunder, Contractor will immediately commence efforts to cease all affected

Services, and will take all reasonable steps to minimize charges, fees or other costs that might be incurred by LAUSD after the date that LAUSD provides termination notice hereunder.

- (b) If LAUSD chooses to terminate a Work Order in part, the charges payable under such Work Order will be equitably adjusted to reflect those Services that are not terminated.
- (c) If a purported termination for cause by LAUSD under Section 20.3 is determined not to be a proper termination for cause, such termination shall be deemed a termination for convenience subject to this Section 20.4.

20.5 *Termination by LAUSD for Non-Appropriation*

If District is not appropriated adequate funds for or to continue this Agreement or any Work Order, District shall provide written notification to Contractor of non-appropriation of funds (a "Non-Appropriation Notice"). In such event, District will have no further liability hereunder except with respect to payment for Services rendered up to the date of Contractor's receipt of the Non-Appropriation Notice. This Agreement and all Work Orders will terminate effective as of the date of the Non-Appropriation Notice, unless the Non-Appropriation Notice specifically provides otherwise.

20.6 *Termination for Change of Control*

In the event that Contractor undergoes a change in control where voting or other control of Contractor is acquired, directly or indirectly, in a single transaction or series of related transactions, or all or substantially all of Contractor's assets are acquired, by any entity, or Contractor are merged with or into another entity to form a new entity, then, at any time within nine (9) months after the last to occur of these events, LAUSD may terminate this Agreement or one or more Work Orders by (a) giving Contractor ninety (90) calendar days' prior written notice and (b) designating a date upon which the termination(s) will be effective.

20.7 *Termination for Insolvency*

LAUSD may terminate this Agreement in its entirety (including all Work Orders) if Contractor (a) becomes insolvent or is unable to meet its debts as they mature, (b) files a voluntary petition in bankruptcy or seeks reorganization or to effect a plan or other arrangement with creditors, (c) files an answer or other pleading admitting, or fails to deny or contest, the material allegations of an involuntary petition filed against it pursuant to any applicable statute relating to bankruptcy, arrangement or reorganization, (d) is adjudicated a bankrupt or makes an assignment for the benefit of its creditors generally, (e) applies for, consents to or acquiesces in the appointment of any receiver or trustee for all or a substantial part of its property, or (f) any such receiver or trustee is appointed and not discharged within thirty (30) calendar days after the date of such appointment.

20.8 *Extension of Termination Effective Date*

LAUSD may, at its option, upon thirty (30) calendar days prior notice, extend any termination date it has specified pursuant to this Article 20 one or more times. In such event, the Services shall be provided pursuant to and on the terms and conditions set forth in this Agreement and each applicable Work Order and LAUSD shall compensate Contractor as specified in the applicable Work Order.

20.9 *Effect of Termination*

Termination of this Agreement or any Work Order for any reason under this Section shall not affect (a) any liabilities or obligations of either party arising before such termination or out of the events causing such termination, or (b) any damages or other remedies to which a party may be entitled under this Agreement or any Work Order, at law or in equity, arising from any breaches of such liabilities or obligations.

20.10 *Termination Assistance*

If this Agreement or any Work Order is terminated prior to completion, for a period of at least thirty (30) calendar days, Contractor, upon request, will provide to LAUSD or its designee termination assistance to allow the Services to continue without interruption or adverse effect and to facilitate the orderly transfer of the Services to District or to another contracted provider. Contractor will make available to LAUSD such information as LAUSD may reasonably request for purposes of transferring the Services back into LAUSD or the purposes of procuring services similar to the Services from a third party.

21. MISCELLANEOUS

21.2 *Applicable Law*

All questions concerning the validity, interpretation and performance of this Agreement and the transactions it contemplates shall be governed by and decided in accordance with the laws of the State of California without regard to choice of law principles.

21.2 *Jurisdiction and Venue*

The parties hereby submit and consent to venue in and the exclusive jurisdiction of any state or federal courts located within the City of Los Angeles and irrevocably agree that all actions or proceedings relating to this Agreement shall be litigated in such courts, and each of the parties waives any objection which it may have based on improper venue or forum non conveniens to the conduct of any such action or proceeding in such court. Contractor waives any right to trial by jury and consents to be joined in any action or proceeding in which LAUSD is a defendant and for which Contractor is required to indemnify LAUSD pursuant to the provisions of this Agreement.

21.3 *UCITA*

To the maximum extent permitted under applicable law, this Agreement shall not be subject

to the Uniform Computer Information Transactions Act (prepared by the National Conference of Commissioners on Uniform State Laws) as currently enacted or as may be codified or amended from time to time by any jurisdiction.

21.4 *Equitable Remedies*

The parties agree that (a) in the event of any breach or threatened breach of any provision of this Agreement or any Work Order concerning (i) Confidential Information, (ii) intellectual property rights, or (iii) other matters for which equitable rights may be granted, money damages would be an inadequate remedy; and (b) if either party makes a good faith determination that a breach of this Agreement is such that the damages to the party resulting from the breach will be so immediate, so large or severe and so incapable of adequate redress after the fact that a temporary restraining order or other immediate injunctive relief is the only adequate remedy; then a party may seek immediate injunctive relief and such provisions may be enforced by the preliminary or permanent, mandatory or prohibitory injunction or other order of a court of competent jurisdiction.

21.5 *Interpretation*

The parties are sophisticated and have been represented by counsel during the negotiation of this Agreement and each Work Order. Any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in interpreting this Agreement.

21.6 *Binding Nature and Assignment*

Contractor may not assign, voluntarily or by operation of law, any of its rights or obligations under this Agreement without the prior written consent of District. Subject to the foregoing, this Agreement and each Work Order shall be binding on the parties and their respective successors and permitted assigns.

21.7 *Expenses*

Except as expressly provided in this Agreement, each party shall pay its own fees and expenses (including, without limitation, the fees and expenses of its agents, representatives, attorneys and accountants) incurred in connection with the negotiation, drafting, execution, delivery and performance of this Agreement and the transactions it contemplates.

21.8 *Amendment and Waiver*

No supplement, modification, amendment or waiver of this Agreement or any Work Order shall be binding unless executed in writing by the parties in accordance with the terms hereof. No waiver of any term, provision or condition of this Agreement, whether by conduct or otherwise, in any one or more instances, shall be deemed to be or be construed as a further or continuing waiver of any such term, provision or condition or as a waiver of any other term, provision or condition of this Agreement.

21.9 *Further Assurances; Consents and Approvals*

Each party shall provide such further documents and instruments and take such other actions as may be reasonably necessary or desirable to give effect to this Agreement and to carry out its provisions. Whenever this Agreement requires or contemplates any action, consent or approval of a party, such party shall act reasonably and in good faith and (unless this Agreement expressly allows exercise of a party's sole discretion) shall not unreasonably withhold or delay such action, consent or approval.

21.10 *Publicity*

Contractor may not use LAUSD's name or any of LAUSD's trade names, trademarks, service marks, slogans, logos or designs for any advertising, promotional or other purpose which is not necessary in Contractor's performance under this Agreement without the prior, written permission of LAUSD.

21.11 *Severability*

If any provision of this Agreement is determined by any court of competent jurisdiction to be invalid or unenforceable (other than provisions going to the essence of this Agreement), such provision shall be interpreted to the maximum extent to which it is valid and enforceable, all as determined by such court in such action, and the remaining provisions of this Agreement will, nevertheless, continue in full force and effect without being impaired or invalidated in any way.

21.12 *Entire Agreement*

This Agreement, each of the Work Orders and all Schedules constitute the entire agreement between the parties pertaining to the subject matter hereof and supersede all prior and contemporaneous agreements, understandings, negotiations and discussions, whether oral or written, of the parties pertaining to the subject matter hereof.

21.13 *Notices*

Any notice, demand or other communication required or permitted to be given under this Agreement or any Work Order shall be in writing and shall be deemed delivered to a party (a) when delivered by hand or courier, (b) when sent by confirmed facsimile with a copy sent by another means specified in this Section, or electronic mail or (c) three (3) calendar days after the date of mailing if mailed by United States certified mail, return receipt requested, postage prepaid, in each case to the address of such party set forth below (or at such other address as the party may from time to time specify by notice delivered in the foregoing manner):

21.14 *Survival*

Any provision of this Agreement or of any Work Order which contemplates performance or observance subsequent to any termination or expiration of this Agreement or of any Work Order, including (without limitation) Article 10, Article 12, Section 13.4, Article 15, Article 16, Article 18, Article 19, Article 20 and Article 21, shall survive expiration or termination of this Agreement or any Work Order.

21.15 *Independent Contractors*

While engaged in performance of this Agreement, the Contractor is an independent contractor and is not an officer, agent, or employee of the District. Contractor is not entitled to benefits of any kind to which District's employees are entitled, including but not limited to unemployment compensation, workers' compensation, health insurance and retirement benefits. Contractor assumes full responsibility for the acts and/or omissions of Contractor's employees or agents as they relate to performance of this Agreement. Contractor assumes full responsibility for workers' compensation insurance, and payment of all federal, state and local taxes or contributions, including but not limited to unemployment insurance, social security, Medicare and income taxes with respect to Contractor and Contractor's employees. Contractor warrants its compliance with the criteria established by the U.S. Internal Revenue Service (I.R.S.) for qualification as an independent contractor, including but not limited to being hired on a temporary basis, having some discretion in scheduling time to complete contract work, working for more than one employer at a time, and acquiring and maintaining its own office space and equipment. Contractor agrees to indemnify District for all costs and any penalties arising from audits by state and/or federal tax entities related to services provided by Contractor's

employees and agents under this Agreement.

21.16 *Third Party Beneficiaries*

Except for third parties specifically entitled to indemnification under the terms of, and as set forth in, Article 18, nothing in this Agreement or in any Work Order, express or implied, is intended to confer on rights, benefits, remedies, obligations or liabilities on any person (including, without limitation, any employees of the parties) other than the parties or their respective successors or permitted assigns.

21.17 *Cumulative Remedies*

Except as otherwise expressly provided in this Agreement, remedies provided for herein will be cumulative and in addition to and not in lieu of any other remedies available to either party at law, in equity or otherwise.

21.18 *Counterparts*

This Agreement and each Work Order may be executed in one or more counterparts, each of which shall be deemed an original, and all of which, taken together, shall constitute one and the same instrument.

21.19 *Force Majeure*

Neither party shall be liable for failure to fulfill its obligations under this Agreement (other than a failure to pay money) where such failure or delay could not have been prevented by reasonable precautions and cannot reasonably be circumvented by the nonperforming party through the use of alternate sources, work-around plans or other means, and if that failure is caused, directly or indirectly, by flood, extreme weather, fire, mud slide, earthquake, or other natural calamity or act of God, interruption in water, electricity, heating or air conditioning (depending on the season), riots, civil disorders, rebellions or revolutions, acts of governmental agencies, quarantines, embargoes, labor disputes affecting vendors or subcontractors and for which the party claiming force majeure is not responsible, or any other similar cause beyond the reasonable control of that party (each, a “**Force Majeure Event**”). The occurrence of a force majeure event suffered by another customer of Contractor that may require Contractor to allocate additional resources to service that customer shall not constitute a Force Majeure Event under this Agreement that excuses Contractor’s performance hereunder or permits it to reallocate required resources away from the performance of this Agreement. If either party is delayed by a Force Majeure Event it shall promptly notify the other party by telephone and describe in reasonable detail the nature of the Force Majeure Event (to be confirmed in writing within five calendar days after the inception of such delay). Any party claiming a Force Majeure Event hereunder shall: (a) use reasonable efforts to overcome the effects of the Force Majeure Event; (b) use reasonable efforts to mitigate any effects or consequences of such Force Majeure

Event; and, (c) promptly notify the other party once the Force Majeure Event has ended or its effects have otherwise been remedied. If any Force Majeure Event results in a failure to deliver the Services for more than five business days after District's initial receipt of notice, District may, upon notice to Contractor, terminate the applicable Work Order without any liability to Contractor other than payment for Services rendered prior to the occurrence of the Force Majeure Event.

22. WORK-BASED LEARNING PROGRAM (WBLP):

Notwithstanding any other provision of this Agreement, Contractor hereby acknowledges that the District has determined to enter into this Agreement with Contractor in reliance, in part, on:

- The veracity of the representations made by Contractor in Contractor's Proposal,
- The quality of Contractor's proposed staff and
- The WBLP Plan included in Contractor's Proposal.

Except as otherwise specified herein, Contractor hereby warrants to provide the Services and the WBLP(s) in the manner represented in Contractor's Proposal.

Specifically with respect to the WBLP(s), Contractor agrees to:

 - Determine what aspects of the WBLP(s) will be implemented at what time,
 - Who will be the best-suited WBLP participants where the WBLP anticipates the participation of District students or staff and
 - Otherwise refine and finalize the WBLP;
- Appropriately supervise WBLP participants when those participants are on a Contractor-controlled site or otherwise in the care and under the direction of Contractor as WBLP participants;
- Take reasonable precautions to keep WBLP participants out of harm's way;
- Comply with this Agreement's Equal Employment Opportunity requirements with respect to WBLP participants as though those participants were prospective Contractor employees;
- Refrain from using images of District WBLP participants or disclosing participant names or data without:
 - The prior written consent of the District WBLP Program Administrator and
 - The written consent of those WBLP participants or their parents, as appropriate;

Furthermore, with respect to Contractor's WBLP, Contractor acknowledges that:

- The District is free to publicize its positive experiences with the Contractor and, if applicable, is also free to share with other school districts or organizations that inquire, whatever frustrations it may have experienced in Contractor's implementation of Contractor's WBLP(s);
- The District will, of course, share Contractor's name and information regarding Contractor's business and regarding Contractor's proposed WBLP(s) with District schools seeking partners;
- The District will also identify Contractor in District documentation regarding the District's Linked Learning program;
- The District may photograph participating Contractor representatives and publish those photographs in District promotional and reporting materials relating to the District's Linked Learning program; and
- Should Contractor fail to provide the WBLP, in particular, as provided herein, then, in addition to all other remedies to which the District may be entitled, at law and in equity, the District may take Contractor's failure to perform as promised into consideration in the event Contractor is under consideration to provide services to the District in the

future.

23. VENDOR COVID-19 VACCINATION REQUIREMENT

Effective November 15, 2021, all vendors who may visit any District school site or facility and/or who may come into contact with District students or staff must be fully vaccinated against COVID-19. For purposes of this requirement, the term “vendors” refers to employees/hired staff, agents, contractors, partners, subcontractors, and representatives of the District’s vendors and contractors. Prior to providing any such services on or after November 15, 2021, Contractor must certify compliance in the Supplier Portal at <https://vendors.lausd.net/irj/portal>. Additional information is available at <https://achieve.lausd.net/Page/3904>.

24. COMPLIANCE WITH ADDITIONAL FEDERAL REGULATIONS FOR FEDERALLY FUNDED CONTRACTS

Contractor shall comply with the “Provisions Required of Federally Funded Contracts,” attached hereto as **Schedule G** and made a part hereof.

IN WITNESS WHEREOF the parties have executed this Agreement as of the Effective Date.

LOS ANGELES UNIFIED SCHOOL DISTRICT
Contractor Code of Conduct
(adopted 11/02, revision effective 11/06)

Preamble

Los Angeles Unified School District's Contractor Code of Conduct was adopted to enhance public trust and confidence in the integrity of LAUSD's decision-making process. This Code is premised on three concepts:

- *Ethical and responsible use of scarce public tax dollars is a critical underpinning of effective government*
- *Contracting integrity and quality of service are the shared responsibilities of LAUSD and our Contractors*
- *Proactive and transparent management of potential ethics concerns improves public confidence*

This Code sets forth the ethical standards and requirements that all Contractors and their Representatives shall adhere to in their dealings with or on behalf of LAUSD. Failure to meet these standards could result in sanctions including, but not limited to, avoidance of current or future contracts.

1. Contractors

All LAUSD Contractors and their Representatives are expected to conduct any and all business affiliated with LAUSD in an ethical and responsible manner that fosters integrity and public confidence. A "Contractor" is any individual, organization, corporation, sole proprietorship, partnership, nonprofit, joint venture, association, or any combination thereof that is pursuing or conducting business with and/or on behalf of LAUSD, including, without limitation, consultants, suppliers, manufacturers, and any other vendors, bidders or proposers. A Contractor's "Representative" is also broadly defined to include any subcontractors, employees, agents, or anyone else who acts on a Contractor's behalf.

2. Mission Support

LAUSD relies on Contractors and their Representatives to support our LAUSD mission statement of "*educating students to a higher level of achievement that will enable them to be responsible individuals and productive members of the greater society.*" Contractors and their Representatives must provide high-value products, services and expertise which advance LAUSD's mission or provide mission-related benefits that support our goals for the students, employees, stakeholders, and the communities we serve.

3. Ethical Responsibilities

All LAUSD contracts must be developed and maintained within an ethical framework. LAUSD seeks to promote public trust and confidence in our contracting relationships and we expect every individual, regardless of position or level of responsibility, who is associated with an LAUSD procurement process or contract, to commit to exemplifying high standards of conduct in *all phases* of any relationship with LAUSD.

Given that the business practices and actions of Contractors and their Representatives may impact or reflect upon LAUSD, strict observance with the standards in this Code, all applicable local, state and federal laws, and any other governing LAUSD policies or agreements is not only a minimum requirement for all Contractors and their Representatives, but an ethical obligation as well.

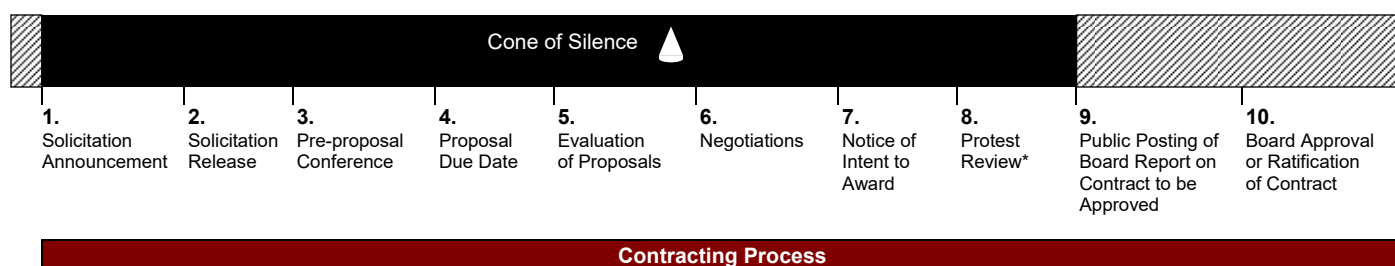

In addition to any specific obligations under a Contractor's agreement with LAUSD, all Contractors and their Representatives shall comply with the following requirements:

- A. **Demonstrate Honesty and Integrity** – Contractors shall adhere to the highest standards of honesty and integrity in all their dealings with and/or on behalf of LAUSD. As a general rule, Contractors must exercise caution and avoid *even the appearance of impropriety or misrepresentation*. All communications, proposals, business information, time records, and any other financial transactions must be provided truthfully, accurately, and completely.
- B. **Be a Responsible Bidder** – Contractors shall demonstrate a record of integrity and business ethics in accordance with all policies, procedures, and requirements established by LAUSD.
 - (1) **Critical Factors** – In considering a Contractor's record of integrity and business ethics, LAUSD may consider factors including, but not limited to: criminal investigations, indictments, injunctions, fines, convictions, administrative agreements, suspensions or debarments imposed by other governmental agencies, tax

delinquencies, settlements, financial solvency, past performance, prior determinations of failure to meet integrity-related responsibilities, and violations by the Contractor and its Representatives of any LAUSD policies and Codes in prior procurements and contracts. LAUSD reserves the right to reject any bid, proposal and contract, and to impose other sanctions against Contractors who fail to comply with our district policies and requirements, or who violate the prohibitions set forth below in Section 6, Prohibited Activities.

- C. **Maintain the Cone of Silence** – Contractors shall maintain a Cone of Silence during required times of the contracting process to ensure that the process is shielded from even the appearance of undue influence. Contractors and their Representatives risk disqualification from consideration and/or other penalties outlined in Section 8, Enforcement Provisions, if they engage in prohibited communication during the restricted period(s).
- (1) **Competitive Contracting Process** – To ensure a level playing field with an open and uniform *competitive* contracting process, Contractors and their Representatives must maintain a Cone of Silence from the time when an Invitation for Bid (IFB), Request for Proposal (RFP), Request for Interest and Bid (RFIB), Request for Quote, Request for Qualification, or any other solicitation release is announced until the time a contract award recommendation is made public by the Board Secretariat's posting of the board report for the contract to be approved. During the time under the Cone of Silence, Contractors and their Representatives are prohibited from making any contact on any part of a proposal, negotiation or contract with any LAUSD official as this could appear to be an attempt to curry favor or influence. An "LAUSD official" is broadly defined to include "any board member, employee, consultant or advisory member of LAUSD" who is involved in making recommendations or decisions for LAUSD.

Schematic of LAUSD's Competitive Contracting Process (Illustrative Only)

Lobbying in this period may require registration and disclosure in LAUSD's Lobbying Disclosure Program, if the triggers are met.

* Note: Protests can sometimes extend past the contract approval process

- (a) **Prohibited Communication** – Examples of prohibited communication by Contractors and their Representatives under the Cone of Silence include, but are not limited to:
- (i) contact of LAUSD Officials, including members of the department initiating a contract, or members who will serve on an evaluation team for any contract information that is not uniformly available to all other bidders, proposers or contractors;
 - (ii) contact of LAUSD Officials, including Board Members and their staff, to lobby on any aspect relating to a contract matter under consideration, negotiation, protest or dispute;
 - (iii) contact of LAUSD Officials in the particular department requesting a competitive contract to discuss other business or partnership opportunities.
- (b) **Exceptions** – The following are exceptions to the Cone of Silence:
- (i) open and uniform communications which are made as part of the procurement process such as the pre-bid or pre-proposal meetings or other exchanges of information which are given to all proposers;
 - (ii) interviews or presentations to evaluation committee members which are part of the procurement process;
 - (iii) clarification requests made in writing, under the terms expressly allowed for in an LAUSD contracting document, to the appropriate designated contract official(s);
 - (iv) negotiations with LAUSD's designated negotiation team members;
 - (v) protests which follow the process outlined by LAUSD's protest policies and procedures; and
 - (vi) requests for technical assistance approved by LAUSD contract officials (for example questions relating to LAUSD's Small Business Enterprise Program, or requests for formal guidance on ethics matters from the Ethics Office).
- (2) **Non-Competitive Contracting Process** – To ensure the integrity of the non-competitive contracting process, Contractors and their Representatives must maintain a Cone of Silence from the time when a proposal is submitted to LAUSD until the time the contract is fully executed. During this designated time, Contractors and their Representatives are prohibited from making any contact with LAUSD officials on any of the terms of the contract under consideration as this could appear to be an attempt to curry improper favor or influence. The only

exceptions to this Cone of Silence are clarification requests made with the Contract Sponsor or the appropriate designated contract official(s) in the Procurement Services Group or Facilities Contracts Branch.

Examples of Maintaining the Cone of Silence

- (3) Mai Vien Da is the CEO of a firm that wants to do business with LAUSD. She is at a party when she sees the head of the LAUSD division that has just issued an RFP that her company is interested in bidding on.

Mai can say "hello," but she must not discuss her proposal or the contracting process at all with the division head.

- (4) Mai is also interested in having her sales team meet with LAUSD officials district-wide to promote her firm's services, so that they can sell work on smaller projects that do not need to be competitively bid.

Mai and her employees may attempt to meet with district officials to discuss potential services outside of a competitive process, but she needs to recognize that her marketing activities may require her to register her firm and her employees in LAUSD's Lobbying Disclosure Program. (See Section 5, Disclosure Obligations).

- D. **Manage Potential Conflicts** – Contractors shall disclose all potential or actual conflicts to LAUSD on an ongoing basis with a Meaningful Conflict Disclosure. A "Meaningful Conflict Disclosure" is a written statement to LAUSD which lays out full, accurate, timely, and understandable information with regard to any potential conflicts involving Contractors and their work for LAUSD. The specific requirements for a Meaningful Conflict Disclosure are set forth in Section 3.D.(2) below. LAUSD relies on these proactive disclosures by Contractors to manage potential conflicts before they become actual conflicts of interest. A potential for conflict is present whenever a situation arises which creates a real or apparent advantage or a competing professional or personal interest for a Contractor. Such situations become conflicts of interest, if appropriate safeguards are not put into place. Examples of potential or actual conflicts include, but are not limited to situations when:

- a financial relationship (income, stocks, ownership, investments, loans, excessive gifts, etc.) or close personal relationship exists or has existed between a Contractor or its Representatives and a LAUSD official;
- a financial or close personal relationship exists between any officers, directors or key employees of a Contractor or its Representatives and a LAUSD official;
- a prior, current or potential employment relationship exists between a Contractor or its Representatives and a current or former LAUSD official;
- an overlap exists between work that a Contractor or its Representative performs or has performed for LAUSD and work he or she will perform on behalf of another client; or
- an opportunity arises in which a Contractor or its Representative can make a governmental decision within the scope of LAUSD contractual duties that impacts his or her personal financial interests or relationships,

Contractors and their Representatives have a *continuing* obligation to advise LAUSD proactively of any potential conflicts which may arise relating to a contract.

- (1) **State Conflict Standards** – LAUSD is generally prohibited by California's Political Reform Act (Government Code Section 87100) and Government Code Section 1090 from contracting with Contractors if the Contractors, their Representatives, their officers, or any household member of the preceding serve LAUSD in any way in developing, awarding, or otherwise participating in the making of the same contract.

California law also governs situations in which there has been a financial interest between a Contractor and a public official within a 12-month window leading up to a governmental decision. It does not matter whether the impact of an existing relationship is beneficial or detrimental to the interests of the Contractors, their Representatives, or the public agency. Moreover, Government Code Section 1090 defines "making a contract" broadly to include actions that are preliminary or preparatory to the selection of a Contractor such as but not limited to: involvement in the reasoning, planning, and/or drafting of scopes of work, making recommendations, soliciting bids and requests for proposals, and/or participating in preliminary discussions or negotiations.

Any contract made in violation of Section 1090 is void and cannot be enforced. When Section 1090 is violated, a government agency is not obligated to pay the Contractor for any goods or services received under the void contract. In fact, the agency can also seek repayment from the Contractor of any amounts already paid and the agency can refer the matter to the appropriate authorities for prosecution.

- (2) **Meaningful Conflict Disclosure** – Contractors shall provide a meaningful disclosure of all potential and actual conflicts in a written statement to the LAUSD Contract Sponsor, the Ethics Office and the contracting contact from the Procurement Services Group/or the Facilities Contracts Branch. This disclosure requirement is a continuing duty on all Contractors. At a minimum, a Meaningful Conflict Disclosure must identify the following:
- (a) names and positions of all relevant individuals or entities;
 - (b) nature of the potential conflict, including specific information about the financial interest or relationship; and
 - (c) a description of the suggested remedy or safeguard for the conflict.

- (3) Resolution of Conflicts – When necessary, LAUSD will advise Contractors on how a disclosed conflict should be managed, mitigated or eliminated. The Contract Sponsor, in consultation with the Procurement Services Group/Facilities Contracts Branch, the Ethics Office, and the Office of the General Counsel, shall determine necessary actions to resolve any of the Contractors' disclosed conflict(s). When it is determined that a conflict must be addressed, a written notification will be made to the Contractor, indicating the actions that the Contractor and LAUSD will need to take to resolve the conflict.

Examples of Managing Potential Conflicts

- (4) Rhoda Warrior is a consultant from Global Consulting Firm. She has been assigned by her firm to do work for a particular LAUSD department. Although she does not directly work with him, her husband, Antonio, is one of the senior officials in that department.

Global Consulting must disclose this potential problem via a Meaningful Conflict Disclosure to LAUSD. Depending on the exact nature of her work within that department, Global Consulting and the LAUSD Contract Sponsor may need to take steps to safeguard Rhoda's work from any actual conflict of interest.

- (5) Amartya Singh is a HR consultant from the Tip Top Talent Agency whose firm is providing temporary support to help LAUSD improve its recruitment efforts. Amartya is himself serving as acting deputy director for the HR division, and in that capacity has been asked to review and approve all bills for the department. In doing his work, Amartya comes across a bill for the Tip Top Talent Agency which requires approval.

Tip Top Talent Agency must disclose the conflict and work with LAUSD to ensure that someone more senior or external to Amartya's chain-of-command is the one that reviews, evaluates, or approves bills relating to Tip Top Talent Agency. Even if Amartya decides to quit Tip Top Talent to join LAUSD, he cannot be involved with matters relating to Tip Top Talent until 12 months have passed from the date he received his last payment from the firm.

- (6) Greta Planner is a technology consultant that has been hired to design all the specifications for a group of new technology labs. One of the services that Greta will be specifying is an automated wireless projection system. As it turns out, Greta owns direct stock in a firm that manufactures these types of projection systems.

Greta's direct stock ownership constitutes a financial interest in that company. She must disclose the potential conflict right away in writing to the LAUSD Contract Sponsor, so that the appropriate safeguards can be put in place to prevent any actual conflict.

- E. *Provide Contracting Excellence* – Contractors are expected to deliver high quality, innovative and cost-effective goods and services to LAUSD, so that the public is served with the best value for its dollars.
- F. *Promote Ethics Standards* – Contractors shall be responsible for ensuring that their Representatives, regardless of position, understand and comply with the duties and requirements outlined in this Code and to ensure that their behavior, decisions, and actions demonstrate the letter and spirit of this Code. Contractors may draw upon the resources provided by LAUSD, including but not limited to those made available by the Ethics Office, the Procurement Services Group, and the Facilities Contracts Branch. Such training resources and additional information about LAUSD policies can be found on LAUSD's website (www.lausd.net).
- G. *Seek Advice* – Contractors are expected and encouraged to ask questions and seek formal guidance regarding this Code or other aspects of responsible business conduct from the LAUSD Ethics Office whenever there is a doubt about how to proceed in an ethical manner. A Contractor's proactive management of potential ethics concerns is necessary and vital since this Code does not seek to address or anticipate all the issues that may arise in the course of seeking or doing business with LAUSD.

Example of Seeking Advice

- (1) Abe Iznismann is President of Accelerated Sciences, a new company that makes supplemental teaching tools in the sciences. Over the summer, Abe hired Grace Principle, a seasoned LAUSD administrator who now works in teacher recruitment, to consult with Accelerated Sciences in developing a cutting-edge learning tool. Originally, the company planned to sell the products only to schools in other states, but now it wants to sell the products in California and possibly to LAUSD. Abe wants to work with Grace to develop a win-win strategy for offering the new tools to LAUSD at a discount.

Accelerated Sciences needs to be very careful to ensure that Grace is not involved in any aspect relating to selling the product to LAUSD, especially since Grace has a financial interest with the firm. Remember, under California law, the mere existence of a financial interest creates a concern that will cause the good faith of any acts to be questioned, no matter how conscientious the individuals. Before undertaking any effort to sell to LAUSD, Abe or another manager at Accelerated Sciences should seek out advice on other safeguarding measures to ensure that their good intentions do not inadvertently create a bad outcome for the firm or Grace.

4. Relationship Management

LAUSD expects Contractors and their Representatives to ensure that their business dealings with and/or on behalf of LAUSD are conducted in a manner that is above reproach.

- A. *Employ Good Practices* – Contractors and their Representatives shall conduct their employment and business practices in full compliance with *all* applicable laws, regulations and LAUSD policies, including but not limited to the following:
- (1) *Equal Employment Opportunity* – Contractors shall ensure that there is no discrimination in hiring due to race, color, religious creed, national origin, ancestry, marital status, gender, sexual orientation, age, or disability.
 - (2) *Health and Safety* – Contractors shall provide a safe and healthy work environment and fully comply with all applicable safety and health laws, regulations, and practices.
 - (3) *Drug Free Environment* – Contractors shall ensure that there is no manufacture, sale, distribution, possession or use of illegal drugs or alcohol on LAUSD-owned or leased property.
 - (4) *No Harassment* – Contractors shall not engage in any sexual or other harassment, physical or verbal abuse, or any other form of intimidation.
 - (5) *Sweat-Free Conditions* – Contractors shall ensure that no child and/or forced or indentured labor is used in their supply chain. Contractors shall require that all goods provided to LAUSD are made in compliance with the governing health, safety and labor laws of the countries of origin. Additionally, Contractors shall ensure that workers are free from undue risk of physical harm or exploitation and receive a non-poverty wage.
- B. *Use Resources Responsibly* – Contractors and their Representatives shall use LAUSD assets for LAUSD business-related purposes only unless given written permission for a specific exception by an authorized LAUSD official. LAUSD assets include: time, property, supplies, services, consumables, equipment, technology, intellectual property, and information.
- C. *Protect Confidentiality* – Contractors and their Representatives shall protect and maintain confidentiality of the work and services they provide to LAUSD. All communications and information obtained in the course of seeking or performing work for LAUSD should be considered confidential. No confidential information relating to LAUSD should ever be disclosed without express authorization by LAUSD in writing, unless otherwise legally mandated.
- D. *Guard the LAUSD Affiliation* – Contractors and their Representatives shall be cautious of how they portray their relationship with LAUSD to the Public. Communications on behalf of LAUSD can only be made when there is express written permission by an LAUSD official authorized by LAUSD's Office of General Counsel.
- (1) *LAUSD Name and Marks* – Contractors shall ensure that all statements, illustrations or other materials using or referencing LAUSD or its marks and logos—including the names and logos of any of our sub-divisions, and/or any logos created by and for LAUSD—receive advance review and written approval of the relevant LAUSD division head prior to release or use.
 - (2) *Commercial or Advertising Message* – Contractors shall ensure that no commercial or advertising message, or any other endorsements—express or implied—are suggested or incorporated in any products, services, enterprises or materials developed for/or relating to LAUSD unless given written permission to do otherwise by LAUSD's Board of Education.
- E. *Respect Gift Limits* – Contractors and their Representatives shall abide by LAUSD's gift limits and use good judgment, discretion and moderation when offering gifts, meals or entertainment or other business courtesies to LAUSD officials, so that they do not place LAUSD officials in conflict with any specific gift restrictions:
- (1) No Contractor or their Representative shall offer, give, or promise to offer or give, directly or indirectly, any money, gift or gratuity to any LAUSD procurement official at any time.
 - (2) No Contractor or their Representative shall offer or give, directly or indirectly, any gifts in a calendar year to an LAUSD Official which exceed LAUSD's allowable gift limit.

Example of Respecting Gift Limits

- (3) It's the holidays and Sue Tienda, a Contractor, wants to take a few LAUSD officials out to lunch and to provide them with gift baskets as a token of thanks for the work they have done together.

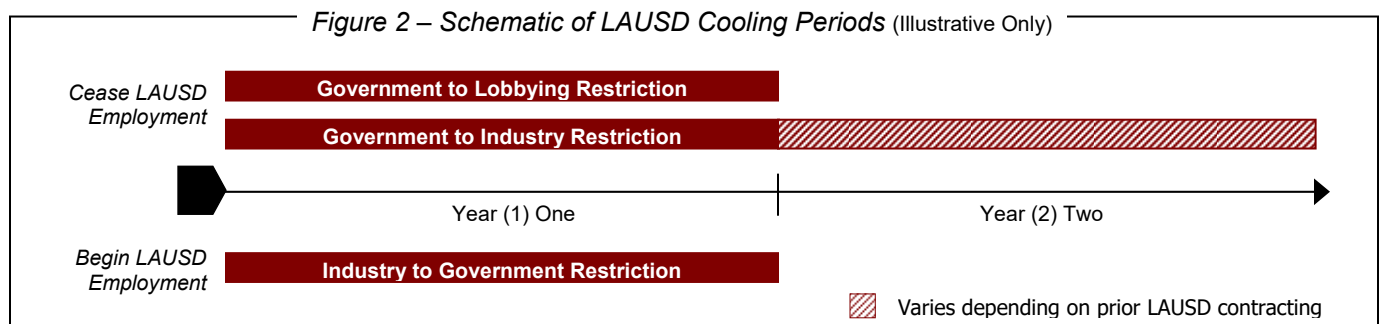

Assuming Sue is not attempting to take out any procurement officials (since they observe a zero tolerance policy on gifts), Sue needs to respect the Board-established gift limit for LAUSD officials. Sue should also be aware that giving a gift totaling over \$50 in a year to LAUSD officials will create a reporting responsibility for the officials, if

they are designated Form 700 Statement of Economic Interest filers. Additionally, if there is a procurement underway involving Sue or her firm, she should not give gifts to the LAUSD officials who are part of the evaluation process until the contract is awarded. Finally, Sue may also want to keep in mind that a nice personalized thank-you note can pack quite a punch!

Anyone doing business with LAUSD shall be charged with full knowledge that LAUSD's contracting decisions are made based on quality, service, and value. LAUSD does not seek any improper influence through gifts or courtesies.

- F. **Observe Cooling Periods** – Contractors and their Representatives shall observe and maintain the integrity of LAUSD's Cooling Periods. A "Cooling Period" is a mechanism used by public agencies and private organizations across the country to ensure that no unfair competitive advantage is extended due to the hiring of current or former employees. Allowing for some time to pass before a former official works on matters related to their prior agency or a new official works on matters related to their prior employer helps to mitigate concerns about the appearance of a "revolving door" where public offices are sometimes seen to be used for personal or private gain.

Contractors shall certify that they are upholding LAUSD's revolving door provisions as part of the contracting process. In their certification, Contractors shall detail the internal firewalls that have been put in place to preserve LAUSD's cooling periods. As with other public agencies, LAUSD observes three key types of cooling periods for safeguarding the critical transitions between public service and private industry:

- (1) **Government to Lobbying Restriction (One-Year Cooling Period)** – LAUSD will not contract with any entity that compensates a former LAUSD official who lobbies LAUSD before a one (1) year period has elapsed from that official's last date of employment

Example of Lobbying Restriction

Ace Impact Group wants to hire Joe Knowsfolks, a former LAUSD official, to help the company cultivate new business opportunities with LAUSD and arrange meetings with key LAUSD officials.

To avoid the possibility of unfair advantage or improper influence, Ace Impact Group is prohibited from utilizing Joe to contact anyone at LAUSD on their behalf until at least one year has passed from Joe's last date of employment. Joe may help Ace lobby other public entities, but Joe cannot communicate with anyone at LAUSD, either in person or in writing, on behalf of his new company.

- (2) **Government to Industry Restriction**

- (a) **Insider Advantage Restriction (One-Year Cooling Period)** – LAUSD will not contract with any entity that compensates any current or former LAUSD official to work on a matter with LAUSD, if that official, within the preceding 12 months, held a LAUSD position in which they personally and substantially participated in that matter.

Example of Insider Advantage Restriction

Risky Business is a small boutique firm that helps public agencies, including LAUSD, develop strategies for managing and overcoming their unfunded liability. Risky Business wants to extend an offer of employment to Nooriya, a LAUSD official, whose previous responsibilities included advising LAUSD's Board and management on the issue of the district's unfunded liability.

As part of its certification, Risky Business needs to identify what safeguards it will have in place to ensure that Nooriya's work for them does not include matters relating to her prior LAUSD responsibilities for at least one year from when she left her LAUSD job. Given that "matters" include broad policy decisions, the general rule of thumb for avoiding any insider advantage is to have former LAUSD officials steer clear of LAUSD work for a year.

- (b) **Contract Benefit Restriction (Two-Year Cooling Period)** – LAUSD will not contract with any entity that employs any current or former LAUSD official who within the preceding two (2) years, substantially participated in the development of the contract's RFP requirements, specifications or any part of the contract's procurement process, if the official will perform any services for the Contractor relating to LAUSD on that contract.

Example of Contracting Benefit Restriction

Technology Advances has just won a big contract with LAUSD and is looking for talent to help support the company's growing work load. The firm wishes to hire some LAUSD employees: Aisha, a LAUSD technology official, her deputy Raj who was the individual who oversaw LAUSD's contracting process with Technology Advances, and Linda, an engineer who was on the evaluation committee that selected Technology Advances.

If Technology Advances hires any of these individuals, none may perform any work for the firm relating to this LAUSD work until two years have elapsed from the date that the contract was fully executed. This case is a good example of how the cooling period seeks to ensure that there is no benefit resulting from a public official's awarding of a contract. All of the LAUSD employees in this example would be considered to have substantially participated in the contract – Raj due to his direct work, Linda due to her role evaluating the bid proposals, and Aisha due to the fact that supervising both employees is a part of her official responsibility. Technology Advances should consider the implications before hiring individuals involved with their LAUSD contracting process.

- (3) **Industry to Government Restriction (One-Year Cooling Period)** – In accordance with California law, Contractors and/or their Representatives who act in the capacity of LAUSD officials shall be disqualified from making any governmental decisions relating to a personal financial interest until a 12-month period has elapsed from the time the interest has been disposed or severed.

Example of Industry to Government Restriction

Sergei Konsultantov is an outside contractor that has been hired to manage a major reorganization project for LAUSD. Sergei is on the Board of Directors for several companies who do business with LAUSD.

Sergei must not participate in any governmental decisions for LAUSD relating to any private organization for whom he has served as an employee, officer, or director, even in an unpaid capacity, if less than 12 months has passed since he held such a status. Sergei should contact the Ethics Office before starting his work to put a formal disqualification into effect and to seek out any other ethical safeguards he should have in place.

- (4) In rare and unusual circumstances, LAUSD's General Superintendent or his/her designee upon a showing of good cause may waive the Insider Advantage Restriction in writing with notification to the Board of Education, prior to approving a contract or its amendment.

- G. **Safeguard Prospective Employment Discussions** – Contractors and their Representatives shall safeguard any prospective employment discussions with current LAUSD officials, especially when the official is one who may participate "personally and substantially" in a matter relating to the Contractor.

Example of Safeguarding an Employment Offer

- (1) Audit Everything, a firm that does work for LAUSD, has been really impressed by Thora Revue, an audit manager that oversees some of their audits. Audit Everything is interested in having Thora work for their firm.

Before Audit Everything begins any prospective discussions with Thora, they should let her supervisor know of their interest and ask what safeguards need to be put in place. For example, if Thora does not outright reject the idea and is instead interested in entertaining the offer, she and her manager will have to work with the Ethics Office to put into effect a disqualification from any further involvement relating to the Contractor before any actual employment discussions are allowed to proceed. Any Contractor who engages in employment discussions with LAUSD officials before a disqualification has been completed is subject to the penalties outlined in this Code.

- H. **Conduct Political Activities Privately** – Contractors and their Representatives shall only engage in political support and activities in their own personal and voluntary capacity, on their own time, and with their own resources.
- I. **Make Philanthropy Voluntary** – Contractors and their Representatives shall only engage in philanthropic activities relating to LAUSD on their own time and with their own resources. LAUSD views philanthropic support as a strictly voluntary opportunity for Contractors to demonstrate social responsibility and good citizenship. No expressions of support should be construed to have a bearing on current or future contracts with LAUSD. And no current or potential contracting relationship with LAUSD to provide goods or services is contingent upon any philanthropic support from

Contractors and their Representatives, unless otherwise designated as part of a bid or proposal requirement in an open, competitive contracting process to solicit a specific type of support.

- (1) Guidelines for Making a Gift to a Public Agency – Contractors who wish to provide philanthropic support to LAUSD shall abide by the ethical and procedural policies and requirements established by LAUSD which build upon the “Gifts to an Agency” requirements established in California’s Code of Regulations Section 18944.2. For outside entities to make a gift or payment to LAUSD in a manner that maintains public integrity, the following minimum requirements must be met:
 - (a) LAUSD must receive and control the payment;
 - (b) LAUSD must use the payment for official agency business;
 - (c) LAUSD, in its sole discretion, must determine the specific official or officials who shall use the payment. The donor may identify a specific purpose for the agency’s use of the payment, so long as the donor does not designate the specific official or officials who may use the payment; and
 - (d) LAUSD must have the payment memorialized in a written public record which embodies the requirements of the above provisions and which:
 - Identifies the donor and the official, officials, or class of officials receiving or using the payment;
 - Describes the official agency use and the nature and amount of the payment;
 - Is filed with the agency official who maintains the records of the agency’s Statements of Economic Interests (i.e. the Ethics Office); and
 - Is filed as soon as possible, but no later than 30 days of receipt of the payment by LAUSD.

5. Disclosure Obligations

LAUSD expects Contractors and their Representatives to satisfy the following public disclosure obligations:

- A. *Identify Current and Former LAUSD Officials* – To ensure against conflict or improper influence resulting from employment of current or former LAUSD employees, Contractors and their Representatives shall disclose any of their employees, subcontractors or consultants who within the last three years have been or are employees of LAUSD. The disclosure will be in accordance with LAUSD guidelines and will include at a minimum the name of the former LAUSD employee(s), a list of the LAUSD positions the person held in the last three years, and the dates the person held those positions. Public agencies that provide contract services are not subject to this requirement.
 - (1) In rare and unusual circumstances, LAUSD’s General Superintendent or his/her designee upon a showing of good cause may waive this disclosure requirement in writing with notification to the Board of Education, *prior* to approving a contract or its amendment.
- B. *Be Transparent about Lobbying* – Contractors and their Representatives shall abide by LAUSD’s *Lobbying Disclosure Code* and register and fulfill the associated requirements, if they meet the trigger(s). LAUSD’s lobbying policy seeks to enhance public trust and confidence in the integrity of LAUSD’s decision-making process by providing transparency via a public record of the lobbying activities conducted by individuals and organizations. A “lobbying activity” is defined as any action taken with the principal purpose of supporting, promoting, influencing, modifying, opposing, delaying or advancing any rule, resolution, policy, program, contract, award, decision, or other proposal under consideration by LAUSD officials.

For further information on LAUSD’s lobbying policy, Contractors and their Representatives shall review the resource materials available on the Ethics Office website (www.lausd.net/ethics). Failure to comply with LAUSD’s Lobbying Disclosure Code can result in fines and sanctions including debarment from contracting with LAUSD.

- C. *Fulfill the State-Mandated Statement of Economic Interests (“Form 700”) Filing Requirement* – Contractors and their Representatives shall abide by the financial disclosure requirements of California’s Political Reform Act (Gov. Code Section 81000-91015). Under the Act, individual Contractors and their Representatives may be required to disclose economic interests that could be foreseeably affected by the exercise of their public duties in a disclosure filing called the Statement of Economic Interests or Form 700. A Form 700 serves as a tool for aiding public officials at all levels of government to ensure that they do not make or participate in making, any governmental decisions in which they have an interest.
 - (1) Applicability – Under the law, individual Contractors and their Representatives are considered public officials and need to file a Form 700 as “consultants”, if the services they are contracted to provide fit the triggers identified by the Political Reform Act. Meeting either of the test triggers below requires a Contractor’s Representative(s) to file a Form 700:
 - (a) Individual Makes Governmental Decisions – Filing is required if an individual is involved in activities or decision-making such as: obligating LAUSD to any course of action; authorizing LAUSD to enter into, modify, or renew a contract; granting approval for contracts, plans, designs, reports, studies or other items; adopting

or granting approval on policies, standards or guidelines for any subdivision of LAUSD; or negotiating on behalf of LAUSD without significant intervening review.

- (b) Individual Participates in the Making of Governmental Decisions for LAUSD and Serves in Staff-like Capacity – Filing is also required if an individual is performing duties for LAUSD on a continuous or ongoing basis extending beyond one year such as: advising or making recommendations to LAUSD decision makers without significant intervening review; conducting research or an investigation; preparing a report or analysis which requires the individual to exercise their judgment; or performing duties similar to an LAUSD staff position that is already designated as a filer position in *LAUSD's Conflict of Interest Code*.
- (2) Filing Timelines – Individuals who are legally required to complete a Statement of Economic Interests form must submit a filing:
 - (a) upon commencement of work with LAUSD,
 - (b) on an ongoing basis thereafter in accordance with the April 1st annual deadline, and
 - (c) upon termination of work with LAUSD.
- (3) Process – Contractors and their Representatives shall coordinate with their LAUSD Contract Sponsor(s) to ensure that they meet this state mandate in the manner required by law. Form 700s must be received by the LAUSD Ethics Office to be considered properly filed in accordance with the Political Reform Act.
- (4) Disqualifications – Individuals who must file financial disclosure statements are subject to the requirements of the Political Reform Act as is the case with any other “public official” including disqualification when they encounter decision-making that could affect their financial interests. Contractors and their Representatives shall be responsible for ensuring that they take the appropriate actions necessary, so as not to violate any aspect of the Act.

Examples of Form 700 Filers and Non-Filers

- (5) Maria Ley is an attorney for the firm of Legal Eagles which serves as outside counsel to LAUSD. In her capacity as outside counsel, Maria provides ongoing legal services for LAUSD and as such participates in the making of governmental decisions. Maria's role involves her in advising or making recommendations to government decision-makers and also gives her the opportunity to impact decisions that could foreseeably affect her own financial interests.

Maria would be considered a consultant under the Political Reform Act and would need to file a Form 700.

- (6) The Research Institute has been hired by LAUSD to do a major three-year policy study which will help LAUSD decide the shape and scope of a major after-school tutoring initiative, including the total funding that should be allocated. As part of the Institute's work, their researchers will help LAUSD design and decide on some additional contracts for supplemental survey research. The Institute knows that all the principal researchers on their team will have to be Form 700 filers because their work is ongoing and will influence LAUSD's governmental decision. However, the Institute is unsure of whether their trusty secretary, Bea Addman, would have to be a filer.

Bea does not need to file. Even though she will be housed at LAUSD for the three years and act in a staff-like capacity, she will provide clerical support primarily and will not participate in making any governmental decisions.

- (7) Bob Builder works for a construction company that will be supporting LAUSD's school-building initiative on a continuous basis. Bob will direct activities concerning the planning and construction of various schools facilities, coordinate land acquisition, supervise teams, set policies, and also prepare various budgets for LAUSD.

Bob meets the trigger defined under the law because as part of the services he will provide, he has the authority to affect financial interests and commit LAUSD to government actions at his discretion. Additionally, in his role, he will be performing essentially the same tasks as an LAUSD Facilities Project Manager which is a position that is already designated in LAUSD's Conflict of Interest Code. Therefore, Bob is required to file a Form 700.

LOBBYING PROHIBITIONS

V. *Engaging in any lobbying activities without the appropriate disclosure, if the registration trigger has been met*

W. *Lobbying on behalf of LAUSD, if a Contractor or its Representatives is lobbying LAUSD officials.*

- (1) Any person or entity who receives compensation to lobby on behalf of or otherwise represent LAUSD, pursuant to a contract or sub-contract, shall be prohibited from also lobbying LAUSD on behalf of any other person or entity for compensation as this would be considered a conflict of interest.

7. Issues Resolution

Early identification and resolution of contracting or other ethical issues that may arise are critical to building public trust. Whenever possible, it is advisable to initiate the issue resolution process proactively, either with the designated contracting contact if the issue arises during the contracting process, or with the Contract Sponsor in the case of an active contract that is being carried out. It is always appropriate to seek out the Procurement Services Group or the Facilities Contracts Branch to resolve an issue, if another alternative is not possible. Formal disputes regarding bid solicitations or contract awards should be raised and addressed in accordance with LAUSD policy where such matters will be given full, impartial, and timely consideration.

8. Enforcement Provisions

While Contractors and their Representatives are expected to self-monitor their compliance with this Contractor Code of Conduct, the provisions of this Code are enforceable by LAUSD. Enforcement measures can be taken by LAUSD's Procurement Services Group or Facilities Contracts Branch in consultation with the Contract Sponsor, the Ethics Office, the Office of the General Counsel, and the Office of the Inspector General. The Office of the Inspector General may also refer matters to the appropriate authorities for further action.

- A. *Report Violations* – Good faith reporting of suspected violations of the Contractor Code of Conduct is encouraged. Reports of possible violations should be made to the Office of the Inspector General where such reports will be investigated and handled with the level of confidentiality that is merited and permitted by law. No adverse consequences will result to anyone as a result of making a good faith report.
- B. *Cooperate on Audits and Investigations* – Contractors and their Representatives shall cooperate with any necessary audits or investigations by LAUSD relating to conduct identified in this Code. Such audits and investigations may be conducted when LAUSD has reason to believe that a violation of this Code has occurred. Once an audit or investigation is complete, LAUSD may contact a Contractor or their Representatives to establish remedies and/or sanctions.

Failure to remedy the situation in the timely manner prescribed by LAUSD can result in additional sanctions. *Records of violations or any other non-compliance are a matter of public record.*

Any debarment proceeding will follow due process in accordance with the procedures described in LAUSD's Debarment Policy.

9. Future Code Updates

To ensure that LAUSD maintain our effectiveness in promoting integrity in our contracting processes and our use of public tax dollars, LAUSD reserves the right to amend and modify this Contractor Code of Conduct at its discretion. LAUSD's Ethics Office will post the latest version of the Code on its website. Interested parties with ideas on how LAUSD can strengthen our Code to improve public trust in the integrity of LAUSD's decision-making can contact LAUSD's Ethics Office in writing to share their comments. Such comments will be evaluated for future code updates.

LAUSD is not responsible for notifying a Contractor or their Representatives of any changes to this Code. It is the responsibility of a Contractor to keep itself and its Representatives apprised of any changes made to this Code. LAUSD is not responsible for any damages that may occur as a result of a Contractor's failure to fulfill its responsibilities of staying current on this Code.

10. Severability

If one part or provision of this Contractor Code of Conduct, or its application to any person or organization, is found to be invalid by any court, the remainder of this Code and its application to other persons or organizations, which has not been found invalid, shall not be affected by such invalidity, and to that extent the provisions of this Code are declared to be severable.

SCHEDULE E**DATA USE AGREEMENT****BETWEEN****THE LOS ANGELES UNIFIED SCHOOL DISTRICT****AND****[CONTRACTOR NAME]****FOR****THE DISCLOSURE OF EDUCATION RECORDS****1. PARTIES**

1.1 The Los Angeles Unified School District (“District”) is a public school district organized and existing under and pursuant to the constitution and laws of the State of California and with a primary business address at 333 S. Beaudry Avenue, Los Angeles, California 90017.

1.2 **[CONTRACTOR NAME]** (“Contractor”) provides **[CONTRACTOR TO INSERT BRIEF DESCRIPTION]** with a primary place of business at **[ADDRESS]**.

2. PURPOSE

2.1 The purpose of this Data Use Agreement (“Agreement”) is to allow for the District to provide Contractor with personally identifiable information (“PII”) from student education records (“student data”) without consent so that the Contractor may perform the following institutional service or function for which the District would otherwise use employees:

[CONTRACTOR TO INSERT DETAILED DESCRIPTION]

2.2 This Agreement is meant to ensure that Contractor adheres to the requirements concerning the use of student information protected under the Family Educational Rights and Privacy Act (“FERPA”), [20 U.S.C. §1232g](#), [34 Code of Federal Regulations Part 99](#), and California Education Code [sections 49060-49085](#) and the confidentiality requirements related to “education records” under FERPA, “PII” under 34 CFR 99, and “covered information” under SB 1177 Student Online Personal Information Protection Act ([SOPIPA](#)) (referred to collectively as “PROTECTED INFORMATION”). Protected Information is information that is protected by specific laws. For example, student records, student and employee health records, and social security numbers, are each covered by specific privacy laws and rules. See Attachment B - *LAUSD FERPA Policy*, Attachment C - *LAUSD HIPAA Policy Regarding Student Information*, and Attachment D *LAUSD Employee Record Policy* for more information about these types of protected information. This Agreement applies to all interactions between Contractor and District schools.

2.3 [34 C.F.R. §99.30](#) and Education Code [§49076\(a\)](#) require the consent of the education rights holder prior to the release of PII from the education record of a student. An exception to the consent requirement is provided for in [34 CFR §99.31\(a\)\(1\)\(i\)](#) and Education Code [§49076\(a\)\(2\)\(G\)\(i\)](#) for contractors “performing institutional services or functions otherwise performed by school employees.” These contractors are considered “school officials” under FERPA and the California Education Code.

SCHEDULE E

2.4 Under this Agreement, the District considers Contractor to be a school official with legitimate educational interests performing an institutional service or function for which the District would otherwise use employees within the meaning of [34 C.F.R. §99.31\(a\)\(1\)\(i\)](#) and Education Code [§49076\(a\)\(2\)\(G\)\(i\)](#) and this allows the District to disclose PII from education records of students without the consent required by [34 C.F.R. § 99.30](#) and Education Code [§49076\(a\)](#).

2.5 This Agreement does not necessarily describe the complete nature of all interactions between the Contractor and the District. Rather, this Agreement pertains to the disclosure of personally identifiable information from education records only. It is likely that the Contractor has some other form of written agreement with the District (possibly including, but not limited to a separate contract or MOU, a license agreement, a subscription agreement, etc.). However, in so far as it pertains to the subject matter of this Agreement, this Agreement takes precedence over any inconsistencies with any other agreements.

3. PROCESS FOR DATA TRANSFER

The District may provide data through Clever, Inc., (Clever), Global Grid for Learning (Global) or an internal secure district process under which the vendor receives electronic data from the District containing student-, teacher-, and other information. By using Clever or Global they will provide the data to various District vendors, such as Contractor, alleviating work on the District's part, which formerly required the creating of separate record layouts for each vendor. By entering into this Agreement, the District authorizes Clever, Global or the District itself to send data to Contractor in accordance with the District's approved Contract.

4. DISTRICT DUTIES

4.1 The District will provide student data in compliance with the Family Educational Rights and Privacy Act ("FERPA"), [20 U.S.C. section 1232g and 34 C.F.R. 99](#), and California Education Code [sections 49060-49085](#).

4.2 The District will provide the following student data to the Contractor:

[CONTRACTOR TO INSERT LIST OF EACH DATA ELEMENT BEING REQUESTED. LIST MUST ONLY INCLUDE THOSE ELEMENTS NEEDED TO PERFORM DUTIES OUTLINED IN SERVICES AGREEMENT OR CONTRACT WITH THE DISTRICT]

5. CONTRACTOR DUTIES

5.1 The Contractor will perform the following duties in regard to any student data it obtains:

- 5.1.1 Not disclose the information to any other party without the consent of the parent or eligible student;
- 5.1.2 Use the data for no purpose other than the work stated in this Agreement;
- 5.1.3 Allow the District access to any relevant records for purposes of completing authorized audits;
- 5.1.4 Require all employees, contractors and agents of any kind to comply with all applicable provisions of FERPA and other federal and California laws with respect to the

SCHEDULE E

data shared under this Agreement, as evidenced by each employee, contractor, or agent of any kind who will receive pupil record information completing Attachment A, Student Record Confidentiality and Re-Disclosure Agreement, attached hereto and incorporated by reference herein;

- 5.1.5 Designate in writing a single authorized representative able to request data under this Agreement. The authorized representative shall be responsible for transmitting all data requests and maintaining a log or other record of all data requested and received pursuant to this Agreement, including confirmation of the completion of any projects and the return or destruction of data as required by this Agreement. District or its agents may, upon request, review the records required to be kept under this section;
- 5.1.6 Maintain all data obtained pursuant to this Agreement in a secure computer environment and not copy, reproduce or transmit data obtained pursuant to this Agreement except as necessary to fulfill the purpose of this Agreement. All copies of data of any type, including any modifications or additions to data from any source that contains information regarding students, are subject to the provisions of this Agreement in the same manner as the original data. The ability to access or maintain data under this Agreement shall not under any circumstances transfer from Contractor to any other institution or entity;
- 5.1.7 Destroy or return all personally identifiable information obtained under this Agreement when it is no longer needed for the purpose for which it was obtained no later than 60 days after it is no longer needed. In the event Contractor destroys the PII, Contractor shall provide the District with certification of such destruction. Failure to return or destroy the PII will preclude Contractor from accessing personally identifiable student information for at least five years as provided for in [34 C.F.R. section 99.31\(a\)\(6\)\(iv\)](#).

5.2 Contractor shall comply with the requirements of District policy as follows:

- 5.2.1 Contractor shall not (i) knowingly engage in targeted advertising on the Contractor's site, service or application to District students or their parents or legal guardians; (ii) use PII to amass a profile about a District student; (iii) sell information, including PII; or (iv) disclose PII without the District's written permission.
- 5.2.2 Contractor will store and process District Data in accordance with commercial best practices, including appropriate administrative, physical, and technical safeguards, to secure such data from unauthorized access, disclosure, alteration, and use. Such measures will be no less protective than those used to secure Contractor's own data of a similar type, and in no event less than reasonable in view of the type and nature of the data involved. Without limiting the foregoing, Contractor warrants that all electronic District Data will be encrypted in transmission using SSL [(Secure Sockets Layer)] [or insert other encrypting mechanism] (including via web interface) [and stored at no less than 128-bit level encryption]. "Encryption" means a technology or methodology that utilizes an algorithmic process to transform data into a form in which there is a low probability of assigning meaning without use of

SCHEDULE E

a confidential process or key, and such confidential process or key that might enable decryption has not been breached, and shall have the meaning given to such term under HIPAA and HIPAA Regulations, including [45 CFR §164.304](#).

- 5.2.3 Contractor shall delete a student's covered information upon request of the District.
- 5.2.4 District Data will not be stored outside the United States without prior written consent from the District.
- 5.2.5 The pupil records continue to be the property of and under the control of the District;
- 5.2.6 Contractor will not use any information in the pupil record for any purpose other than those required or specifically permitted by this Agreement.
- 5.2.7 Contractor certifies that it will not retain the pupil records upon completion of the services. Contractor will take the following actions to enforce this certification:
[CONTRACTOR TO INSERT DESCRIPTION]
- 5.2.8 Contractor shall not use personally identifiable information in pupil records to engage in targeted advertising.

5.3 Contractor shall comply with the District's information security specifications prior to receiving any electronic transfers of pupil record information from any District-approved third party contractor, such as Clever or EduTone. District may require Contractor to provide documentation of compliance prior to any transmittal.

5.4 The following shall be considered a part of and required under this Agreement:

- **The District's Contractor Code of Conduct**

5.5 Additional Contractor Duties Pertaining to Protected Information

- 5.5.1 In addition to any Contractor obligations stated elsewhere in this Agreement, Contractor shall notify the District in writing as soon as possible, but in no event more than two (2) business days, after Contractor becomes aware of any breach of or security Incident involving the District's **PROTECTED INFORMATION** (see Section 2.2). Contractor shall be deemed to be aware of any breach or security incident as of the first day on which such breach or security incident is known or reasonably should have been known to its officers, employees, agents or subcontractors. Contractor shall identify as soon as practicable each individual whose unsecured **PROTECTED INFORMATION** has been, or is reasonably believed by Contractor to have been, accessed, acquired, or disclosed during such breach or security incident. Contractor shall cooperate in good faith with the District in the investigation of any breach or security incident.

SCHEDULE E

- 5.5.3 Contractor will provide written notice to the District as soon as possible but no later than twenty (20) calendar days after discovery of the breach or security incident of the actions taken by Contractor to mitigate any harmful effect of such breach or security incident and the corrective action Contractor has taken or shall take to prevent future similar breaches or security incidents. Upon the District's request, Contractor will also provide to the District a copy of Contractor's policies and procedures that pertain to the breach or security incident involving the District's **PROTECTED INFORMATION**, including procedures for curing any material breach of this Agreement.
- 5.5.4 Contractor shall make reasonable efforts to trace lost or translate indecipherable transmissions. Contractor shall bear all costs associated with the recreation of incomplete, lost or indecipherable transmissions if such loss is the result of an act or omission of Contractor.
- 5.5.5 Contractor shall take appropriate security measures to protect the confidentiality, integrity and availability of the District's **PROTECTED INFORMATION** that it creates receives, maintains, or transmits on behalf of the District and to prevent any use or disclosure of the District's **INFORMATION** other than as provided by the Agreement. Appropriate security measures include the implementation of the best practices as specified by the [ISO 27001/2](#), [NIST](#), or similar security industry guidelines.
- 5.5.6 Contractor acknowledges and agrees that pupil record information protected by the Family Educational Rights and Privacy Act (FERPA, 20 U.S.C. Section 1232g) may only be used in accordance with the terms and conditions of this Agreement and may not be re-released or otherwise redisclosed without the consent of parent(s)/guardian(s) or eligible pupil(s). Contractor understands and agrees that Contractor shall not permit any other party to have access to such information without the written consent of each pupil's parent/guardian or eligible pupil as well as prior notice to the District. Contractor further acknowledges and agrees that failure to comply with this requirement shall constitute a breach of this Agreement and will result in available penalties under the law, including but not limited to liquidated damages, third party beneficiary rights for parties injured by the breach, and/or the prohibition against Contractor having access to personally identifiable information from education records from the District for a period of time determined in the sole discretion of the District.

6. AUTHORIZATION FOR TRANSFER OF DATA.

- 6.1 The District hereby authorizes Contractor to receive the student data listed in Section 4.2.

SCHEDULE E

6.2 Contractor agrees that District makes no warranty concerning the accuracy of the student data provided.

7. TERM

7.1 This Agreement shall be effective on the date the last party signs and shall be for a three-year (36 months) term to match any Contractor interactions with the District under which the Contractor receives student data.

3.2. **Restrictions on Receiving Party.**

In addition, any third party receiving Student Record Information from Recipient must agree in writing to all of the terms contained in this Agreement, and may only use Student Record Information for the performance of that third party's Project-related responsibilities.

3.3 **Exceptions.** Subject to this Agreement, recipient may disclose Student Record Information to third parties if, and only to the extent that, disclosure of the Student Record

Information is otherwise permissible under applicable law or under any District privacy policy then in effect.

3.4. **Access Log and Record Files.**

Recipient will maintain an access log that records all disclosures of (or access to) Student Record Information. Entries in the access log will identify the person(s) receiving access, the reason access was granted, the date, time and circumstances of disclosure, and all Student Record Information provided. The access log will be made available to the District promptly upon request.

4. Pre-Publication Review. Upon notice, District may request and Researcher agrees to timely provide, prior to publication or re-publication, access to any report, memorandum, article, thesis or any other writing that includes Student Record Information provided under this Agreement and links District to any outcome or enables District to be linked to any outcome. District reserves the right to withdraw consent to the publication of any such writing if the District determines that the privacy rights of its students are jeopardized or such writing contains statements that the District considers unacceptable for publication due to, but not limited to, sampling error, flaws in analysis, or misrepresentation of findings.

5. Destruction of Information. Immediately upon completion of the Project, Recipient will destroy all Student Record Information that Recipient obtained or learned in connection with the Project. Upon the District's request, Recipient will promptly certify in writing that this destruction has occurred.

6. Required Disclosure. In the event that Recipient is requested or required by subpoena or other court order to disclose any Student Record Information, Recipient will provide immediate notice of the request to the District and will use reasonable efforts to resist disclosure until an appropriate protective order may be sought, or a waiver of compliance with the provisions of this Agreement granted. If, in

the absence of a protective order or the receipt of a written waiver hereunder, Recipient is nonetheless, in the written opinion of its counsel, legally required to disclose Student Record Information, then Recipient may disclose that Student Record Information without liability hereunder, provided that the District has been given a reasonable opportunity to review the text of the disclosure before it is made and that the disclosure is limited to only Student Record Information specifically required to be disclosed.

7. No License. No licenses or other rights under patent, copyright, trademark, trade secret or other intellectual property laws are granted or implied by this Agreement. The District is not and will not be obligated under this Agreement to purchase from or provide to Recipient any information, service, or product.

8. Disclaimer. The Student Record Information is provided AS IS and without warranty of any kind, whether expressed or implied, including, without limitation, implied warranties of merchantability, fitness for a particular purpose or title. The District shall not have any liability or responsibility for errors or omissions in, or any decisions made by Recipient in reliance upon, any Student Record Information.

9. Remedies.

9.1. **Injunctive Relief.** The parties agree that Student Record Information is of a special character, such that money damages would not be sufficient to avoid or compensate the District, its employees, agents and students for any unauthorized use or disclosure thereof, and that injunctive and other equitable relief would be appropriate to prevent any actual or threatened unauthorized use or disclosure. This remedy may be pursued in addition to any other remedies available at law or in equity, and Recipient agrees to waive any requirement for the securing or posting of

any bond. In the event of litigation to enforce any provision hereof, the prevailing party will be entitled to recover all costs, including its reasonable attorneys fees and costs, incurred in connection with the litigation.

9.2. Five-Year Bar. If the District determines, or is made aware of a determination by any other governmental agency, that Recipient has disclosed any Student Record Information in violation of this Agreement, or has maintained any Student Record Information in violation of this Agreement, then without prejudice to any other rights or remedies the District may have, the District shall be entitled to prohibit Recipient from accessing any Student Record Information for a period of five (5) years or more, as determined by the District in its sole discretion.

10. Indemnification. Recipient agrees to indemnify and hold harmless the District, its employees, agents, subcontractors, affiliates, officers and directors from, and defend the District against, any liability or expenses (including reasonable attorneys' fees and costs) arising out of or relating to: (a) any unauthorized or unlawful disclosure of Student Record Information by Recipient; or (b) any breach of this Agreement by Recipient.

11. Required Notice. Recipient shall notify the District immediately upon discovery of any unauthorized use or disclosure of Student Record Information, and will cooperate with the District in every reasonable way to assist the District in regaining possession of the Student Record Information, mitigating the consequences of its disclosure, and preventing its further unauthorized use.

12. Governing Law; Venue. California law will govern the interpretation of this Agreement, without reference to rules regarding conflicts of law. Any dispute arising out of this Agreement

will be submitted to a state or federal court sitting in Los Angeles, California, which will have the exclusive jurisdiction regarding the dispute and to whose jurisdiction the parties irrevocably submit.

13. Notices. All notices required or permitted to be given hereunder shall be in writing and shall be deemed given when delivered by hand, sent by courier or other express mail service, postage prepaid, or transmitted by facsimile, addressed to a party at the address set out by its signature below.

14. Waiver. No waiver of any term, provision or condition of this Agreement, whether by conduct or otherwise, in any one or more instances, will be deemed to be or be construed as a further or continuing waiver of any such term, provision or condition or as a waiver of any other term, provision or condition of this Agreement.

15. Severability. If any provision of this Agreement is determined by any court of competent jurisdiction to be invalid or unenforceable, such provision shall be interpreted to the maximum extent to which it is valid and enforceable, all as determined by such court in such action, and the remaining provisions of this Agreement will, nevertheless, continue in full force and effect without being impaired or invalidated in any way.

16. Entire Agreement. This Agreement constitutes the parties' entire agreement with respect to the subject matter hereof and supersedes any and all prior statements or agreements, both written and oral. This Agreement may not be amended except by a writing signed by the parties.

IN WITNESS WHEREOF the parties have caused this Agreement to be executed by their duly authorized representatives.

DATA USE AGREEMENT ATTACHMENT B:

THE LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY ON PROTECTION OF STUDENT RECORDS

State and federal laws strictly regulate the protection of students' educational record information. This policy describes the protections required by law. Violations of this policy could result in a lawsuit against the District and/or any employee that permits an improper disclosure.

This "Family Educational Rights and Privacy Act (FERPA)" policy must be followed any time there is a request for access to, or the possibility of the "disclosure" of, the contents of a student's educational records. As used in this policy, "disclosure" means to permit access to or the release or other communication of information contained in student records, by any means, including oral, written, or electronic. Please note that improperly disposing of student records can constitute a "disclosure" under the law. Use secure disposal methods, such as the shredding of paper records. In any case where there is a question about whether student record information should be disclosed, contact the Office of the General Counsel as soon as possible. In all cases, disclosure may occur only in accordance with the terms of this policy.

1. What kind of information is being requested?

Two general categories of student information must be protected by all District employees— "Confidential Student Information" and "Directory Information." The following general rules apply:

"Confidential Student Information"

"Confidential Student Information" includes any item of information, other than Directory Information, that is directly related to an identifiable District student and is maintained in the student's educational records or in any files maintained by a District employee. The format of the information does not matter—items recorded by handwriting, print, tapes, film, microfilm, on the hard disk, or any means, can all qualify as Confidential Student Information. The general rule is that Confidential Student Information may not be released without written consent from a parent or legal guardian. Exceptions to this rule are detailed below. In any event, Confidential Student Information may only be disclosed in accordance with this policy. If you have any questions about whether or not Confidential Student Information may be disclosed, contact the Office of the General Counsel before any disclosure is made.

"Directory Information"

"Directory information" means a student's name, address, telephone number, date and place of birth, dates of attendance, and most recent previous public or private school attended. Student email addresses, and class schedules are not considered Directory Information and generally may not be released without consent. Directory Information may not be disclosed to or accessed by private, profit-making entities other than the following: Parent Teacher Student Association; Elected Officials; Los Angeles County Departments of Health, Children and Family Services, Mental Health and Probation; United States Armed Forces (Military) Recruiting Agencies; Colleges, Universities or Other Institutions of Higher Education (including for-profit accredited institutions); the National Student Clearinghouse to track college attendance, Los Angeles County Departments Health Related Services (Department of Public Health and Department of Health Care Services), LAUSD School-based Health Care Providers, and the LA Trust for Children's Health. A student's parent or legal guardian (or, in some cases, a student if over 18 years old) may notify the District of any information they refuse to permit the District to designate as directory information about that student. This designation will remain in effect until the parent or legal guardian (or, in some cases, the student) modifies this designation in writing. When this notification has been made, written consent is required before disclosing the applicable Directory Information relating to that student. The procedure for obtaining consent is described below. Questions about releasing Directory Information should be directed to the Office of the General Counsel.

2. Is there an emergency requiring the disclosure of student information?

Any time an emergency creates an immediate danger to the health or safety of a student or other individual, consent is not required to disclose Confidential Student Information to persons in a position to deal with the emergency, as long as (1) the emergency has been verified by a teacher or other school official, and (2) knowledge of the Confidential Student Information is necessary. Disclosure should be limited to only that Confidential Student Information that is necessary under the circumstances.

3. Who is requesting access to student records?

A request for disclosure of Confidential Student Information will come from one of these four kinds of requesters: (1) the student or his or her parent; (2) a District employee; (3) a representative or agent of a state or federal government other than a District employee, such as representatives of departments of education, law enforcement agencies, and

state and federal courts; or, (4) a third party not within any of the first three categories. Each of these possible requesters is discussed below.

For purposes of this policy, a student's "parent" is his or her natural parent, adopted parent, or legal guardian. If a student's parents are divorced or legally separated, only the parents with custody have rights under this policy unless the student's file contains a written agreement signed by both parents indicating that either parent may access student records and give consent to disclosure.

Requests from Parents and Students

Confidential Student Information may be disclosed to students and parents as follows:

The parent of a currently enrolled or former student who is under the age of 18 may access Confidential Student Information concerning his or her student, as may the parent of any student over the age of 18 who is considered a "dependent." Any student who is 16 years of age or older, or who has completed the 10th grade, may access Confidential Student Information about himself or herself. Once a student reaches the age of 18 and is not considered to be a dependent of the parent, the student is thereafter the only person who is entitled to exercise rights related to, and grant consent for the disclosure of, his or her Confidential Student Information contained in those records.

Requests from District Employees and Representatives

Confidential Student Information may only be disclosed to District staff who will be using the information for internal District purposes in connection with their assigned duties and have a legitimate interest in the information. District representatives include teachers, school administrators, and District administrative personnel. In addition, Confidential Student Information may be disclosed without consent to any established member of a school attendance review board who has a legitimate educational interest in the requested information. Disclosure to any other District employee or representative for any other purpose (including for any use by persons or organizations outside the District) requires written consent from the student's parent or legal guardian.

Requests from Government Representatives

Any request for Confidential Student Information from an agency, official, or other representative of a state or federal government must be promptly referred to the Office of the General Counsel, which will respond to the request. Examples of this kind of request include a subpoena, summons or other demand by a court or administrative tribunal, a request from a probation officer conducting any kind of investigation, or a request made by a police officer, state or federal criminal investigator, or a truancy officer. Requests from District Police do not require referral to the Office of General Counsel.

Requests from Third Parties

The general rule is that Confidential Student Information cannot be released to third parties without written consent from a parent or legal guardian. There are, however, exceptions. Confidential student information may be disclosed without consent in response to a request from:

- Officials at private schools and in other school systems where a student intends or seeks to enroll;
- Agencies or organizations requesting information in connection with a student's application for, or receipt of, financial aid (but only as may be necessary to determine the student's eligibility for financial aid, the amount of the financial aid, the conditions that will be imposed in connection with the financial aid, or to enforce the conditions of the financial aid); and
- County elections officials, only for the purpose of identifying students who are eligible to vote and conducting programs offering students the opportunity to register to vote.

Among third parties with whom the District will share Confidential Student Information without consent are vendors who are either performing services normally performed by District employees or are conducting studies to improve instruction. In these cases the District will enter into a Data Use Agreement with such vendors. Examples of such Data Use Agreements are provided in Attachments A-3 and A-4. The District may provide aggregate and statistical data to third parties where such data is not personally identifiable to any individual student. Under FERPA, the definition of personally identifiable information includes "any set of facts that makes a student's identity easily discernable." Therefore, the demographic break down of the student population from which the data is extracted and the size of the pool of students used for such data analysis must be taken into consideration and care must be taken so that it is not easy to discern any individual student's identity. Further, no information that could be used to identify a student, such as student identification number, address, telephone number or social security number may be included.

For all other requests from third parties, consent must be obtained before Confidential Student Information may be disclosed. All questions about disclosing Confidential Student Information to a third party, or about the manner in which consent must be obtained, should be referred to the Office of General Counsel as quickly as possible after receipt of any request.

Requests from Military Recruiters

The No Child Left Behind Act requires secondary schools to provide students' names, addresses, and telephone listings to military recruiters and to institutions of higher education when they request that information. The District is required to provide this information unless the parent, guardian or, in some cases, the student, has made an election to refuse to allow disclosure of that information without prior written consent.

4. Has the proper written consent been obtained?

"Consent" under this policy means written consent, which must come either from a student's parent or an adult student, as applicable. Consent must be obtained on the District's standard form for consenting to the disclosure of Confidential Student Information, and all blanks on the form must be fully and accurately completed before

any information may be released. Any consent to disclose Confidential Student Information (which includes Directory Information for those students whose file includes a written request to withhold Directory Information) must specify the student records to be released, identify the party or class of parties to whom the records may be released, and be permanently kept within the student's cumulative file. A copy of the District's consent form is attached to this policy (Attachment A-1).

5. Has the disclosure been recorded in the student's access log?

Every student's file must contain a log or record (the "access log") that lists all persons, agencies, or organizations requesting or receiving information from the file and the reason(s) for the request. An access log may be inspected only by the student's parent (or the adult student, if applicable), the dependent adult student, and the student who is 16 years of age or older or who has completed the 10th grade. All other requests to inspect the access log must be referred to the Office of the General Counsel.

Access log entries must include:

- the name of the person(s) to whom information was disclosed (or, if no disclosure was made, from whom the request was received);
- the reason for disclosure;
- the time and circumstances of disclosure; and
- the particular records that were disclosed.

A sample access log is attached to this policy (Attachment A-2). The access log must identify each disclosure of Confidential Student Information, except that the access log need not list the following:

- Disclosures to parents, adult students, and students who have reached the age of 16 or have completed the 10th grade; Disclosures to District teachers requesting information about the students they are teaching;
- Disclosures to other District staff accessing information in connection with their assigned duties;
- Disclosures of Directory Information only; and
- Disclosures to anyone for whom written consent has been executed by the parent (or adult student, as applicable), as long as the written consent has been filed in the student's cumulative file.

6. Are there any other questions or concerns?

Any and all other questions and concerns about student record information and the disclosure of any student record information should be directed to the Office of the General Counsel, which can assist in all matters related to this policy and in complying with its terms.

DATA USE AGREEMENT ATTACHMENT C:

THE LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY ON PROTECTION OF HEALTH INFORMATION UNDER THE HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT [HIPAA] OF 1996 REGARDING STUDENT INFORMATION

State and federal laws strictly regulate the protection of an individual's health information. Violating these laws could subject a District employee to disciplinary action, up to and including dismissal, as well as result in a lawsuit against the District and/or the employee who is in violation.

This policy is intended to help District employees follow those laws whenever they receive access or use a student's health-related information, or receive a request for access to that information. A separate attachment will be prepared regarding other types of health-related information. If you have any questions after reading this policy about whether a student's health information may be used or disclosed, you should contact the Office of the General Counsel immediately. Please note that improperly disposing of Personnel Records or Employee Information can constitute a "disclosure" under the law. Use secure disposal methods, such as the shredding of paper records.

1. What is HIPAA?

The Federal Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), established, for the first time, a set of national standards for the protection of an individual's health information. The federal government then published a set of regulations known as the HIPAA Privacy Rule that set forth how an individual's protected health information could be used and disclosed, and the ways in which individuals could control access to their health information. Please note that the HIPAA Privacy Rule does not apply to information contained in an employee's employment record. That information is protected under other federal and state laws.

2. Why does HIPAA apply to the District?

The District, through certain of its divisions, affiliates, employees, and independent contractors, receives and retains records of health care services provided to students. The District also provides medical services to students. Under certain circumstances, a student's health information becomes part of the student's file. Thus, the District and its employees have access to student health information that is protected under HIPAA. Therefore, the District and its employees must comply with all relevant provisions of the HIPAA Privacy Rule.

3. What is a student's protected health information?

A student's protected health information ("PHI") is any information that both (a) identifies the student, including demographic information such as name, address, age, sex, social security number and date of birth, and (b) relates to the student's past, present or future physical or mental health or condition, or to the student's receipt of, or payment for, medical treatment or health care services. PHI does not include non-health care information contained in a student's educational records. Information contained in a student's educational records is protected under other federal and state laws, and that information is separately covered under the District's Policy on Protection of Student Records ("FERPA Policy," Attachment A).

4. How must protected health information be kept confidential?

Protected health information must be kept confidential at all times and may only be used and disclosed in accordance with this policy. This means you cannot disclose PHI to any other person unless authorized by this policy. This includes disclosures made verbally in person or by telephone, and in writing by mail, fax or e-mail. This prohibition on uses and disclosures also means that you cannot repeat information you hear, make copies of information you receive, or share passwords or login information with others unless authorized by this policy. There are serious legal penalties for the unauthorized use or disclosure of PHI. **Do not take any chances. Contact the Office of the General Counsel whenever you have a question about this policy or the use or disclosure of protected health information.** Please note improperly disposing of Personnel Records or Employee Information can constitute a "disclosure" under the law. Use secure disposal methods, such as the shredding of paper records.

5. When may protected health information be disclosed?

A student's protected health information may be disclosed directly to the student upon request by the student if the student is at least 18 years old, the student is an emancipated minor, or the student is requesting protected health information from a medical treatment for which the student is legally allowed to consent. If the student is

under 18 years old, not emancipated or not legally allowed to consent to the medical treatment addressed in the protected health information, the student's PHI may be disclosed directly to the student's parent or legal guardian upon request from the parent or legal guardian, unless one of the following circumstances exists: (1) there is any suspicion or belief that the student has been or may be subjected to domestic violence, abuse, or neglect by the parent or legal guardian, (2) disclosing the student's PHI to the parent or legal guardian could endanger the student, or (3) the request relates to protected health information from a medical treatment that the student sought or obtained on a confidential basis. **If you are not sure whether to disclose a student's protected health information, please contact the Office of the General Counsel.**

A student's protected health information may be disclosed any time there is a serious and imminent threat to the health or safety of a student or other individual as long as (a) the threat has been verified by a health care professional, and (b) disclosure of the PHI is made to someone who can prevent or lessen the threat. PHI may also be used or disclosed by the District in connection with any internal activities of the District related to providing, payment for, or managing health care treatment and services. PHI may also be disclosed to health care providers for purposes of treating a student. In any case where you have a request for disclosure of protected health information that involves notes from psychotherapy or any similar treatment, promptly contact the Office of the General Counsel to discuss the request.

Any request from a government agency or official, a court of law, or any other representative of a state or federal government for a student's protected health information must promptly be referred to the Office of the General Counsel for response. In addition, if you believe that a use or disclosure of protected health information is required by law, such as in the case of possible incidents of child abuse, you must promptly refer the matter to the Office of the General Counsel.

Except as stated in this Section #5, a student's protected health information cannot be used or disclosed without the written authorization of the student, parent or legal guardian, as applicable.

6. Can I conduct a survey in which health related information is solicited from survey participants?

If you are gathering information but not gathering any identifiable information about the individual (such as their name or address) and there is no way to re-identify the individual once the survey has been submitted, then consent is not required. In the text of the survey, you must indicate that the information submitted is not protected by state or federal privacy rules. However, if you are gathering any identifiable information, consent from the subject, or his or her parent or guardian, is required along with certain notices, such as notice of what will be done with the information and how it will be stored.

For example, a survey on kids' exposure to violence that does not also solicit health related information, such as any mental or physical effect of such violence, is permissible. On the other hand, if the survey includes health information or information that could lead to a physical or mental health diagnosis, such as whether the child had problems sleeping or evidence of depression, the information must be kept confidential and consent of the parent, guardian or, in some cases, the student, is required in order to disclose the data. Similarly, basic physical data such as height, weight, and results of PE tests must be kept confidential and not disclosed without the consent of the parent, guardian or in some cases, the student. An exception to this rule is that such data may be disclosed if it is directory information of members of school sports teams and no restriction on disclosure has been submitted by the parent, guardian or, in some cases, the student. On the other hand, data in aggregate form held in a manner that does not permit re-identification of a particular student may be disclosed, such as an announcement that a certain percentage of the student body at a high school passed a certain PE test.

7. How do I obtain a written authorization to disclose protected health information?

Except for disclosures set forth in Section #5 above, you must obtain a written authorization from the student, parent, or legal guardian prior to disclosing the student's protected health information to another person or organization. For example, if you receive a request from another school district or from a college or technical school for a student's records that contain protected health information, you must get a written authorization from the student, or from the student's parent or legal guardian if the student is under 18 years old, not emancipated or not legally permitted to consent to medical treatment, before you release any protected health information. [If the request is from a federal or state agency or court of law you must send the request to the Office of the General Counsel immediately.]

In order to obtain a written authorization, have the student, parent or legal guardian, as appropriate, complete and sign the District's form "Authorization to Release Protected Health Information." A copy of the form is attached to this policy. **The District's authorization form must be completed** regardless of whether you receive another authorization form with the request for the student's protected health information. The District's

authorization form must be completely filled in and signed. Unless the disclosure is expressly permitted by Section #5, you cannot release any protected health information until you have the District's authorization form fully completed and signed by the student, the parent or the legal guardian (as appropriate).

Once the District's authorization form is completed and signed, you can only release the information stated in the form to be disclosed, and in no event can you disclose more information than was requested. For example, if the student's file contains protected health information for school years 1999-2002 and you receive a request for a student's health information for school years 1999-2002, but the authorization is only to release information for school year 2001-2002, you may only release the information for school year 2001-2002. On the other hand, if you receive a request for a student's health information for school years 2001-2002, but the authorization is to release all health information, you may still only release the health information for school years 2001-2002.

8. What other steps must be taken when protected health information is disclosed?

You must keep a record of each time you use or disclose a student's protected health information. Therefore, each time you receive a request for PHI, put a copy of the request in the student's file. If the request must be sent to the Office of the General Counsel for response (See #5 above), make a copy of the request and place the copy in the student's file prior to sending the request to the Office of the General Counsel. If you obtain a written authorization to release the information, put a copy of the written authorization with the original request. You do not need to keep track of disclosures of a student's protected information if you give the PHI directly to the student, or the student's parent or legal guardian.

9. Where can I go for further information?

You should call the Office of the General Counsel at (213) 241-7600 if you have any questions or concerns about how to handle a student's protected health information. In addition, if you have any information about possible violations to this policy or the unauthorized use or disclosure of a student's protected health information, you should contact the Office of the General Counsel. You will not be penalized in any way for reporting such information.

Please be aware that the District is adopting this policy to comply with state and federal law, and is making it available for informational purposes only. This policy is not intended to provide you, or anyone else, with any rights, remedies, claims or causes of action whatsoever.

DATA USE AGREEMENT ATTACHMENT D:

THE LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY ON PROTECTION OF EMPLOYEE RECORDS

From time to time, the District and its employees receive requests for access to private information about an employee. This private information consists of both Personnel Records and Employee Information.

This policy must be followed any time there is a request for access to, or the possibility of the “disclosure” of the contents of an employee’s Personnel records or Employee Information. As used in this policy, “disclosure” means, “to permit access to or the release or other communication of information contained in employee records, by any means, including oral, written, or electronic.” Please note that improperly disposing of Personnel Records or Employee Information can constitute a “disclosure” under the law. Use secure disposal methods, such as the shredding of paper records. In any case where there is a question about whether employee Personnel Records or Employee Information should be disclosed, contact the Office of the General Counsel as soon as possible. In all cases, disclosure may occur only in accordance with the terms of this policy. Failure to follow these policies may result in discipline, including termination.

Some Personnel Records must be kept by the District indefinitely unless microfilmed or otherwise stored. For more information about these, check with Personnel. The laws relating to the privacy of employee information come from many sources, including state and federal statutes. In ordinary situations, the State law applies to situations dealing with the privacy of the District’s employee records. This is different from agency to agency, depending on the level of Federal control over the agency’s day-to-day activities. Because the federal government does not exercise a great deal of control over the day-to-day operations of the District, state law applies, even though the District receives federal funding. If you have any questions about which laws apply, please direct them to the Office of the General Counsel.

1. Are Personnel Records private?

Personnel Records are records kept by the District that may affect or be used relative to that employee's qualifications for employment, promotion, transfer, compensation, attendance or disciplinary action. It is the policy of the District to maintain the privacy of Personnel Records. District employees are permitted to view their own records under certain circumstances, as outlined below. Other District employees are permitted access to these records only where necessary to perform their job. Vendors are permitted access to these records when the information is required to provide services to the employee or District. When protected Employee Information must be transmitted to a vendor providing services to the employee or District, the District shall require that the transmission be by the most secure method practical under the circumstances, and that the vendor keep the information strictly confidential.

2. Is Employee Information private?

Employee Information is information retained by the District about an employee that is not contained in an employee folder. Employee Information includes lists, reports or data on computer systems that are used by other departments or vendors to provide employees services such as payroll, healthcare and Workers’ Compensation. Some types of Employee Information are protected, other types are not. Employee Information such as an employee’s name, position, work phone number or workplace location is a matter of public record and not protected by law. However, Employee Information is protected by this policy when, if released, it could result in an unwarranted invasion of an employee’s personal privacy. Information of this sort is of a personal nature, with no relation to an employee’s work duties or functions. Examples of this kind of “protected Employee Information” include an employee’s home address, phone number, social security number, marital status, parental status, salary information, disciplinary information and other types of information of this nature. Although these are not “personnel records,” it is the policy of LAUSD to maintain the privacy of this type of employee information except when this information must be accessed by employees of the District in order to perform their job functions, or by vendors requiring the information to provide services to the employee or the District. When this protected Employee Information must be transmitted to a vendor providing services to the employee or District, the District shall require that the transmission be by the most secure method practical under the circumstances as determined by the District Information Security Coordinator, and that the vendor keep the information strictly confidential. **If you are unsure as to whether this information is protected, contact the Office of the General Counsel prior to providing this information to anyone outside the District.**

3. Are there any other circumstances where Personnel Records or Employee Information may be released without employee consent?

Under some circumstances required by law, Personnel Records and/or Employee Information, even protected employee information, must be disclosed. An example would be where the names, telephone numbers, and last

known addresses are requested in a subpoena arising out of a lawsuit with the District or a third party. All requests for Personnel Records or Employee Information from any internal or external party who does not require that information as part of their normal job function must be forwarded immediately to the Office of the General Counsel. In certain circumstances, such as when subpoenaed, information may be released unless the employee takes action in court or otherwise to prevent it from being released.

4. What kinds of Personnel Records does the District keep?

The District keeps several types of Personnel Records across multiple organizations within the District. There are five basic categories of personnel information: Service Information, Salary Allocation Information, Employee Relations Information, Health Information, and Supervisor's

Information. Below are the types of records contained in each category. Most of these records are accessible to employees on an appointment basis by the office that keeps the folder.
