The LAUSD is in the process of addition functionality to LAUSD PASSport, which will enable parents/guardians to access information about their child's special education services via this page.

## Special Education Services

Back
Main Page

# Welcome Parents and Guardians

You are important partners in education and preparing our students for a successful future. We look forward to our continued partnership as we strive to ensure that all students are life-ready, college-prepared, and/or career-ready for the 21st Century.

# Coming Soon!

- We are in the process of developing additional PASSPort functionality, which will enable parents/guardians access to information about their child's Special Education Services via this portal.
- A link to a student's current Individualized Education Program (IEP) will be the first step, and is scheduled to be included in the near future.

# In the meantime...

- For more information, visit the Families link on the Division of Special Education's website, here.
- If your child is currently participating in a Special Education program, please review your child's Individualized Education Program (IEP), check Section A on page 1 to find the date by which your next IEP team meeting must be conducted, and work with your child's school to schedule the meeting.

# Online forms & Applications

The Online Forms & Application features currently offers the following services:
