

NEW CAHSEE Test Results Report

A new report has been added to AIM-SRM specifically for reporting CAHSEE test results (titled: "CAHSEE Test Results"). The report includes the scale scores and percentages in each category of math and ELA.

The report can be found in the "STUDENT" report group.

| Report Title | Description |
|--|--|
| CAHSEE Test Results | CAHSEE test results with scale scores. |
| CASAS Test Scores | CASAS test scores grouped by student name. This report runs for a time period against the test |
| Class Demographic List by Course | Student demographic information grouped by Course Code and Section Number. |
| Class Demographic List by Teacher | Student demographic information grouped by Teacher name, Course Code and Section Number |
| Class Directory by Course | Student enrollment information grouped by Course Code and Section Number. |
| Class Directory by Section | Student Enrollment Listing by Section and Course |
| Class Directory by Teacher | Student Enrollment Listing by Teacher |
| Class Directory by Teacher with Student Status | Student Enrollment Listing by Teacher with student statuses. |
| Competency Test Scores | Competency test scores grouped by student name. This report runs for a time period against the |

The report is run similar to all other reports except that it has a second set of start and end dates in the "Parameters" section for selecting the testing dates. Select the students you want included by choosing a time period in the "Year/Period/Date" section (like any other report) and then select the testing dates in the Parameters section (see below).

If you want the results for an individual student, you can select "Filter" and select the "Student" tab to select the student you want.

Report Parameters (CAHSEE Test Results)
