

Employees' Connection

Keeping You Informed About Investments In Our Schools

Chapter 7: You are the absolute best!

Dear L.A. Unified Family,

I am deeply appreciative for the unparalleled dedication and passion of every employee in this district.

Together, we continue to make great strides toward reaching 100 percent graduation, and we are accelerating our work to ensure that all students attend school every day. Attendance is a cornerstone of academic success and District stability. Your numerous efforts to raise attendance—which you perform daily, without any expectation of praise—are noticed, are transformative, and are elevating the aspirations and achievements of our youth. You are the **absolute best** group of individuals to work alongside.

I hope everyone takes time to rest, rejuvenate, and create new memories with friends and family. I wish you and your loved ones a wonderful holiday season and a healthy and peaceful New Year.

Warm Regards,

Vivian
