How to Access and Navigate the College and Career Readiness Survey Results Dashboard

College and Career Readiness Survey Background

The **College and Career Readiness Survey** (CCRS) is an annual survey administered in the spring to 12th grade students only. Survey results provide the District, schools, students, and families with very **important information** on high school students' experiences in planning for, applying to, and enrolling in college, as well as their career planning. Results are shared with schools and posted on the CCRS Results Dashboard.

The survey ask students questions about:

- The type of college and career support they received
- The colleges students applied and were admitted to
- The types of financial aid they have been awarded
- The colleges at which they plan to enroll in

School Level Data

Step 1: Click on School Level data on the center

The screenshot shows the ODA | LAUSD UNIFIED website interface. The navigation bar includes links for DPAR Home, CCRS Home, About Us, Results, Sources, Dashboard, and Technical Guide. The main header displays 'College and Career Readiness Senior Survey Results 2022-23'. Below this, three tabs are visible: 'District/Region Summary', 'School Level Data' (highlighted with a green circle and a 'Step 1' callout), and 'Additional District/Region Data'. The 'School Level Data' tab is active, showing filters for 'Campus Name' (set to District) and 'Category' (set to College and Career). A legend indicates data is shown as '% School' (dark blue) and '% District' (light blue). The main content area features three summary cards: 'Response Rate' at 91%, 'Total Surveys Submitted' at 25,121, and 'Educational Aspirations' represented by a pie chart. The pie chart data is as follows:

| Aspiration | Percentage |
|--------------------|------------|
| Unsure | 1% |
