

SENIOR PAINTER

DEFINITION

Assists in overseeing the overall painting operations in a designated Maintenance and Operations area.

TYPICAL DUTIES

Surveys sites, plans, schedules, inspects, and certifies completion of operations performed by District and contract personnel involving the construction, maintenance, repair, and alteration of facilities.

Develops, reviews, and revises work schedules.

Confers with supervisors on job requirements, plans and schedules.

Prepares job estimates, scope of work, and sketches of work required.

Plans, coordinates, and schedules projects with District personnel, community representatives, contractors, vendors, and the public.

Prepares correspondence, reports, instructions, description of tasks, and related documents.

Provides emergency responses and related services to minimize safety hazards to students, employees, and the public.

Orients work crews in the proper and safe use of tools, equipment, and materials, and implements safe work practices.

Provides work direction to craft personnel.

Identifies and evaluates equipment, supplies, techniques, and systems.

Ensures compliance with procurement procedures.

Coordinates resolution of construction project issues in accordance with District policy, applicable laws, and regulations.

May act in place of the supervisor during absences.

Obtains contracts from private vendors and interacts with, coordinates, and inspects the work of contractors.

Performs journey-level duties as needed.

Enters work order and requisition data utilizing computer systems.

Applies provisions of collective bargaining agreements.

Performs related duties as assigned.

DISTINGUISHING CHARACTERISTICS AMONG RELATED CLASSES

A senior craft person assists a supervisor or manager in overseeing the overall respective operations in a designated Maintenance and Operations area.

An area craft supervisor oversees the overall craft operations in a designated Maintenance and Operations area by supervising, assigning, inspecting, and evaluating the work of assigned staff; providing technical work direction to site-based staff; and monitoring, inspecting, and reviewing work performed by contractors.

A craft person performs the journey-level work within their specific discipline in a designated Maintenance and Operations area.

SUPERVISION

General supervision is received from a higher-level craft supervisor. Work direction is exercised over lower-level employees.

CLASS QUALIFICATIONS

Knowledge of:

- Principles of organization and personnel management
- Pertinent employee health and safety laws, regulations, and District policies and procedures
- Pertinent provisions of labor contracts
- City, County, State, Federal and other codes pertinent to painting work
