PAYROLL CHANGE

NOTE: The purpose for this request is to avoid possible overpayment of salary, which would otherwise result from one of the changes in employment status listed below.

I hereby request that my payroll calculation for the school year 2023-2024 be changed as follows:

Instead of receiving annualized salary payments during both worked and unworked periods (such as summer, off-track, and certain non-holiday recesses), I am requesting that my salary be changed so that I am paid my contract salary rate for only those days actually worked because I anticipate not working the complete school year, or I will not be following a published pay calendar.

I am submitting this request because (check all that apply and provide supporting documents):

- I plan to **resign / retire** from the District on _____
- I plan to **take an unpaid / paid leave** that will be longer than twenty consecutive workdays:
