

LOS ANGELES UNIFIED SCHOOL DISTRICT 2023-2024 ANNUAL PESTICIDE USE NOTIFICATION

The District has adopted an Integrated Pest Management (IPM) policy. This policy includes notifying parents/guardians of pesticide use. During the school year, it may be necessary to apply pesticides at your child's school to avoid serious health problems posed by pests and/or maintain the integrity of a structure. However, should you feel that your child's or your (for school staff) health and/or behavior could be influenced by exposure to pesticide products, you are notified as follows:

- An application of products on the Approved List may be applied during the school year (see attached list of pesticide products that have been approved for use at District sites). Also available at <https://www.lausd.org/Page/18939>
- In the event the use of a product is required that is not on the Approved List, you will be notified 72 hours in advance. (Exception: Emergency circumstances that warrant an immediate response).
- Additional information regarding pesticide products, including those on the District's Approved List, is available online at <https://www.cdpr.ca.gov/>.

Please complete, detach, and return the form below to the school's main office, indicating whether you wish to be pre-notified each time a pesticide is scheduled to be used at the school.

IF APPLICABLE, COMPLETE, SIGN, AND RETURN THIS PORTION TO YOUR CHILD'S SCHOOL

PARENT/GUARDIAN REQUEST FOR NOTIFICATION 2023-2024

I would like to be notified every time a pesticide application is to take place at my child's school (i.e., in addition to annual notification). I understand that the notification will be sent home with my child or provided to me by a school staff member at least 72 hours before application. (Exception: Emergency circumstances that warrant an immediate response).

I do not need to be notified every time a pesticide is to take place at the school. I understand that I will receive an annual notification in the Parent Student Handbook, or by other means, of pesticides approved for use at schools.

Child's name (print): _____ Grade: _____

School: _____ Room Number: _____

Name of parent/guardian (print): _____

Signature of parent/guardian: _____ Date: _____

Note to Site Administrator

File the original in the Main Office. If the above "I would like to be notified" box is checked, forward a copy of this notice via school mail to the IPM Program Coordinator.

**Los Angeles Unified School District
Approved Pesticide Product List 2023-2024**

The Los Angeles Unified School District is committed to the Precautionary Principle and Right to Know. All of the products listed below have been approved by LAUSD for use at District sites. However, this list does not indicate that all approved products listed below are used. In fact, some of these products are used rarely, if ever.

Some of the listed products require Pest Supervisor approval and/or direct supervision during application, and are used only when health or safety concerns are present as outlined within The IPM Policy. These products are listed at the bottom of this list, and restrictions are also indicated in the "comments" column.

PESTICIDE NAME	(1) ACTIVE INGREDIENT	PHYSICAL FORM	APPLICATION METHOD	TARGET PEST	USEPA TOXICITY CATEGORY	(2) LABEL DESIGNATION	COMMENTS	EPA REG. NO. or CA. REG. NO.
